

A free, quick, and easy way for you to support the great work that Sela is doing is to register your grocery store loyalty programs to give to the school. It is free to you and each of the stores will give a certain percentage of money you spend at the stores to Sela. It takes about 1 minute to sign up. Once you sign up, the programs do not require you to re-register each school year, so Sela will continue to benefit without any extra effort on your part!

Your friends and family can help Sela too, even if they don't live in DC, provided they shop at any of the stores below and register for the programs.

Amazon will now donate 0.5% of the price of your eligible AmazonSmile purchases when you shop. Again, it's free to sign up and it gives money to our great school.

Box Tops for Education

Yes, it really is worth it to clip those box tops! The *Box Tops for Education* program helps schools earn money by donating 10¢ for each submitted box top label.

To participate, just clip pink box top labels from [hundreds of participating products](#)—including cereal, snacks, office products and many others—then drop them into the collection box in the school office.

You can also earn money (up to 15% cash back!) for our school by shopping at your favorite online stores through the [Box Tops Marketplace](#). For more information, visit the [Box Tops for Education](#) website.

Campbell's Labels for Education

The [Labels for Education](#) program awards free educational equipment to schools in exchange for proofs of purchase from the Campbell family of brands. Simply clip the UPC symbols from [participating products](#) and turn them in to Sela. We can then redeem labels for an array of school supplies and equipment.

Please let me know if you have any questions about these programs or if you would like to know more about how to get involved.
