

2017 Annual General Meeting

A very big thank you to the 129 Members who attended our 2017 Annual General Meeting held on April 12, 2017. Not only did you help us celebrate 70 years of history, you helped us raise \$1332.00 for STARS Air Ambulance! We would also like to thank our vendors for donating various door prizes for our AGM.

2017 Rural Roots Recipients

The Wild Rose REA Rural Roots award was created to support the development of rural clubs, societies, groups and programs within our service area and highlight the enhancements these groups make within our community. On April 12, 2017 four \$500 Rural Roots awards were granted at our 2017 Annual General Meeting. The 2017 recipients were as follows;

1. Westlock Fun Hockey Association,
2. The Pickardville Community League 2014
3. The Soul Sisters Memorial Foundation
4. Westlock and District 4H Council

2017 Scholarship Recipients

The Wild Rose REA scholarship was created to recognize the academic accomplishments of children of Wild Rose REA Ltd. members and to assist and encourage further education for the betterment of the our community. On April 12, 2017 four \$500 scholarships were awarded at our 2017 Annual General Meeting.

The recipients were as follows;

1. Brianne Letts
2. Cassandra Van De Ligt
3. Graham Letts
4. Cole Huppertz

June	Mr. E Allcock, Mr. E Jestin, Woynorowski Farms,

24 Hour Emergency (1-877-749-3655)

Generate your own ELECTRICITY!

WRREA can help you become a micro-generator and handles the entire process from start to finish.

"Quote-Application-Installation-Connection"

This process of installing a solar array allows Members to generate their own electricity!

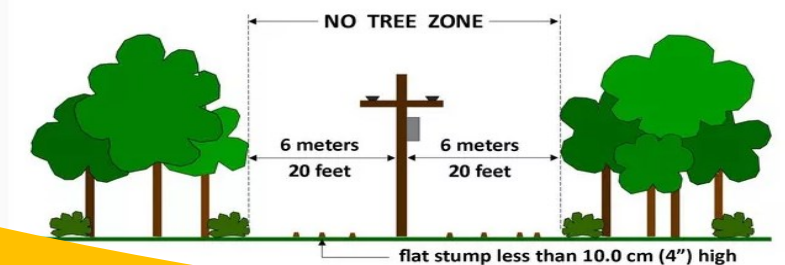

WRREA has preferred partners that have decades of experience installing "turn key" solar arrays for Members to ensure the process is seamless. **Micro-generation** is the production of electricity on a small scale, using renewable and alternative energy sources, typically by solar or wind. Micro-generators receive a credit for energy produced that they do not consume which is exported back into the grid. The credit is calculated per kwh at the current regulated rate option (RRO).

If you wish to become a micro-generator, please contact the WRREA Office [780-349-3655](tel:780-349-3655).

Vegetation Management

Our patrols are ongoing, however we cannot be everywhere at the same time. If you see vegetation close to an overhead primary power line, please help us by calling our office at 780-349-3655.
