

NEW 2100 NORTH TRAFFIC CONFIGURATION

To accommodate construction, 2100 North at I-15 will be reduced to one lane in each direction beginning as early as Dec. 10, 2018 into 2020. To keep traffic moving, the interchange will be converted to a Diverging Diamond Interchange (DDI). Drivers should plan ahead for additional delays during peak hours or use an alternate route. Please use caution and follow the construction signs.
