PRESIDENTIAL REPORT

MOP PRESIDENT JACOB RODRIGUEZ

DISTRICT PRESIDENTS, VICE PRESIDENTS, SECRETARIES, TREASURERS, AND LEADERS,

Praise the Lord!

I first want to express my deepest appreciation to my Lord and Savior Jesus Christ for granting me the honor to serve the National Messengers of Peace as President from November 2016 to 2018. These past two years were filled with challenges, successes, and growth. Glory to God! His favor and guidance have continued to be over this department and administration every step of the way.

At the 2016 General Convention, I received a strong department, foundationally and financially resilient; this was undoubtedly due to the leadership of my predecessors who worked arduously, for which I am truly grateful.

***“MOREOVER IT IS REQUIRED IN STEWARDS
THAT ONE BE FOUND FAITHFUL.” – 1 CORINTHIANS 4:2***

My report reflects the work and success that would not have been possible without the assistance of distinguished individuals whom I must acknowledge.

To my wife Cherie, that has been selfless and sacrificial in supporting me to fulfill my duties in serving the Messengers of Peace. Also, to my wonderful children, Makai and Chloe, who inspire me to serve and selflessly share me with the church.

To my home church, CityLight Church in Mountain View, CA that has supported me as their founding pastor and allowed me to serve as MOP president the last two years.

To our Secretary, Minister Alex Cordoba, who has labored passionately in serving our young people and managing an enormous and often unseen workload with excellence.

To our Treasurer, Dr. Waldo Moreno, who has served arduously in managing the finances with the upmost integrity, ensuring a prosperous future for our young people.

To our Advisor, Bishop Felipe Salazar, who has contributed a wealth of wisdom in advising our department, advocating our interests and covering our young people in prayer.

To past and current coordinators, who have blessed the MOP with their talents and abilities: Vanessa Cardenas, Jason Ocegüera, Javier Garza, Nate Pena, Rebekah Bermejo, Julio and Elsa Guerra.

To all MOP district presidents and boards, who have given your full support, prayers and provided me with such valuable feedback. We have all moved “FORWARD” together in Christ.

It has been an honor to serve you these past two years as president. I consider you all not only my colleagues, but my friends. Your support means everything. Today, I stand before this body of leaders with great satisfaction in my heart to submit my biennial report, and to share with you the advancements and victories that God has given to the Messengers of Peace. To God be all the honor and glory!

In Christ,

Pastor Jacob Rodriguez

In November 2017, I launched my vision of **"FORWARD"** as a way to inspire and unite the Messengers of Peace to focus on progress in revival and evangelism. This report will reflect advancements that have worked towards that vision, as well as prior endeavors.

OF EXPANDING THE KINGDOM.

NYA

NATIONAL YOUTH ADVANCE

The purpose of NYA is to empower, unite and equip young people to flourish and expand the kingdom. From January 2017 through April 2018, the National Messengers of Peace conducted a total of 16 successful NYA's throughout the United States. Year after year, the attendance at NYA has continued to build momentum and reflects the numerical growth of youth in the Apostolic Assembly.

During the 2017 tour, we emphasized revival through dynamic preaching and evangelism training through community outreach and small groups. With the new vision of "FORWARD" in the 2018 tour, we intensified our training in the ministry of small groups in order to support the Strategy of Jesus model implemented throughout the Apostolic Assembly.

The results, though not easily quantified, appear to show a more vibrant, mission-minded and outreach-driven body throughout the Assembly, from the district to the local level. We have gauged this through personal interaction, social media and emailed reports. In addition, at nearly all the locations in the last two years, we have received reports of Holy Spirit baptisms during, and water baptisms following the NYAs. To God be all the glory!

A large crowd of people, mostly young adults, is shown in profile, looking towards the right. They are dressed in formal attire, including dresses and suits. The image has a strong orange-yellow color cast. Overlaid on the center of the image is a dark green map of Panama. The text "PANAMA GALS" is written in large, bold, black, sans-serif capital letters across the map.

