Treasurer's Report

Financially, the Newfoundland Club of Victoria is doing well. We actually made a profit featuring the Rum Raged group. Our available cash balance right now is \$5379.47.

Personally, I would like to see the Club make more money, simply because as a non-profit group we could give more to charities or groups needing help. We have decided to help a needy family at Christmas this year. I'm sure there are lots out there. Do you know of families you could recommend? Would you as an individual like to contribute to this project? I'd be happy to talk to you, please call me 250-743-5012. Thank you.

Dart League

Corrina Taylor & Corey Howe head up the Newfoundland Club dart league on Wednesday's at 7 p.m. at the Langford Legion. New players and spares are always welcome. Don't worry about being a beginner. It's not about the game; it's about socializing and having fun!

The dart league will start up again in September, date to be announce soon. Check our web page for the latest updates.

Do You Know?

Poem OF A NEWFOUNDLANDER

You will meet him as you go through life
And he'll always shake your hand
you can count, when you're in trouble
on the man from Newfoundland

When some folks talk about him
Telling Jokes which aren't too grand
you can tell that they are jealous
of the man from Newfoundland

From St. John's to Grand Banks
And all through this grant land
You'll never find another
like the man from Newfoundland

He'll invite you in and treat you well
and when you drink his brand
he'll tell you all the stories
Of good old Newfoundland

In Corner Brook or Marystown
When you're dancing to a band
just listen to the fiddle
He's the man from Newfoundland

Perhaps someday you'll meet him
then you will understand
Why he makes the world a better place
The man from Newfoundland
