FOR CURRENT & FORMER YOUTH-IN-CARE IN MANITOBA

Futures Forward

COMPILED BY THE GENERAL CHILD & FAMILY SERVICES AUTHORITY

EDITED BY FUTURES FORWARD

8TH EDITION: UPDATED FEBRUARY 2019

INTRODUCTION

Futures Forward is committed to assisting current and former youth-in-care with achieving their post-secondary goals. It is hoped that the Futures Forward Scholarship Guide for Current and Former Youth in CFS Care will provide information and resources to assist youth with financing their education effectively.

Every effort has been made to provide current and up-to-date information within this guide. For current information on bursary/scholarship availability, eligibility requirements, and application deadlines, please contact the educational/training institute directly. In the event there are errors, omissions, or additional programming that may be helpful to include in future editions, please contact: lhildebrand@yesmb.ca

FUTURES FORWARD

Futures Forward offers wraparound services to current and former youth-in-care ages 16-29 in Manitoba. We assist youth in areas such as mental health, housing, addictions, employment, education, and finances.

We are unique in that we are three community agencies coming together to offer services designed to help youth reach their goals and fulfill their highest potential. Our services include service navigation, job search assistance, counselling, transitional supports to post-secondary, and financial counselling.

For more information, contact us at 1-888-395-2135 or please visit: <https://www.futuresforward.ca/>

Futures Forward would like to thank Shirley Delorme-Russell, the General Authority, and the Louis Riel Institute for initial development of this Scholarship Guide. Thank you for your hard work in developing this vital resource for youth-in-care.

SECTION 1: Preparing to Apply for School and Scholarships

Post-secondary education can be more affordable than most students think. There are scholarships and tuition waivers available for a number of students. However, **students lose many funding opportunities because they simply do not apply!** The only way to become a successful applicant to available funding is to do your homework. Seek out available funding opportunities and apply to as many of them as possible. Also **pay attention to the stated deadline dates and apply on time.** In this section you will find valuable information on ways to access different funding for school, making an application for funding, online resources and more.

Below is a brief definition of terms as they appear in this guide:

- An **Award** usually involves multiple criteria such as academic achievement, demonstrated financial need, and school or community involvement.
- A **Bursary** is usually given to a recipient based on demonstrated financial need and satisfactory academic progress.
- A **Scholarship** is given to a recipient primarily based upon academic achievement.

Five Sources of Money for School

There are five basic sources of money for school:

- 1) **Student Loans** can come from the government or a financial institution, however the loan money has to be paid back. Government Loans (Manitoba and Canada Student Loans) don't have to be paid back until after you graduate and generally have a much lower interest rate. Bank loans have to be paid back regularly and have higher interest rates.
- 2) **Sponsorship** comes from an organization, such as a First Nation band, the Manitoba Metis Federation, or the Manitoba Government which may cover tuition, books and a living allowance. Students may get government sponsorship from Employment and Income Assistance (EIA) <http://www.gov.mb.ca/fs/eia/index.html> or Industry, Training and Employment Services (ITES) https://www.gov.mb.ca/wd/ites/tes/jobs_careers.html Funding does not have to be paid back. It varies according to student need, financial ability of the organization, and other criteria.
- 3) **Internal Awards** are the scholarships and bursaries that are only available to students at a particular school. For example, if you attend the University of Winnipeg (U of W), you can only apply for U of W awards. There are numerous internal awards to choose from in each educational institution. Go to your school's **website** and search *financial aid and awards*. Find your school's **awards office**, browse the brochures, and apply for as many awards as you can!
- 4) **External Awards** are awards that are available outside your college or university. These awards are specific to students, not to schools, although in some cases they will only be for students at certain schools. Look for external awards information at your advisor's office, student centers, and related websites.
- 5) **Part-time/summer employment:** Try and save at least 40% of each summer job paycheck towards school for the upcoming year. Open a bank account specifically for money for school. Make a personal commitment not to use that money for other things. Save as much money as you can throughout the year before entering post-secondary. Once school starts, there may also be opportunities to work on campus (jobs such as student unions, house-keeping, catering services, teaching assistants, etc).

1) Scholarship Application

When applying for a scholarship you will often need to write a letter directly to the administrator to request more information, request an application form, or simply tell them a bit about yourself. This is a great opportunity to show the administrator why you are the best candidate for their scholarship. Take some time to make this letter as clear, concise and informative as possible. Make yourself stand out. Before you start your letter, compile a list of all the activities you have taken an interest in, been involved with, led or have been a member of. The following list will help you develop your ideas and create the most complete listing possible:

- **Awards:** Did you receive any awards as a student such as student of the year, academic achievement, and/or recognition for extracurricular activities?
- **Clubs:** Did you participate in art, drama, journalism, dance, music, chess, science, debate, or any other club?
- **Co-op Jobs:** Did you work for school credits? If so where did you work? What did you do? What did you learn?
- **International Exchanges:** Have you travelled abroad to study or volunteer?
- **Part-time Jobs:** Did you ever babysit, or work as a delivery person, courier, waiter, server, camp staff, telemarketer, painter, construction worker, etc?
- **Projects:** Did you work on any project that you would like to mention?
- **Scholastic Recognition:** Were you on the honour roll? What were your marks? Which subjects do you excel in?
- **Sports:** Were you on a school sports team? What position did you play? Were you a leader? What skills did you learn?
- **Student Government:** Were you a student leader, secretary, treasurer, class representative, or a grade representative?
- **Volunteer Work at School:** Were you a crossing guard, tutor, coaching assistant, office assistant, or library assistant?
- **Volunteer Work Outside of School:** Did you volunteer at a hospital, after-school program, community sports team, daycare, or animal shelter?

