Our Talent Show

Everyone had a great time at the Stoke Flemings Got Talent show. This event has given us the opportunity to really respect Article 29 of the UNICEF charter for children. The article states that all children be given opportunities to explore, show and celebrate their talents. Well done to all the children

who took part in the auditions and the finals. Our overall winners were Wilf in year 6, Nathan and Tilley in year 3, and Rosella and Hannah in year 1.

Our vision: Set sail in the world

Our Values: Considerate, Confident, Creative and Cultured.

Our mission: Our 'uncharted curriculum' inspires everyone to explore, dream and discover the world around us

Class news

Class Challenger and Little Lanterns enjoyed their 'Bring your grown-ups to Adventure School' afternoon

Thank you to all the parents and family members who joined us on Friday 8th November at Adventure School.

We had a great afternoon cooking marshmallows, weaving spider's webs, lighting fires, building dens and playing in the adventure play-ground.

World Children's Day

This year, World Children's Day, celebrated on 20th November, marked 30 years since the United Nations Convention on the Rights of the Child. Since then, so much has improved for children around the world:

More than 50% reduction in deaths of children under 5 since 1989

Almost halved the proportion of undernourished children since 1990

2.6 billion more people have cleaner drinking water today than in 1990

However, as our world changes, our children face new challenges and risks. As adults, we are duty-bearers to ensure the children in our care receive their rights.

Article 19: Every child has the right to protection from harm.

Article 6: Every child has the right to grow and develop in the best possible way.

Below are some suggested resources to help protect our children and support them to thrive:

Internet Safety: <https://www.saferinternet.org.uk/advice-centre/parents-and-carers>

The internet can be an amazing resource for learning, research and communicating, but it also puts children into contact with the wider world, risking them viewing inappropriate material, being groomed and even abused. The website above has many resources and guides for parents on how to keep your children safe online.

Physical Safety: <https://www.nspcc.org.uk/preventing-abuse/keeping-children-safe/underwear-rule/>

It can be a difficult conversation to have, but if your child is not aware of what sexual abuse is, they may not realise if they ever experience it. This NSPCC resource helps children to understand what is OK and what isn't and how their own boundaries should be respected.

Mental Health: <https://www.actionforchildren.org.uk/support-for-parents/>

This website contains lots of links for parents. Select the 'Support for Parents' tab and then 'Children's Mental Health'.

Finally, if you are looking for support locally for your child, check out <https://www.pinpointdevon.co.uk/> Here you will find local groups, professionals and services who you can contact for support. It may be that your child has a diagnosed condition and you would like to meet up with families with similar experiences, or perhaps you are searching for health or therapeutic services for your family. You can even look for financial and practical sources of support. If you need any help with locating the right service for you or your child, please come and speak to me and I will signpost you.

Many thanks
