Summer Volunteer Mission Teams and One-Day Community Missions Projects

Mission teams leaving our community and giving time serving in reservation communities in Michigan, South Dakota, North Dakota, Oklahoma, Idaho and Arizona. We're thankful we can be in kingdom service across our country.

Any Day This Summer in Your Community, plan a community mission project for your youth, class or team. It's not that hard and we encourage you to plan something. Check out some ideas: cut grass for free; free car washes or oil changes; wash windows; build a wheelchair ramp; paint a porch; play games; prayer walk; cook meals for the elderly. **Home Missions too!**

Campus Ministry Center Outreach

Thank you for helping us serve our UNCP campus. Students have received your food donations since last Fall and that has been a really big help.

We are in conversation now with the University on how we can serve homeless students as well on an emergency basis. Campus ministry is an amazing challenge and opportunity for us to show Christ to this campus. Thank you for being a part of this.
