Alexa Skills

How to enable Alexa Skills for the content available in our "Audio Section"?

April 9th 2020

Background

The development of Alexa voice skills started with a request made by a blind devotee (elderly) to one of our members. Devotee wished for an opportunity to listen to Sai Satcharitra and some other content available in our "Audio section" by simply issuing a command to digital assistant like Alexa! With Sai's blessings, we are pleased to announce the availability of Alexa skills for the entire content available in our "Audio section".

Who Are We?

OmniSai.Org is a USA 501(C)(3) Non-Profit Organization. Alexa skills is part of popular Shirdi Sai App that is available to across App stores. We have users or Site visitors from 150 countries, 49 states in USA, all 29 states in India and from ~3000 cities Worldwide. It is the most comprehensive Ad-free App or Resource "Developed for Sai devotees by Sai Volunteers!".