After you have compiled your list, think about how your experiences during high school have contributed to your personal growth. Did they help you develop maturity, responsibility, teamwork skills, punctuality, or leadership skills? Introduce your involvement by assigning at least one skill or quality that you gained from the experience to the activity.

2) Sample Letter for a Scholarship Application & Sample Budget for Post-Secondary Studies

A SAMPLE LETTER

Applicants Name
Applicant's address
City, Province
Postal Code

Date (month and year)

Scholarship Administrator
Address
City, Province
Postal Code

Dear Scholarship Coordinator, (Address the letter with a person's name if possible, using Dear Ms. _____ or Dear Mr.)

First Paragraph: This is your chance to make a great first impression. Start by introducing yourself. Mention your current school and your future plans, i.e. "I am currently in my last year at Applewood High School, and am interested in pursuing a career in _____." You may also include how you found out about the scholarship. Finish this paragraph by clearly stating your main objective for writing the letter, i.e. "I would like to receive more information about your _____ award."

Second Paragraph: Here is where you highlight your achievements, interests or activities that make you a great candidate for the scholarship. Mention your experience or future plans that compliment the criteria of the award. Explain how this scholarship will help you pursue your goals.

Third Paragraph: As a last impression, this paragraph is also very important. Mention that you "look forward to receiving a response" or "look forward to hearing from you." Include with your letter a self-addressed, stamped envelope for their convenience and state that it is enclosed. Thank them for their time and remember to sign and stamp the envelope. Good luck!

Sincerely,

Applicant Name and signature

SECTION 2: Provincial/Government Supports

1) Manitoba Student Aid – Loans, Grants and Bursaries

Manitoba Student Aid provides financial assistance for post-secondary studies in the form of loans, bursaries and grants for eligible applicants. You do not need to pay back your grants and bursaries - only loans are paid back. 6 months after you complete your education, your student loan will begin accumulating interest and you will need to make payments.

When you apply for a student loan in Manitoba, it is the **Manitoba Student Aid** office you will deal with. However, when filling out the application form for Manitoba Student Aid, it is actually 2 separate student loans you are applying for – a **Canada Student Loan** whose funds are disbursed from the National Student Loans Service Centre, and a **Manitoba Student Loan** whose funds are disbursed from Manitoba Student Aid. Therefore, when repaying your student loans, you will be dealing with the two separate organizations.

Once you apply and qualify for both the Canada Student Loan and Manitoba Student Loan, you may also qualify for bursaries and grants – which you do not need to pay back. Some of these grants and bursaries include:

- Rural/Northern Bursary
- ACCESS Bursary
- Canada Student Grant for Students with Dependents
- Canada Student Grant for Students from Low-Income Families
- Canada Student Grant for Students from Middle-Income Families
- Aboriginal Education Award
- Aboriginal Medical Student Financial Assistance Program Grant

For more information regarding Manitoba Student Aid, bursaries and the application process, check out:

<http://www.edu.gov.mb.ca/msa/>

<http://www.edu.gov.mb.ca/msa/planning-for-your-future/what-are-the-options-for-funding.html>

2) Industry, Training and Employment Services - Financial Supports

Industry, Training and Employment Services (ITES) assists eligible individuals who need training to find employment. ITES provides **support services and financial support for programs 12 to 52 weeks, or up to 2 year programs** for high demand occupations.

You may be eligible if you fit into one of these categories:

- Have a current or previous Employment Insurance (EI) claim
- Employed individuals who are low skilled
- In receipt of Provincial Employment and Income Assistance (EIA) benefits
- An individual who is unemployed or about to lose your job

To learn more, visit: https://www.gov.mb.ca/wd/ites/tes/jobs_careers.html

3) Apprenticeship Manitoba - Financial Supports

The Manitoba Government covers the major portion of tuition fees for apprentices when they attend technical/in-school training. This provides apprentices the opportunity to pay much lower tuition fees in comparison to most other post-secondary options. In some cases, employers may also choose to assist their apprentice with tuition fees and books, which makes an apprenticeship a cost-effective education alternative. Bursaries with Apprenticeship Manitoba include:

- ACCESS to Apprenticeship Bursary, due May 31 each year
- Tim McLean Memorial Fund, due May 30 each year
- High School Apprenticeship Program (HSAP)

For more information and to apply, visit: <https://www.gov.mb.ca/wd/apprenticeship/generalinfo/grantstax.html>

4) Advancing Futures Bursary

The Advancing Futures Bursary is being offered to former youth in care and/or youth on extensions of care who are attending post-secondary education on a full or part time basis. This bursary, coordinated through the Futures Forward program, is intended to assist individuals with education costs to support their training and employment pathway. Bursaries of **up to \$10,000** will be based on academic merit (min 2.0 GPA), length of time in care, financial need and commitment to education and career pathway.

