

Pacific Hearing Service presents: an intimate evening with

# MANDY HARVEY

All proceeds support Pacific Hearing Connection, a peninsula-based nonprofit dedicated to providing hearing healthcare to the under-served and under-insured community.

*Just as music touches people of all ages, so too does hearing loss. Join us for an evening of music and inspiration with America's Got Talent finalist Mandy Harvey. Mandy lost her hearing at the age of 18. She tours the world performing her original music and sharing her inspirational story of choosing to follow her passion despite her obstacles. Get ready to be entertained!*
