ENVIRONMENTAL PARTICIPATION PROGRAM

Collect . Redeem . Recycle .

About The Program

Shercom's Environmental Participation Program is available to all Saskatchewan Tire Dealers.

Together we are removing millions of scrap tires, an environmental hazard, into value added and great looking products used in our homes and businesses.

For every tire collected, your business receives two points towards the program. Redeem your points for recycled rubber products for your own use or as a donation for your community.

For more information, please email us at info@shercomindustries.com

Collect . Redeem . Recycle .

Landscape Nugget Mulch

Colors : Grey, Red, Brown, and Black

Sizes: 20lb bag or 2000lb bulk tote

Description : Nugget mulch mimics the look and feel of wood mulch but is more durable, lasts longer, won't rot, compact or leach color.

500 points for 20lb bag
15,500 points for 2000lb tote

Signature Tiles

Colors : Grey, Red, Brown, and Black

Specs: Dimensions: 24" x 24" x 0.75" Weight: 15 lbs

Description : Designed to create beautiful patio spaces that are durable, no-slip, and easy to maintain. They can be used on playgrounds, decks, pool areas just to name a few.

320 points per tile

Wheel Chocks

Specifications: Small: 8"W x 5"H x 9"L Weight: 8 lbs
Large: 14"W x 14"H x 16"L Weight: 40 lbs

Small: 400 points
Large: 1920 points

Description :

The Authorities have mandated that all trucks and heavy vehicles carry ergonomic wheel chocks. Wheel chocks must be used while docking or undocking and can be quickly installed in the front of tires to prevent the truck from rolling.

EZ Riser Auto Ramps

Specifications: Dimensions: 31" X 7.5" X 9"
Weight: 38 lbs | Weight Capacity: 12,500 lbs

1100 points

Description :

Shercom's EZ Riser ramps are designed with safety and performance in mind. These ramps have a non-slip surface that make them safer than a jack and can support up to 12,000lbs per pair.

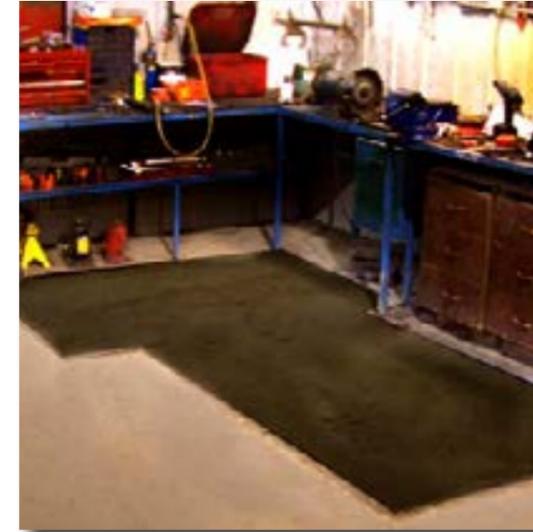

Multi Purpose Mat

Specifications: Dimensions: 4'W x 6'L x ½" T
Weight: 60 lbs

Description :

The multi purpose mat is individually molded providing a resilient surface that can be used anywhere. Our mats are designed to be slip resistant and shock absorbing creating a safer work environment.

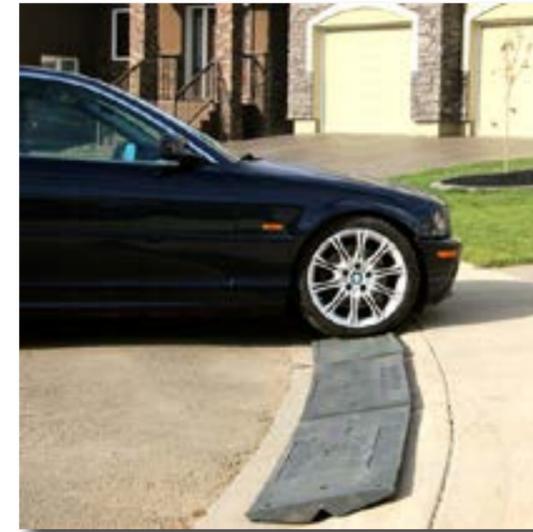

1380 points

Sher-Ez Curb Ramps

Specifications: 35.5"L x 16"W x 4" H
Weight: 42 lb

Description :

The Sher-EZ Curb Ramp bridges the gap between the street and a rounded driveway curb. Our ramps have a full length water channel to allow for storm drainage and can easily be moved for periodic street cleaning.

1300 points

Parking Curbs

Specifications: 70"L x 6"W x 4"H
Weight: 42 lbs

Description : At a fraction of the weight, one person can move or install these curbs without heavy equipment. Our parking curbs are made of flexible rubber and will not crack or corrode with moisture expansion during the winter and salt exposure.

1040 points
