

Social Eats

Feeling peckish..?

At BRICK & LIQUOR we passionately believe that good food is best enjoyed when shared with people we love.

We've spent years crafting a menu of Social Eats; from small plates to large platters; all of which are purpose-made for sharing.

Many of our dishes are perfect to eat with your fingers and ALL of them are fork friendly. Please do ask for a knife if you'd like one.

As a neighbourhood bar, our customers are local, our staff are local and we believe our food should be too. Where possible we source all our produce from local suppliers and we're always looking for new partnerships, so please get in touch.

We invest heavily in our family of staff to ensure we give the best possible service. As such we do add a 12.5% service charge to all tables. This goes directly, 100%, to the staff.

Lastly, our food may contain traces of nuts. If you have a food allergy or intolerance, please speak to us before ordering.

Enjoy!
