Revel is a contemporary bistro and bar that draws from our rich Canadian heritage. Designed to be a social restaurant, stripping away the rigid formalities of dining while focusing on the quality of food, warm service and relaxed ambience. The food focuses on modern interpretations of classic flavours, using humble ingredients to create thoughtful dishes from prestige products.

Imaginative, yet humble and grounded.

We encourage snacking and sharing in the tradition of your own homes and will bring out food to your table as it is ready unless otherwise noted.

Enjoy.
