Check-In Schedule

We will be providing the schedule below for check-in of materials. Please follow the guidelines so we can make sure we are following the guidelines set before us. Here is what we are asking out of you.

- We ask that the student's materials are in a paper sack or trash bag with their name on it. (Books, Chromebook/charger, and library books are the main items).
- When you come to the school we will have you put them in the cafeteria on the selected table by class. We will follow the 10 people rule by the governor. Please ring the bell at the front and we will take you in. If there is a line please be sure to line up 6 feet apart.
- We ask that an adult bring the materials. If that is not possible we will meet the student at the door, but they are not allowed in the building.
- If the time schedule on Friday does not work for the Pk-4 or you have older students you can bring them on Monday as well during the scheduled time. If you have students in different time frames, please bring them at the time that works best for you.

If your student still needs to hold onto their materials we will have another check in date at a later time. They may not be done with all school work so they will need to keep their stuff.
