STOKE FLEMING PRIMARY SCHOOL NEWSLETTER

ISSUE 20

19TH MAY 2017

**“If you take responsibility for yourself you will develop a
hunger to accomplish your dreams”.**

Les Brown

‘Taking responsibility’ has been our value this week and it was clear the running theme for children who were voted to receive this award had shone in taking responsibility for our eco schools initiatives on recycling. Next week we have an audit for this so I am sure the school will rise to the challenge.

This week pupils have been continuing with their exciting learning, Challenger have been investigating how strong snails are, Invincible have been making salt dough tiles and class Victory performed their wonderful assembly. These experiences have really brought their learning to life.

Today you will have received a letter about the continued struggles faced nationally for schools funding. We are in the process of finalising the Stoke Fleming budget for next year and I hope to let you know in due course the class organisation for next year. I want to reassure you that despite these very challenging economic times we will not compromise on ensuring the pupils at Stoke Fleming School receive the very best education available.

As we come to the end of the penultimate week of this half term it seems to have flown by and with the General Election looming our year 6 pupils are getting to grips with the different party manifestos. They will be canvassing the classes when we return from half term in preparation for our school General Election on Thursday 8th June. Be prepared there may be some compelling discussions coming home!

Finally next week will culminate in our ‘Day for Change’ in aid of UNICEF. There will be more details to follow early next week.

I hope you have a lovely weekend
