### ***A World of Girls; Brownie Journey!***

Stories are all around us – in movies, in books, in television shows, advertisements, on the news and even on cereal boxes. Stories inspire. Stories motivate. Stories spark imagination and help girls learn about themselves and the world. *A World of Girls* helps engage Brownies in this wider world of stories in a way that gets them looking for clues to help make the world a better place.

The girls will follow along as we cover the *World of Girls* Journey. Along the way they will make their own Passport to fill with information as we explore various countries and cultures. They will have the opportunity to play games, try snacks, and make crafts from other countries. When they have completed this workshop they will be ready to work with their troop on their Take Action Project!

The girls will also get a nutritious snack and beverage following their activities while they visit with their fellow Girl Scouts and older girl mentors.

The cost for the day is \$15.00 per girl and includes all craft supplies, take home activities, certificates & snacks.

Girls may also order the Journey Patch set for \$5.00. Please note on order form if you would like patch sets.

Parents, Troop Leader or Troop Co-Leaders are welcome to attend but it is not necessary.

We will have plenty of adult volunteers if you wish to drop off your Brownie for the event.

Because of the popularity of these workshop we will be limiting the number of girls attending.

Please register early to ensure your place at the event!

Junior Troop #16715 is putting together this Patch Workshop as a Fundraiser for their Bronze Award Project.

They will also have the opportunity to work on their mentoring skills during the event.

They are very excited to offer this event to their fellow Brownie's and can't wait to see you all there!

All stations will be run by 2nd year Junior's with Adult Volunteers overseeing all activities.
