

OUR GOAL IS TO COLLECT 100 PAIRS OF SHOES.

Soles4Souls is a global social enterprise committed to fighting poverty through the collection and distribution of shoes and clothing. Since 2006, Soles4Souls has distributed 30 million pairs of shoes in the US and 127 countries. Soles4Souls is addressing the needs of our neighbors as over half of their shoe distribution events occurred here in the United States.

Did you know?

- Americans throw away more than 68 pounds of textiles, including shoes, per person per year. That adds up to 3.8 billion pounds of unnecessary waste added to our landfills. Soles4Souls will recycle the components of shoes that are unable to be donated or given to the microenterprise program.

Why is your shoe donation important?

- In some developing countries, walking is the primary method of transportation. Shoes protect our feet from cuts, fungus, contaminated soil, and insect bites that can lead to infection, disease, amputation, and death. Access to sturdy shoes reduces that threat.

How can you get involved?

- Remember, all shoes will be accepted (new, gently used, and well-worn/damaged) and all types of shoes are needed (dress shoes, heels, athletic shoes, kids' shoes, soccer cleats, flip flops, sandals, etc.)