**PANAMA

In June of 2017, we successfully held our first ever Global Leadership Summit (GLS) in Panama City, Panama. The purpose of GLS was to connect with youth leaders from North, Central and South America for a time of training, encouraging and mentoring. We took approximately 50 young people from the United States who were all used by God to encourage the church. With a nightly attendance of over 400 people, we witnessed a tremendous move of the Spirit. A total of six countries were represented: United States, Panama, Dominican Republic, Costa Rica, Nicaragua and Colombia.

NATIONAL YOUTH CONFERENCE 2017

In November 2017, we celebrated our National Youth Conference in Long Beach, CA. By the grace of God, the conference was an incredible success that drew approximately 9,000 attendees—setting a new record for attendance. Daytime conferences focused on training, tools and new ministries, while our evening services focused on vision and direction for the church. The Lord blessed us and poured out His Spirit in a mighty way.

It was also during that convention where we officially launched the vision of “FORWARD” and began shifting the narrative towards evangelism and revival. That shift was visible even during the conference, when for the first time, an evangelistic activity was held offsite at a community center where over 50 young people served the public.

London
REVIVAL

The year 2018 marked a shift in the international ministry of the Messengers of Peace as I felt a strong burden to focus more on evangelism in our mission trips. After much prayer, the Lord placed London, UK in my heart and we began making plans to host a city-wide revival to support the work of Missionary Fontanarosa. We took a group of 80 young people (the largest MOP missions team ever assembled) and spread the Gospel throughout the streets of London. Over 10,000 revival tracks were distributed. I will let the missionary speak for himself regarding the results.

**THE REVIVAL WAS A SUCCESS AND WE GIVE ALL THE GLORY TO GOD.
IT WAS AN AWESOME SIGHT TO WITNESS HOW THE LORD USED OUR
YOUNG PEOPLE TO MAKE AN IMPACT IN THE CITY OF LONDON.**

“THE ACTIVITY HAS BEEN A SUCCESS, IT HAS BEEN ABLE TO GATHER MORE THAN 150 PEOPLE ON SATURDAY, AND ALMOST 200 ON SUNDAY. AGAIN, THANK YOU VERY MUCH FOR HAVING INVESTED TIME FOR THIS NEW MISSION, IT HAS BEEN A BLESSING AND EDIFICATION FOR ALL THE CHURCH AND NEW SOULS THAT GOD HAS ALLOWED US TO MINISTER THE GOSPEL OF POWER, THE CONTACTS THAT WE HAVE BEEN ABLE TO GATHER HAVE BEEN MORE THAN 30 FAMILIES.” – MISSIONARY DANIELE FONTANAROSA

SEEDS

Although the Treasurer's report will include specific financial details and information, I want to take the opportunity to personally thank you and your district for the support you have shown through SEEDS. Without the amazing support of SEEDS, none of these ministry goals would have been possible.

**“HE WHO CONTINUALLY GOES FORTH WEeping,
BEARING SEED FOR SOWING, SHALL DOUBTLESS COME
AGAIN WITH REJOICING, BRINGING HIS SHEAVES WITH HIM.”**

PSALM 126:6

Essentially, your districts share with us the joy and victory of what the Lord has done here and abroad. We have seen incredible growth that has allowed the Messengers of Peace to work towards the vision of “FORWARD” and bless so many people, especially pastors' kids and missionary families. To God be all the glory!

DISTRICT PRESIDENTS 2017-2019

During this term, I have been pleased to observe how the Lord has raised up new leaders to serve the MOP in their respective districts. Above is a current list of district youth presidents. I encourage you to become more familiar with these names in order to share ideas, support one another, pray for one another and work together when possible.

By God's grace, during my first term, the MOP successfully launched or continued several special ministries and programs to reach young people and mobilize for outreach.

SPECIAL MINISTRIES

To support the evangelism and growth of the church, we have continued to provide training and resources for small group ministry. Under the coordination of Minister Jason Ocegüera, we have trained and equipped thousands of young people to participate in small groups (The Strategy of Jesus). In addition, for the first time, we published our very own small group studies available for download on our website, with more on the way.

