

# Instructions for members wishing to participate in interconnection with Central Florida Electric Cooperative (CFEC).

In order to begin your interconnection request, please provide a copy of the county, city or other entity's permit to CFEC. Once the permit is on file, a service order will be created. To complete your interconnection request, we require additional paperwork listed below.

Please note that it is the member's responsibility to collect documents from contractors, county offices, and insurance agents and provide them to CFEC.

Once you have all your documents, please attached them to your filled out interconnection request/cover form. Send documents to: Central Florida Electric Cooperative PO Box 9 Chiefland, FL 32644 or drop them off in person at: 11491 NW 50<sup>th</sup> Ave. Chiefland, FL 32626

Once we receive all your documents, a Member Services Representative will contact you to discuss the next step in the process. If you have any questions regarding your interconnection request, please contact us at 352-493-2511 or 800-227-1302

**\*\*\*Incomplete documentation can delay your interconnection process.\*\*\***
