ANARCHISTS IN CONGRESS SHAKING DOWN AMERICAN CITIZENS, Especially taxpayers. Overstepping power must cease at once. The “devou” is the spirit we are confronting this week, in the spirit. The Bible tells us that when the head is sick, the whole body suffers. That is what is happening right now in the body of Christ. The question we must ask is, WHERE IS THE CHURCH? God warns us of this principality and power. **Look at the Scriptures:** Malachi 3:11

“And I will rebuke the devourer for your sakes, and he shall not destroy the fruits of your ground; neither shall your vine cast her fruit before the time in the field, saith the LORD of hosts.”

Bible verses related to Malachi 3:11 (Verses like Deuteronomy 11:14) Jeremiah 8:13 - I will surely consume them, saith the LORD: there shall be no grapes on the vine, nor figs on the fig tree, and the leaf shall fade; and the things that I have given them shall pass away from them.

Amos 4:9 - I have smitten you with blasting and mildew: when your gardens and your vineyards and your fig trees and your olive trees increased, the palmerworm devoured them: yet have ye not returned unto me, saith the LORD. (Verses like Amos 4:9)

Zechariah 8:12 - For the seed shall be prosperous; the vine shall give her fruit, and the ground shall give her increase, and the heavens shall give their dew; and I will cause the remnant of this people to possess all these things.

FAYE'S ACTION POINTS

Knowing how our government works is vital. Our intercessors have been involved with this for years. Many came and many left but my attention was given to those who wanted to be on the front line prayer warriors. Praise God we have a powerful national network now ready for battle. Look at Congress' job description and then look at what they are doing and NOT doing. They think we have no choice. Unless we face facts about the mockers of God, we elected to office... we don't.

LEARNING OBJECTIVES

Discuss the organizational structure of the House of Representatives and the qualifications for its members

KEY TAKEAWAYS

- The major power of the House is to pass federal legislation that affects the entire country although its bills must also be passed by the Senate and further agreed to by the U.S. President before becoming law.
- Each U.S. state is represented in the

House in proportion to its population but is entitled to at least one representative. The most populous state, California, currently has 53 representatives.

- In some states, the Republican and Democratic parties choose their candidates for each district in their political conventions in spring or early summer, which often use unanimous voice votes to reflect either confidence in the incumbent or because of bargaining in earlier private discussions.
- The House uses committees and their subcommittees for a variety of purposes, including the review of bills and the oversight of the executive branch. The entire House formally makes the appointment of committee members, but the choice of members is actually made by the political parties.

The Constitution empowers the House of Representatives to impeach federal officials for treason, bribery, or other high crimes and misdemeanors and empowers the Senate to try such impeachment.

Key Terms

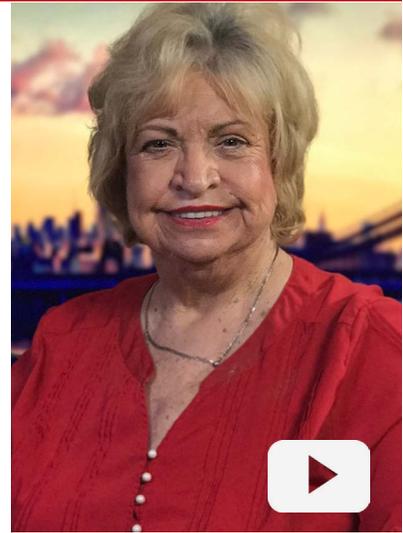

- **impeachment:** the act of impeaching a public official, either elected or appointed, before a tribunal charged with determining the facts of the matter.

The House of Representatives Background

The United States House of Representatives is one of the two houses of the United States Congress (bicameral legislature). It is frequently referred to as the House. The other house is the Senate.

US Congress in Present Times: Using Weber's theory of stratification, members of the U.S. Congress are at the top of the social hierarchy because they have high power and status.

THEY ARE NOT DOING THEIR JOB! THEY ARE SHAKING DOWN THE AMERICAN CITIZEN TAXPAYERS. LOOK AT THEIR ABUSE OF POWER AND DISRESPECT FOR OUR OVAL OFFICE, PRESIDENT, SOVEREIGNTY, U S CONSTITUTION, YOUTH, AND PRO LIFE CITIZENS. U.S. CONGRESS ..DO YOUR JOB OR GET FIRED. WE CAN SAVE AMERICA FROM THE DO NOTHING CONGRESS: WATCH VOTING RECORDS OF YOUR CONGRESSMEN AND VOTE THEM OUT IF THEY DO NOT DO SOMETHING TO SOLVE THE "DEBT CRISIS", INVASION OF OUR NATION, DO A BUDGET, REFORM FOR ILLEGALS AND REFUGEES. THERE IS NO REASON THESE ELECTED OFFICIALS

CANNOT COME TO SOME SORT OF AGREEMENT TO SOLVE THESE ISSUES. THEY HAVE TO FOR THE GOOD OF THE CITIZENS OF AMERICA. IF THEY ARE NOT WILLING TO DO THAT. THEN THEY SHOULD BE “FIRED” BY US.

