

# Butte County Proclamation

## November 2018

### National Veterans and Military Families Month

**WHEREAS**, the freedoms we enjoy as Americans have been purchased and maintained at a high price throughout our history and we owe a great debt to those who have served in defense of this nation; and

**WHEREAS**, generation after generation, men and women have answered the call to defend our country and our freedom facing danger and uncertainty with uncommon courage; and

**WHEREAS**, for many, that sacrifice has ended in permanent injury or death and our Nation's veterans represent the best of America. We salute the brave and dedicated soldiers who have worn and continue to wear the uniform of the United States; and

**WHEREAS**, veterans make tremendous sacrifices by leaving their families, we want to acknowledge and celebrate the extraordinary military families whose selfless service and sacrifice make our military the finest in the world, therefore it is most appropriate that we all stop to recognize veterans, military families, and those who gave their lives in service to defend this great Nation, so we can enjoy our freedoms every day;

**NOW, THEREFORE, WE**, the Board of Butte County Commissioners do hereby proclaim November 2018 as National Veterans and Military Families Month. We encourage our community to acknowledge and honor the service, sacrifices and contributions of veterans and military families for what they have done and for what they do every day to support our great Nation.