SMALL GROUPS

COMMUNITY OUTREACH

Based on a strong belief I have in serving the community, in 2017 we established a new program called Community Outreach, under the coordination of Minister Javier Garza. So many youth are stepping up and stepping out to serve the people of our neighborhoods and communities. In 2018 alone, there have been over **1,076 volunteer hours** logged, **264 volunteers** and 11 districts

DRIVENILIFE

NATIONAL YOUNG ADULTS RETREAT

In 2017, at the National Youth Conference, we launched a new ministry geared towards young adults aged 26 and up. In the first year of my presidency, I began to notice the need of reaching our young adults who often feel overlooked and sometimes out of place in our youth activities. Sadly, the church has seen many leave after reaching these ages or upon advancing their professional careers.

Under the coordination of Minister Julio and Sister Elsa Guerra, this new ministry is now flourishing and has successfully completed the first-ever National Young Adult retreat in August 2018. We had approximately 80 campers and provided excellent workshops, engaging roundtables and powerful worship services. To God be all the glory!

YOUNG LADIES

In 2017, we introduced some special young ladies' sessions at certain NYA's and also at National Youth Conference. With Sister Rebekah Bermejo as our representative, these conferences empowered many young ladies to make a difference in expanding the kingdom. We heard positive feedback about how seeing young ladies being used to speak dynamically inspired them to step out for God.

This past summer of 2018, the MOP hosted a series of three leadership webinars with over 200 registrants from the United States and abroad. These webinars were born out of my desire to help young people develop their leadership skills in a practical and informal setting. I also wanted to test out the webinar platform for future projects.

LEADERSHIP WEBINARS

PROJECTION OF NEW AND CONTINUING PROGRAMS

“

I would like to switch gears in this report and now focus on the goals for the next two years. Whether the Lord allows me to lead this vision or pass the baton to another, I anticipate greater things to be accomplished. In the next two years, there will be a stronger emphasis on leadership development, because I believe young leaders are the key to sustained unity, revival and growth. Below is a projection of new and continuing ministries.

”

L.E.A.R.N NETWORK

With great anticipation, the National Messengers of Peace is unveiling an innovative leadership program called LEARN, which is an acronym for Leadership Education And Resources Network. LEARN will be an ongoing learning platform, offering exclusive Apostolic content including videos, blogs, tutorials, ebooks, Bible studies and tools for young people to grow in ministry and leadership. The best part is, most of the content will be free of charge.

“LET NO ONE DESPISE YOUR YOUTH, BUT BE AN EXAMPLE TO THE BELIEVERS IN WORD, IN CONDUCT, IN LOVE, IN SPIRIT, IN FAITH, IN PURITY.”

1 TIMOTHY 4:12

LEARN will offer resources on a wide range of topics such as leadership, church administration, music, creative arts, small groups, community outreach and young adults (Driven Life). LEARN will be much more than an online resource, but will coincide with our National Youth Advances. The morning sessions at NYA 2019 will be LEARN leadership sessions meant to equip young people for higher service.

THE BEST NEWS IS THAT THIS BRAND-NEW PROGRAM OFFICIALLY LAUNCHES TODAY AT WWW.MOPLEARN.ORG.

MOP ALBUM RECORDING

In 2019, the Messengers of Peace will host its first NYA live album recording in Fontana, CA.

My desire has been for the MOP to produce its own original Apostolic music to be sung in our churches. Under the direction of our new music coordinator Mike Ramirez, the MOP worship album is slated for the later part of 2019. The vision is to establish a path for future albums under the MOP music label and impact generations through song.

PORTUGAL REVIVAL 2019

In June 2019, the Messengers of Peace will be conducting a missions trip to Lisbon, Portugal in order to support and aid the missionary and his church. Similar to London Revival, this effort will focus primarily on street evangelism, a gospel concert and community service. We gained much experience in London about European missions, and are eager to apply those lessons in Portugal. Lord willing, we can take a group of 80 young people or more.

The dates for Portugal Revival are June 26 to July 2, 2019.

