

Axtell Booster Club

The Axtell Booster Club is kicking off the 2018-2019 annual membership drive. This year we are again offering membership to individuals, families and businesses. We are also offering lifetime memberships for individuals or families. By becoming a member of the Axtell Booster Club, you are helping to support Wildcat athletics and activities.

The Axtell Booster Club’s purpose is to promote the community’s involvement and support in order to build school and community spirit for all school sponsored extracurricular activities at Axtell High School . In past years, we have helped raise funds for the track renovation, assisted with the purchase of the new gym wall padding, provided meals before and after sporting events for the athletic teams, and provided popsicles and water for the elementary field day. The booster club also provides two scholarships each year for seniors whose parents are members.

Annual membership dues for individuals and/or families are \$25. Individuals or families can purchase lifetime memberships for \$250. Businesses have the opportunity to advertise on the game programs for fall (football and volleyball) and winter (basketball and wrestling) sports. To advertise your business for just the fall sports or just the winter sports is \$60. You can advertise in both fall and winter sports for \$100.

Please send your membership dues, along with the bottom portion of this page, to Jennifer Marsh, 500 Main Street, Axtell, NE 68924. Please make your check payable to the Axtell Booster Club.

If you have any questions or would like to volunteer your time with the different projects throughout the year, contact any Axtell Booster Club board member (Tim Cline, Michele Cline, Jennifer Marsh, Rechelle Bertrand, Kelly Nelson, Jodi Hinrichs, Tracy Lindau, Teresa Bertrand, Brad Nelson).

You can also follow the Axtell Booster Club on Facebook!

Thank you for your support of the Axtell Wildcat programs!
