

## Registering with Hospice Klang

- ) Our service is only for **patients with advanced cancer**.
- ) Patients accepted by HOSPICE KLANG are **required to be referred by the attending doctor, family physician or specialist**.  
(\*Referral forms are available from our Centre or downloaded from our website)
- ) Attending doctor discuss with patient & carers about referral to **make sure they agree with referral**.
- ) Doctor can **fax copy to Hospice and give copy to patient/carer** to present to Hospice  
... OR  
**Patient/Carer can visit Hospice Centre with copy of referral to register** and arrange for visits. And also to find out more about services available.  
**\*Do NOT use Email or SMS**
- ) Patients/Carers **must call or visit Hospice Centre to confirm referral and arrange for home visits**.
- ) The criteria for acceptance to our service are based on the diagnosis of cancer and the need for palliative medical care. We are **NOT able to accept cases based primarily on the need for nursing care or equipment**.
- ) Advice for Patients & Care-givers -
  - ask the **referring doctor to fill in ALL vital information**
  - **call the hospice centre to arrange/start first Home Visit**
