Friendship

Let us be grateful to people who make us happy, they are the charming gardeners who make our souls blossom.

Our School Parliament met with the FRIENDS of Stoke Fleming School -(The FRIENDS are a voluntary group of people who help organise and support fantastic fundraising events throughout the year.)

Our school Parliament introduced themselves to the FRIENDS this month. The children explained how they organised their very own fundraising events in school, to support the Children in Need Charity. The FRIENDS and the Pupil

Parliament have joined forces to work together to fundraise and improve the school environments.

The FRIENDS have ask the children to find out: 'What ideas do the children have to improve the playing field environment?'

The Parliament have taken on the challenge to ask the school throughout the month of January. All ideas, drawings and suggestions will be collaborated and displayed for all to see. Before handing these ideas to the FRIENDS of the school. The Parliament will also be holding a competition in January to update the climbing wall painting. More details to follow in the new year.

The Parliament have asked the FRIENDS, if they could help fund some much wanted mirrors in the girls' and boys' toilets. The FRIENDS agreed.

Together we can make a difference!

Thank you so much to the wonderful cadets from the BRNC who helped to paint our school hall yesterday!

Behaviour is a signal

*Focus on what is driving the behaviour,
rather than the behaviour itself,
that's where connection begins.*

Are they hungry?
Are they tired?
Are they overwhelmed?
Are they feeling uncomfortable?
Do they feel connected to you?
Are you expecting too much of them?
Do they feel heard?
Are they feeling judged?
Do they feel belittled?
Are they feeling controlled?
Do they feel disrespected?
Does something feel unfair to them?

Recycle your Christmas Trees

If this Christmas you are having a real tree in your house please can we ask that you do not throw them out come January but bring them into school as Mr Hensby will be able to use them in adventure school for some exciting projects he has planned.
