OUR 3RD QUARTERLY FEATURED SKATER OF 2018

Katelyn Mamrick

April was a very special month for Katelyn Mamrick, as she passed her Senior Free Skate at the Pavilion making her now a Triple Gold Medalist, who has 8 out of 10 of her International Dances to top the cake.

Katelyn's introduction to figure skating began at the age of four, when her family went to see the Ice Princess Movie in theatres. She begged her mother, Paula Mamrick to try skating out for herself and when she did- it became clear; it was the very thing she had her heart set on. Her first coach was Cheryl Faust-Klein, who still currently works with her, making that over a decade of guidance and training. Alongside the longtime instruction from Ms. Cheryl, Katelyn has had various other secondary coaches. Many of which in other states such as North Carolina, Colorado & Massachusetts, who have been her guides along the way to being an exceptionally accomplished skater.

Katelyn's Favorite:

Skating Elements: Flying Sit Spin, Double Axel

Dance: The Quick Step

Skaters to Watch: Tessa Virtue & Scott Moir,
Shoma Uno, Nathan Chen

As of January 16th, she is 16 years old with goals to finish her the rest of her International Dances and to try to make Sectionals for this November!

A few methods that have been part of Katelyn's training to assist in her class of athleticism has been personal training at a gym, off-ice conditioning (everyday while at the Artic Edge in Michigan), as well as pilates and ballet (while at Extreme Ice center in Charlotte).
