What information do we collect? We collect information from you when you register on our site, place an order, subscribe to our newsletter, respond to a survey or fill out a form. When ordering or registering on our site, as appropriate, you may be asked to enter your: name, e-mail address, mailing address, phone number or credit card information. You may, however, visit our site anonymously.

What do we use your information for? Any of the information we collect from you may be used in one of the following ways:

1. To personalize your experience: Your information helps us to better respond to your individual needs.
2. To improve customer service: Your information helps us to more effectively respond to your customer service requests and support needs.
3. To process transactions: Your information, whether public or private, will not be sold, exchanged, transferred, or given to any other company for any reason whatsoever, without your consent, other than for the express purpose of delivering the purchased product or service requested.
4. To send periodic emails: The email address you provide for order processing, may be used to send you information and updates pertaining to your order, in addition to receiving occasional company news, updates, related product or service information, etc. Our Emailing system is setup so that when mass emails are sent they are sent to each email address individually so that none of the clients’ customers know the email address of any other customer. Only the clients’ employees can send email and then only if they are given permission to access the emailing process. Internet cart allows clients’ customers to use the software but they are severely restricted by what they can do. The customer can only access information about themselves or people that the client has listed as in their family and they cannot send any emails to anyone other than the client.

How do we protect your information? We implement a variety of security measures to maintain the safety of your personal information when you place an order or enter, submit, or access your personal information.

2. We offer the use of a secure server. All supplied sensitive/credit information is
transmitted via Secure Socket Layer (SSL) technology and then encrypted into
our Payment gateway providers database only to be accessible by those
authorized with special access rights to such systems, and are required to keep the
information confidential.

After a transaction, your private information that is collected (credit cards, social security
numbers, financials, etc.) may be kept on file indefinitely.