CONTINUING MINISTRIES AND PROGRAMS

In addition to new ministries, there are a couple of existing programs that will continue through 2019. Due to a number of factors, including but not limited to, the vision of the presiding Bishop President, the vision of the MOP president, department finances or resources, not all programs are able to continue year after year. That being said, the existing programs that will continue are:

NYA 2019

Normally, the MOP reduces the number of NYAs on odd number years when there is a scheduled National Youth Conference. This change would typically affect smaller regions. However, in order to maintain momentum and expectations in 2019, we have chosen not to reduce or eliminate any NYAs. I hope and pray that the young people will take full advantage of NYA next year. As previously mentioned, the morning conferences at NYA will be on leadership development.

JAN 11-12	SOUTHWEST - PHOENIX, AZ
JAN 18-19	WEST COAST NORTH - UNION CITY, CA
FEB 7-9	WEST COAST SOUTH 2.0 - FONTANA, CA
FEB 22-23	EAST COAST SOUTH - TAMPA, FL
MAR 7-9	TEXAS 2.0 - DALLAS, TX
MAR 15-16	NORTHWEST - SEATTLE, WA
MAR 29-30	MIDWEST - CHICAGO, IL
APR 12-13	ROCKIES - SALT LAKE CITY, UT
APR 26-27	NORTHEAST - NEW YORK, NY

Next year, with the help of the Lord, the National Messengers of Peace will once again host its biennial National Youth Conference in Long Beach, CA. After such successful NYCs the last few years, we expect to see the greatest turnout ever and are preparing for a youth conference like the MOP has never experienced before. From powerful evening services where our new Apostolic songs will be sung, to advanced training sessions, to street evangelism and community service, we are anticipating a fresh move of the Holy Spirit.

NATIONAL YOUTH CONFERENCE 2019

My desire is for several large teams wearing MOP t-shirts to go out witnessing and inviting people all throughout the urban area on both Thursday and Friday afternoon. I would like them to distribute at least 40,000 tracks, inviting the public to a free Saturday morning healing and deliverance service. Contact cards will be collected and given to the Los Angeles District bishop to relay to nearby pastors for follow up.

For the first time, National Youth Conference is going to be about more than gathering for ourselves, but serving outside the walls and impacting the region for Christ. Imagine what a few thousand young people could do in three days? This will change the game and the mindsets of the youth when preparing to come to convention. Afterwards, they can take these first-hand experiences home to their local churches and ignite revival.

**“BUT YOU SHALL RECEIVE POWER
WHEN THE HOLY SPIRIT HAS COME
UPON YOU; AND YOU SHALL BE
WITNESSES TO ME IN JERUSALEM,
AND IN ALL JUDEA AND SAMARIA,
AND TO THE END OF THE EARTH.”**

ACTS 1:8

**C O N

S I O N**

In conclusion, I believe my report has provided a fair and consolidated analysis of the last two years, including some projections for the near future. I pray that it may serve to inform the district leadership and assist to advance the kingdom of God.

Once again, I thank every one of you for your support of the National MOP and dedication to the young people in your respective districts. I urge you to continue to move "FORWARD" and strive together for the cause of Christ.

SECRETARIAL REPORT

MOP SECRETARY ALEX CORDOBA

NATIONAL MESSENGERS OF PEACE, DISTRICT PRESIDENTS AND BOARD, PRAISE THE LORD!

“

I greet you in the mighty Name of Christ Jesus.

On November 25, 2016 a new challenge was presented in my life. As I stand here today, I can truly say God has helped me. As I took the responsibility of being the National Youth Secretary my mind raced to think of different ways that I could help the National MOP excel in this administration. Three things came to mind. How to serve and make our president Jacob Rodriguez's job smoother, how to make the connection between the national board and district presidents even stronger, and finally, how to ensure excellence in the logistics of the administration of the National MOP. With the help of the Lord, the following is a report of the last two years and how God helped me achieve these goals.

Our National Youth President has many responsibilities. I believe that by having everything current, such as district directories with correct phone numbers and emails, over-seeing social media, the website and coordinators, I gave our President smoother access to focus on other pertinent areas.

”

NATIONAL YOUTH CONFERENCE 2017

The National Convention is always a time of year with much expectation and excitement. The National Youth Conference is even more special for the Messengers of Peace, with services and conferences directed at their needs and spiritual growth. This youth conference was no exception in the fact that God did something special in the lives of every Messengers of Peace. You could see a down pouring of the spirit throughout the arena, filled with a record breaking amount of MOP.

