### School Self-Evaluation Questionnaire for Parents

Dear parents and guardians,

We are undertaking a self-evaluation of teaching and learning in our school. The views of parents are very important to us and can really help us. By giving us your views and opinions, we can continue to improve the learning of pupils in our school. The questionnaire should take no longer than 5 minutes to complete. We would be very grateful if you would complete it and return it to the school before 22/10/18. Please note that you may complete the questionnaire anonymously and that all individual responses will be treated confidentially.

Thank you very much.
