Club Calendar

Since our last newsletter we had three great events. First was Karen & Shaun's annual Breakfast on the Gorge. As usual it went over quite well, but the attendance from our club was down from previous years. Then came Andy & Joan's back yard Bar-B-Q & Jam. There was standing room only, great food, super music, lots of old & new friends & everyone left with a full Belly & smiles on their faces. Last, but by no means not least, was Ray & Shirley's Birthday's along with their 3rd wedding anniversary. All in all everything went quite well.

Following is a list of activities that will take place over the next few months. Please mark your calendar & come out & support your club.

- Sept 22:** Member appreciation night & Jam session. At the Legion
- Oct 20:** Comedians & Dance at the Luxton Hall
- Nov 17:** Games night at the Legion
- Dec 7:** Christmas dinner & Dance

Details on all of these events will be email out as they come closer .

Do You Know?

The Newfoundland Flag

In this flag, the primary colours of Red, Gold and Blue are placed against a background of White to allow the design to stand out clearly. White is representative of snow and ice; Blue represents the Sea; Red represents human effort and Gold our confidence in ourselves.

The Blue section, most reminiscent of the Union Jack, represents our Commonwealth heritage which has so decisively shaped our present. The Red and Gold section larger than the other, represents our future. The two triangles outlined in red portray the mainland and island parts of our province reaching forward together. A golden arrow points the way to what we believe will be a bright future.

But the design of the flag encompasses much more symbolism than this. For example, the Christian Cross, the Beothuck and Naskapi ornamentation, the outline of the maple leaf in the centre of the flag, a triumphant figure and our place in the space age. The image of a trident stands out. This is to emphasize our continued dependence on the fishery and the resources of the sea.

Hung as a banner, the arrow assumes the aspect of the sword which is to remind us of the sacrifice of our War Veterans.

Since the whole flag resembles a Beothuck pendant as well as all of the above, the design takes us from our earliest beginnings and points us confidently forward. It, therefore, mirrors our past, present and future.