The conferences kicked off with breakout sessions tailored to different ministries and audiences. Such breakout sessions continued for two days of the National Youth Conference, in order to reach as many youths in the different capacities they serve.

Powerful conferences filled with biblical truth included such sessions as the worship-ology, missions and outreach, creative-ology, multiply small groups, women's ministry, driven life 28+, pastor's kids, and young preachers. To conclude the morning sessions, the MOP gathered in the arena where the word in the "preachathon" was brought to them by dynamic men of God such as David Berumen, Jacob Garcia, MOP Treasurer Dr. Oswaldo Moreno, and MOP Secretary Alexander Cordoba.

The evening portion of the National Youth Conference had deep worship and word for such a time as this. Bishop Vice President Ismael Martin del Campo, Pastor Tim Arroyo, Bishop Frank Balboa, MOP President Jacob Rodriguez, Pastor Anthony Romo, and Bishop President Dr. John Fortino each had a powerful and important word for this generation. New anointing, life, love, power, and healing were all spoken into the lives of the MOP, in an international level. God's name was proclaimed and lifted up. We declared that the MOP will move forward in unity expanding the kingdom one soul at a time.

NATIONAL YOUTH ADVANCE 2017

In 2017, God poured over of his spirit over the lives of many messengers of peace throughout the nation. The national youth advance tour kicked off in Union City, where youth from all over the northern part of California came to worship their King. Throughout the different NYA'S God moved mightily through the praise, worship, conferences, and preaching's. The MOP came together as one and in unity offered up thanksgiving to the Lord. The anointing poured over lives was apparent with the response in the altar. The tour concluded in the northeast region, and God was continuously faithful throughout every single NYA. In 2017 we reached about 6000 youth through our NYA'S.

NATIONAL YOUTH ADVANCE 2018

2018 was a year of triumphs for the Messengers of Peace. The much anticipated NYA tour started off at Union City with dynamic worship, anointed preaching's, and a powerful move of God.

The focus of the NMOP during the 2018 year was getting souls to commit to Christ. We witnessed many souls turn their lives over to God as they surrendered in His mighty presence and committed to following Him by asking for baptism. This spirit continued throughout the different cities that were visited, concluding in the Northeast Coast region. Again, God was faithful throughout every service in NYA

London REVIVAL

God gave our MOP President the vision, and young people from different parts from the states responded. Eighty MOP passed ten thousand tracts in three days within the city of Croydon, London. Sister Tia, a Londoner, added "I can speak for myself and others when I say that the MOP and its leaders, who have taken the time to travel with the intention to IMPACT the area of Croydon, has succeeded. They were a tremendous blessing to our local church (the Apostolic Assembly Croydon) and were a blessing in spreading the word of God to the local community." The presence of God was with the MOP in the streets as we passed out tracts, and in the concert and services where we saw first time visitors being moved and transformed by the Spirit of God. Many testimonies, healings, and transformations occurred through the lives of MOP that were willing to respond to the call of the Lord to be a blessing to London. The London Revival was a success for the Glory and Honor of God

FINAL WORDS

“ I want to thank every District President for their vote of confidence. I want to thank President Jacob, and Bro. Waldo Moreno for allowing me to serve the MOP. Surely, God has helped us. We knew the challenges that we had by being a board that was new in every position, and with a small window of time to get prepared. With God’s help, we moved Forward. My desire is to continue seeing the MOP and every district moving Forward. Last, but not least, I want to thank my wife for her support and dedication to the MOP as well. ”

TREASURY REPORT

MOP TREASURER DR. OSWALDO MORENO

PRAISE THE LORD!

“

I, too, want to recognize my Lord and Savior Jesus Christ for granting me the honor to serve the National Messengers of Peace as Treasurer from November 2016 to 2018. Like our president mentioned, these past two years have presented challenges, successes, and financial growth.

Before presenting our financial report, I want to thank my wife, Luisana Moreno, and my daughter, Faith, for their unconditional support these last two years. I also want to acknowledge the two gentlemen that I was honored to work with during these two years. To our President, Jacob Rodriguez, thank you for your vision, your hard work and passion towards the National Messengers of Peace throughout the world. To our Secretary, Minister Alex Cordoba, thank you for your service to our young people and working numerous behind the scene hours towards the National Messengers of Peace.

