For Grades Pk-1 we will continue with our normal grading procedures. Please keep turning in your work! If we feel a student has fell too far behind we will look at a summer school option that is towards the end of the summer.

For Grades 2-4 we will use the following grade scale for the 4th quarter. Please keep turning in your work! If we feel a student has fell too far behind we will look at a summer school option that is towards the end of the summer.

E	Excellent
S	Satisfactory
N	Needs Improvement
D	Did not meet expectations

For Grades 5-8 we will use the following scale. Students need to complete their work and give their best effort to receive the P. If students are not doing the required work for a passing grade, we will look at Odysseyware for summer course work to get students back on track.

P	Pass
F	Fail

For Grades 9-12 we will use the following scale. **As long as students are completing their work and putting forth effort they will not be able to receive a grade lower than their 3rd quarter grade.** However, they will be able to raise their grade for the semester by having a higher 4th quarter grade. If students are not participating they will be awarded an Incomplete for the 4th quarter until that is made up. If this work is not made up they will not receive credit for that semester of that class. Our forms of makeup will be Odysseyware throughout the summer. Please encourage your students to complete their work so they do not get behind.

A	93-100	4.0
B	85-92	3.0
C	77-84	2.0
D	70-76	1.0
F	0-69	0.0
