### ***AMAZE: The Twists and Turns of Getting Along***

Life is a maze of relationships and this journey has Girl Scout Cadettes maneuvering through all its twists and turns to find true friendships, plenty of confidence, and maybe even peace. Along the way they will explore the dynamics of true friendships and relationships in everyday life. They will learn how to be a good friend and how to handle such conflicts as gossip, bullying, stereotypes and peer pressure. They will create their own “Life Maze” to take home along with various crafts and games. When they have completed this workshop they will be ready to work with their troop on their Take Action Project!

The girls will also get a nutritious snack and beverage following their activities while they visit with their fellow Girl Scouts and older girl mentors.

The cost for the day is \$15.00 per girl and includes all craft supplies, take home activities, certificates & snacks.

Girls may also order the Journey Patch set for \$5.00.

Please note on order form if you would like patch sets below.

Parents, Troop Leader or Troop Co-Leaders are welcome to attend but it is not necessary.

We will have plenty of adult volunteers if you wish to drop off your Cadette for the event.

Because of the popularity of these workshop we will be limiting the number of girls attending.

Please register early to ensure your place at the event!

Senior Troop #54127 is putting together this Patch Workshop as a Fundraiser for their Gold Award Project.

They will also have the opportunity to work on their mentoring skills during the event.

They are very excited to offer this event to their fellow Cadette's and can't wait to see you all there!

All stations will be run by 1st year Senior's with Adult Volunteers overseeing all activities.
