Story behind the Sai Vrat Pooja :

A pious lady named Kokila and her husband Mahesh were living in a city. They had great affection towards each other. But Mahesh's nature was quarrelsome and had little control over his speech and talking. Neighbors were irritated by his nature. But Kokila was a pious religious lady. She had immense faith in God and coped up all troubles patiently. Slowly her husband's business went through a rough weather and income was almost nil. Mahesh started staying in house the entire day and his quarrelsome nature worsened.

One afternoon, an aged saint came and stood at the entrance of their home. His face shone with a unique luster. He asked for rice and pulses. The saint blessed her 'Sai will bless you with happiness'. Kokila replied in frustration that happiness is not in her destiny and narrated him, her entire sorrowful story.

The Saint advised her to observe SaiBaba's vrat for 9 Thursdays by having fruits, liquids or by taking food only once on Thursday. If possible to visit Shirdi Baba's Mandir, perform worship at home, complete the vrat with due formalities on 9th Thursday by feeding the poor, distribute Sai Vrat books to 5, 11 or 21 persons according to the devotee's capacity and thus spread the power of Sai Vrat. This has miraculous effects and is best suited for this kaliyug. It fulfills the innermost wishes of a devotee. But the devotee should

have immense faith and devotion towards SaiBaba. Whoever observes this Vrat with due formalities, all his desires will be fulfilled by Baba.

Kokila also took a vow to observe 9 Thursdays vrat and she completed it with all formalities like feeding the poor, distribution of Sai vrat books on 9th Thursday.

The troubles in their house vanished and they were filled with peace and happiness. As Ramesh's quarrelsome nature also changed for good, his business also picked up, and they prospered and started living happily.

One day Kokila's brother in law and his wife came from Surat and amidst conversation, they told sadly that their children are not studying well and they failed in their examination. Kokila explained to them the power of 9 Thursdays Sai Vrat and she told them that devotion to Sai will enable their children to study well. But faith and patience are very important. Kokila's sister in law wanted the details about the vrat.

Kokila told her to observe the fast by taking fruits, liquids or have food only once on all 9 Thursdays. Have darshan of Sai in a nearby SaiMandir on all 9 Thursdays.

1. This Vrat can be observed by any man, woman or child, by persons of any caste or religion.
2. Perform Puja to Sai's photo, offer yellow flowers or garlands, light the lamp, incense sticks and offer naivedya and partake the Prasad with everyone.
3. Read Sai Vrat story, Sai Bhavani, Sai Chalish, etc., the full book respectively.
4. Feed 5 persons on 9th Thursday
5. Distribute Sai vrat books (5, 11 or 21) to neighbours, friends or relatives and other known persons.

After some days, Kokila received a letter from her sister-in-law from Surat stating that her children have started doing the Sai vrat and they have started studying well and she has also observed the vrat and distributed sai vrat books at her office. Regarding this, she had written that her friend Charu's daughter's marriage was fixed with a good suitable alliance because of this vrat and one of her neighbour's jewel box had got lost and after

observing Sai vrat, 2 months later she got back her jewel box (sender being unknown). Such wonderful experiences she had narrated in her letter.

Kokila realized the power of Sainath and sai vrat and her devotion towards Sainath strengthened. Oh! Sai! Please bless us and confer us with happiness.

Miraculous effects of Sai Vrat

Knee pain vanished miraculously

(Experience of Nisha Jani)

Whatever the disease may be, if a person cries in despair to Sai, Sai relieves him of the pain and cures him of the disease.

I was suffering from severe pain in my knees. A few days back, my legs were fractured and bones near my knees were broken severely. Doctor suggested an operation, but I refused. I became alright after some days. Suddenly pain started again. I couldn't dare to walk even few steps for a week and the pain was so severe. All our family members were planning for a Shirdi trip during holidays and also for a Rajasthan trip. It was impossible for me to even think of accompanying them. I had created a scene because of my pain and I started feeling that I will not be able to walk in future.

I had faith in Sainath. I had done fasting before but not with any formalities or rules. One of my acquaintances told me the power of 9 Thursdays Sai vrat. I also wished to observe the vrat. I somehow gathered courage and rode my scooter to Sai Mandir. I prayed to Him that I also want to visit Shirdi and would like to visit Rajasthan, the pain is unbearable and if my knee pain vanishes before I step out of the Mandir, I vow to observe 9 Thursdays Sai vrat.

I had never experienced such a wonderful miracle in my life. As I stepped out of the temple, my knee pain vanished miraculously. I felt very happy; I visited Shirdi, Rajasthan and walked a lot and even trekked mountains with Sai's blessings without any trace of pain.

All family members were upset. Jalpa decided to observe 9 Thursdays vrat and she postponed the operation. She completed the Sai vrat by feeding the poor and distributing the vrat books. Her faith in Sai strengthened.

Miraculous recovery from a danger

Ramesh's wife was suffering from constipation. She used to have a medicine called Harde mixed with warm water as a remedy. One day, she had harde with warm water and afterwards noticed that the glass was broken and a little piece was missing. She doubted that the glass piece would have gone into her stomach along with the medicine. She searched for the glass piece but she could not find it. After two hours, blood came along with the stools and did not stop. Loss of blood was more and she became almost unconscious. It was 1'0 clock in the midnight and Ramesh lighted a lamp in front of Shirdi SaiBaba's photo and prayed that if the flow of blood stops and his wife is saved, then he will observe the vow of 9 Thursdays vrat. After some time, the glass piece came along with stools and blood flow also stopped. He took her to the hospital at the same night and the doctor told them that it could have been fatal if the glass piece had caused any internal injury, but now she was perfectly alright. Ramesh also observed Sai vrat and fulfilled his vow.

Neela's friend Nandita visited her and advised her to observe 9 Thursdays Sai vrat. Neela started the vrat the same day. Surprisingly, on third day she received a letter stating that her transfer order to Kutch is cancelled and she has been transferred to a branch in Ahmedabad itself. Her faith in Sai strengthened and she fulfilled the vow and fed the poor and distributed Sai vrat books on 9th Thursday.

Arati Translation (English)

Oh Sai Baba, we wave lights before You, the bestower of happiness to the Jivas. Give us - Your servants and devotees rest under the dust of Your feet. Burning (destroying) desire, You remain absorbed in Your Self and show the Lord (God) to the aspirants. As one feels intently, You give him experiences or realizations accordingly. Oh kind-hearted, Your power is such! Meditation on Your name removes our fear of the samsar. Your method of work is really unfathomable as You always help the poor and helpless. In this Kali age, You - the all-pervasive Datta, have really incarnated as Saguna Brahma. Ward off the fear of samsar of the devotees who come to You every Thursday so as to enable them to see the feet of the Lord. Oh! God of Gods, I pray that let my treasure be the service of Your feet. Feed Madhav and (you should utter your name here) with happiness as the cloud feeds the Chatak bird with pure water and thus keep up Your Word. Amen !