Eligibility: Participants must meet ALL of the following criteria:

1. A resident of Manitoba
2. A Youth in Care or Former Youth in Care in Manitoba
3. You are a CURRENT student at a post-secondary institution and started your studies PRIOR to January 2019
 - a. Full-time or Part-time at an eligible post-secondary educational institution

Applications are available at <https://www.futuresforward.ca/advancing-futures-bursary>

Application deadline: **Thursday, January 31, 2019**

5) Manitoba Housing: BUILDINGFoundations Bursary

Description: Manitoba Housing's bursary fund provides **\$1,000** bursaries to post-secondary students living in subsidized rental housing in Manitoba or receiving a rental subsidy funded by Manitoba Housing. Bursaries are awarded based on academic achievement and community participation. At least five of these Bursaries are available to students of Indigenous Ancestry, either First Nations, Inuit or Métis students. One of the ten \$1,000 bursaries is available for a graduate student studying at a Manitoba university.

Eligibility: You must be living in subsidized rental housing or receive a rental subsidy funded by Manitoba Housing, including those living in direct-managed housing, sponsor-managed housing, non-profit housing, co-op housing, and urban native housing

For more information and to apply, visit: <http://www.gov.mb.ca/housing/tenants/bursary.html>

Deadline: Applications are accepted until **September 30th each year.**

6) Canada Learning Bond

Description: The Canada Learning Bond is money that the Government of Canada deposits into a Registered Education Savings Plan (RESP) to help you save for a child's education after high school. The total amount the Government deposits can be **up to \$2,000**. Applying for and receiving the Canada Learning Bond will not affect any other benefits that you or an eligible child receives.

Through the Canada Learning Bond, the Government will add money to the RESP for an eligible child every year, even if you do not add any money.

An RESP is an education savings account set up with a financial institution like a bank or a credit union, or group plan dealer. The money in the RESP will grow tax free until it can be used for expenses related to their studies in apprenticeship programs, CEGEPs, colleges, trade schools; or universities.

Eligibility: The Canada Learning Bond (CLB) is available to children from low-income families who also:

- Are born on or after January 1, 2004
- are residents of Canada; and have a valid Social Insurance Number

It is the primary caregiver (PCG) or, as of January 2018, their cohabiting spouse or common-law partner, who must request the CLB on behalf of an eligible child. The PCG is the person who is eligible to receive the Canada Child Benefit.

Apply: You must open a Registered Education Savings Plan (RESP), through an RESP provider, before you can apply for the Canada Learning Bond on behalf of a child. Not all RESP providers offer the Canada Learning Bond, so make sure that your provider does. <https://www.canada.ca/en/employment-social-development/services/learning-bond.html>

SECTION 3: Tuition Waiver Program

Established in 2012, nine participating colleges and universities in Manitoba have each established a fund to support current or former Youth-In-Care. The purpose of the fund is to provide the opportunity for youth, who are or who have been in the care of Child and Family Services in Manitoba, to attend post-secondary education. Each of the institutions have their own requirements for entrance, eligibility, renewal, and other procedures that you must meet in order to receive funding. You must be accepted into one of the participating institutions in order to apply for a Tuition Waiver and its associated funding.

Participating Institutions

ELIGIBILITY:

- ✓ Must be a current or former youth-in-care in Manitoba
- ✓ Meet the program admission requirements and have applied directly to the college or university*
- ✓ Be applying for full-time studies (at least 18 credit hours per year or 60% course load)
- ✓ UM, UW and USB applicants - must demonstrate financial need

*Please check with your school for institutional specific information

RENEWAL:

- ✓ Maintain a 2.0 GPA (Grade level C)
- ✓ Maintain full-time student status (at least 18 credit hours/year or 60% course load)
- ✓ UM, UW and USB students – continue to demonstrate financial need
- ✓ Maintain continued contact with the post-secondary institution and Tuition Waiver Coordinator

Our Tuition Waiver Coordinator can help you apply to school, choose the right path and program for you, and apply for a Tuition Waiver and other funding to assist you in paying for post-secondary.

Applications forms are available at: <https://www.futuresforward.ca/tuition-waivers>

For questions, please contact:

Laura-Lynne Hildebrand
Tuition Waiver Coordinator
(204) 987-8661 Ext. 671
lhildebrand@yesmb.ca

All Tuition Waiver Applications MUST be submitted to the Tuition Waiver Coordinator in order to be considered.
Applications are due March 31 of each year.
