

Some says you have to drink the Negroni five times to like it. Well, we have chucked loads more of this beautiful bittersweetness since.

In fact, we love it so much that not only do we welcome the annual Negroni Week (June 6th - 12th) with open arms, we decide to do so for the whole month of June.

For every glass of Negroni you drink this month, we will donate 30 THB to the Thai Red Cross Society.

Now, let's drink for a good cause! Salute!
