### Courage Club Corner

In May, members of our Courage Club met at Relay for Life of Charleston County to walk the Survivors Lap together and help put a face to young adult cancer. Following the survivor lap, survivors and caregivers were honored at a survivors dinner during the relay. It was a fun, hope-filled, and encouraging evening together.

*“It was nice to meet people who can empathize, but it wasn’t a pity party. It was empowering!”*

*-Ashley Fitch, survivor & Courage Club member*

### Board Update

Later this month our board will meet to finalize and approve our bylaws. Also at our board meeting, we will formally nominate and approve our board members and officers. While their official capacity is just beginning, we are so thankful that many of our board members have already donated a great deal of time, energy, and effort to The Boon Project. To learn more about these extraordinary people who are helping establish The Boon Project, visit our website.

### Coming Up...

Young adult cancer fighters and survivors are invited to join our Courage Club and The Boon Project board members for dinner and to paint a Cup of Courage. Mugs will be distributed to newly diagnosed patients in Boon Bags. Survivors are also welcome to keep a mug for themselves as well. Email Katherine to sign up: [Katherine@boonproject.org](mailto:Katherine@boonproject.org)

### Summer Plans:

- July: Courage Club Happy Hour date and place TBA
- August: Courage Club outdoor event-date and place TBA
- August 19: The Boon Project & The Lonon Foundation host a combined event in Park Circle. Details about this event coming soon. Mark your calendar, especially if you have children.
