Chicken  
With Us**

With The Chicken Factory, you or your distribution business will be able to outsell any or all competition. You will see for yourself that we have the most tender and delicious processed chicken compared to massive, leading brands. We sell fully cooked chicken products for food servicing that has already been fried with our signature breading and goes perfect with any of our many dipping sauces. If cooked is not for you, we also have custom sized frozen/raw chicken products that have been marinated in perfectly seasoned buttermilk which goes amazingly with the signature breading.

Along with our chicken, at The Sauce Factory, you will have everything you need to complement your servicing products. Choose from our wide range of savory dipping sauces sold in gallon sized containers that will be sure to leave any cravings satisfied.

All of our chicken and sauce products also will be available for retail sized portions. Chicken products can be packaged into convenient stand up pouches and sauces into 12 oz plastic bottles upon your request.

The Taste and Quality of Our Fully Cooked Chicken Products are Far Superior to Competitors in the Market