”

In Christ,
Dr. Oswaldo (Waldo) Moreno

SEEDS

SEEDS is the National Messengers of Peace national pledge drive to assist the MOP in launching the yearly vision, assist missionary families, provide relief aid during times of crisis, assist PK camp and execute the overall programs of the year. The MOP SEEDS pledge also assists with National Youth Advances and 1 International MOP event each year when necessary. These MOP activities were designed to unite our young people in worship, empowerment, and fellowship. In 2017-2018, through church giving and individual pledges, we were able to collect over \$85,000 in 2017 and over \$100,000 in 2018. Please note, 2018 is the first year when we broke MOP SEEDS record in MOP history collecting more than \$100,000 in one year. Part of this growth was due to an exponential growth in individual pledge giving (nearly 300% increase from last year). With nearly \$200,000 of SEEDS pledges collected in 2017-2018, the SEEDS campaign was used in a variety of ways:

INTERNATIONAL MISSIONARY FAMILIES:

Monies were used to help with education tuition fees and school supplies. For the 2017-2018, the SEEDS funds assisted in helping the education tuition fees and schools supplies to the children of Missionary/Bishop Moran (Caribbean), Missionary Fernandez (Thailand), and Missionary Valero (Colombia).

PASTOR'S KIDS CAMP:

Donations were used as scholarship for purchasing of airfare, room and board for children attending the pastor's kids camp. For the 2017-2018, the SEEDS funds assisted in providing donations to the pastor's kids camp event, as well as purchased the airfare, room and board for the daughters of Bishop President Cipolla (Italy) to attend the PK Camp 2018.

RELIEF AID:

Donations were used to provide financial aid to our brethren and young people during times of natural disaster or humanitarian crisis. For 2017-2018, the SEEDS funds assisted the southern Texas MOP districts, including former MOP President, Pastor Omar Cortez, after Hurricane Harvey.

NATIONAL YOUTH ADVANCES:

Monies were used to help in covering expenses for 9 National Youth Advances and 1 International Youth Event. For 2018-2019, the SEEDS funds assisted in several NYAs each year. Please note, most NYAs were self-covered with registration and offerings.

NATIONAL YOUTH CONFERENCE:

Monies were allocated to help with expenses for National Youth Conference held in Long Beach, California. For 2017-2018, the SEEDS funds assisted in extra expenses at our National Youth Conference in 2017 and our general morning sessions for our General Convention in 2018.

MOP MEDIA MINISTRY:

In 2017-2018, SEEDS funds supported providing resources like books and training materials, and tools through a variety of media outlets such as: website, Facebook, Twitter, and Instagram.

I want to take the time to thank all of you and your districts for your genuine support and hard work through SEEDS both years. Without a doubt, because of the amazing support of SEEDS both years, none of these ministry goals would have been possible. To God be all the glory!

TESTIMONIALS

"The MOP SEEDS program is not only a special offering but an investment in many lives. I am thankful that this year, I will graduate Tasis Dorado in Puerto Rico ready to begin my university studies. Thanks to the SEEDS programs, I am ready to pursue my degree with special needs children's - not only as a career - but as a ministry that I hope to establish within the Apostolic Assembly. I wouldn't be able to get closer to my dream if it weren't for SEEDS. I want to thank you from the bottom of my heart for helping me make my dreams become realities. Greetings and many blessings to all."

- Kiersten Moran, Missionary Daughter (Puerto Rico), 2017

"A thousand thanks are not enough. We could never be at PK Camp if it weren't for your help. We are forever thankful. We love you. We thank you for your support and prayers for us in Italy."

-Sarah & Alecia Cipolla, Missionary Bishop's Daughter (Italy), 2018

"The MOP and the London Revival team were an opportunity for the MOP to give to us as missionary kids the resources and energy. The London Revival not only helped us reach people, but they helped us emotionally and spirituality. Thank you so much for your support. It's actually one of the things that helped me realize that you all care about us as missionary kids in the United Kingdom."
