**Outdoor Light Agreement**

Central Florida Electric Cooperative, Inc. (hereinafter called the “Cooperative”) and the undersigned (hereinafter called the “Member”) hereby mutually covenant and agree as follows:

1. The Cooperative hereby agrees to furnish and install an outdoor lighting unit on Cooperative owned poles at location(s) agreeable to both parties. The Cooperative shall make all necessary electrical connections and furnish electricity for the operation of the outdoor lighting unit. An installation charge shall be assessed to the Member for poles installed at the Member’s request to be used exclusively for lighting purposes. The Cooperative will operate, maintain and control the operation of lighting units at its own expense.
2. This service will be provided under the terms and conditions agreed to as outlined on the “Application for Membership and Electrical Service.”
3. The Member agrees to pay for this service on a monthly basis at prevailing rates or charges as determined in accordance with the applicable Bylaws and policies of the Cooperative.
4. The Member agrees to notify the Cooperative promptly in the event that any lighting unit does not function properly.
5. The minimum term of this agreement shall be for a period of twenty-four (24) months and shall continue from billing period until notice of cancellation by either party. If cancellation occurs before the twenty-four month term ends, the member will be billed for the remainder of the contract.
