

Jester's Day Camp

Come check out Jester's Out of This World Day Camp!

This year we will be doing a space exploration theme!

Come to camp and find out...

Could you survive after your shuttle crashes on an unexplored planet?

Can you create new life forms? (might be slimy...)

Can you create a galaxy...out of candy!

All this and other fun camp activities like cooking over a fire, archery, swimming, crafts, Mad Science, team building, and more await you! Optional overnight on Thursday. Sign up as a volunteer and your camper goes for **FREE!**

Additional info on Caddies and registration forms on the website
