Mission teams leaving our community and giving time serving in reservation communities in Michigan, South Dakota, North Dakota, Oklahoma, Idaho and Arizona. We're thankful we can be in kingdom service across our country.

Any Day This Summer in Your Community, plan a community mission project for your youth, class or team. It's not that hard and we encourage you to plan something. Check out some ideas: cut grass for free; free car washes or oil changes; wash windows; build a wheelchair ramp; paint a porch; play games; prayer walk; cook meals for the elderly. Home Missions too!

**Deacons & Preachers Seminar**

**Monday, August 22 at 7:00pm-9:00pm**  
**Morning Star Church, Dunn Rd. in Lumberton**

We are offering an extended training for deacons and preachers this month. The one-hour topics below are not only interesting subjects but very helpful as well. Morning Star Church has offered their comfortable place for our event. Join us.

- **Topic: "The Emotional Health of Your Pastor"**  
Led by Dr. Tim Chavis
- **Topic: "Deacon Are Leaders Too"**  
Led by Rev. Hilton Woodell & Mike Cummings

**Back to School Season**

**Sunday, August 28 in Your Church**

This is an excellent time to bring your church together and pray for our children and every person that will be impacting their lives through the school year. Also, find out if volunteers from your church can walk across the school grounds and buildings and pray as you walk. Training our children begins with us as families and communities. Our responsibility too. Let's pray as a strong support for our community schools we depend upon through the year.

**Back Packs and School Supplies**

Several places will be offering school supplies free. Churches are organizing to do the same. This is a great idea. The Public Schools of Robeson County will hold such a day to give out book bags and supplies on Thursday, August 4, from 7am - 7pm at the Lumberton Farmers Market on US 74. If you know of other locations, we will be happy to share that through an update.

**Campus Ministry Center Outreach**

Thank you for helping us serve our UNCP campus. Students have received your food donations since last Fall and that has been a really big help. Please continue that.

We are in conversation now with the University on how we can assist homeless students as well on an emergency need basis. A generous donor is helping us prepare some rooms now for emergency situations for students. Campus ministry is an amazing challenge and opportunity for us to show Christ to this campus. Thank you for being a part of this through faithful praying and financial gifts.