50 Years Ago, Americans Fired Their Dysfunctional Congress, INTERCESSORS, WE CAN DO IT AGAIN! Mississippi Senator James O. Eastland (D-MI), an outspoken foe of racial desegregation, chaired a subcommittee responsible for civil rights during Kennedy’s presidency. It’s almost impossible to find anyone who is optimistic about Congress. The good news is that this is not the first time we’ve despaired over Congressional dysfunction.

SubsWe just finished one of the least productive sessions in American history. Partisan gridlock, incivility, and extremism have paralyzed Capitol Hill. There are not many observers who believe that President Trump’s current policy agenda stands much of a chance of passing through a broken Congress. Last week we prayed about Black Rose Anarchist Training Camp for kids at the St Peter and Paul Episcopal Church in Portland. The root of the Resistance Movement, a major underground thrust to launch a Civil war to overthrow our government. **Pay attention, prayer warriors. Look at the following:**

Does America’s next civil war begin in Oregon? Gov. Kate Brown orders state police to round up Republican lawmakers at gunpoint Sunday, June 23, 2019 by: Mike Adams

This story is getting very little coverage in the legacy media for obvious reasons. Just like California, Oregon has gone full authoritarian in trying to force its fake science

“climate change” agenda on everyone. Over the last few days, Oregon’s Gov. Kate Brown has ordered the gunpoint rounding up of Republican lawmakers in order to force a vote on a climate change “cap and trade” scheme (HB 2020) that only enriches corrupt Democrat insiders. As BigLeaguePolitics.com reports, the Oregon Three Percenters appear to be

getting involved to protect the citizens of Oregon from the authoritarian tyranny of the corrupt Democrats: The Oregon Three Percenters, who participated in the armed takeover of a wildlife refuge in 2016, was one of many groups to support the Republican legislators’ defiance. Apparently this, along with support for the legislators by other right-wing groups, was unsettling to law enforcement. The State Capitol was closed Saturday “due to a possible militia threat,” according to a spokesman for Senate President Peter Courtney.

The real threat in Oregon, of course, is the tyrannical governor and her authoritarian Democrat jack-booted thugs (i.e. the Oregon State Police) who are now hunting down Republican lawmakers at gunpoint in order to shove their destructive law through the legislature. As The National Sentinel reports, “Raising the cost of production and doing business (cause) will have predictable effects: Loss of jobs, loss of revenue, higher prices, higher energy costs.

And for some in Oregon — farmers, truck drivers, loggers — the law would decimate their industries. And worse, there is no real consensus that human activity is causing the climate to change. In fact, the Left’s predictions of doom and gloom are routinely debunked by reality. In particular,

Does the Oregon citizens’ militia have a duty to arrest Gov. Kate Brown? It all begs the question: If the radical left-wing governor of Oregon is willing to dispatch armed hunting squads to round up Republican lawmakers at gunpoint, don’t the citizens of Oregon have the right (and possibly the duty) to arrest Gov. Kate Brown and charge her with abuse of power and making threats of violence against lawmakers? Dispatching armed police to round up your political opponents is surely a crime. Is it a crime that will be tolerated by the citizens of Oregon?

This question will likely be debated in the days ahead as things continue to heat up across the political landscape. Just today, Breitbart.com is now reporting that left-wing radicals at UT Austin are threatening to dox students who join conservative groups like Young Conservatives of Texas (YCT). As Breitbart reports, the organized threats are coming from a blog reportedly run by radical left-wing Antifa-class terrorists. The blog is called “Austin Autonomedia.” The blog goes on to actively encourage the harassment of conservative students, stating that it is “extremely important to get organized early, while this [TPUSA] group is in its infancy.” This is just one of many such hot spots across the country where deranged, lawless Leftists are increasingly resorting to terror-style tactics to enforce their demands for absolute obedience to their left-wing agenda that’s rooted in hatred and bigotry. The day

is coming when left-wing radicals will be engaged across America. All the while, they’ve been indoctrinated with a dangerous cocktail of authoritarianism and Marxism, and with the censorship of all conservatives by the evil tech

giants, radical Leftists now feel emboldened to enforce their Nazi-style obedience demands by threatening everyone who opposes them. This is exactly what’s playing out at UT Austin and across nearly every liberal college campus in America..

As it stands right now, America is just one trigger event away from all-out open warfare in the streets of places like Portland, Austin or Seattle. The tyranny, lawlessness and

pure evil of the lunatic Left is so out of control that even once-skeptical Americans are now fully convinced that the radical Left must be stopped if we are to have anything resembling America still remaining in a few years. Seriously,

the left-wing media is now pushing “transgender” as the new progressive American family. Here’s a partial picture of what they look like:

As you ponder the depths being pushed by trans-gender across America, ask yourself how this twisted, bizarre chapter of human history finally ends... and how many innocent children end up mutilated and sexually assaulted in the name of progressivism.

ANGELS AT THE ALTAR OF INTERCESSION

Chad Taylor lionheart@gci.net

Wednesday, March 14, 2001

“And another angel came and stood at the altar, having a golden censer; and there was given to him much incense, that he should offer it with the prayers of all saints upon the golden altar which was before the throne. And the smoke of the incense, which came with the prayers of the saints, ascended up before God out of the angel’s hand. And the angel took the censer, and filled it with the fire of the altar, and cast it into the earth; and there were voices, and thunderings, and lightnings, and an earthquake...” Italics mine. (Revelations 8:3-5).

THE ANGELS HAVE BEEN RELEASED

For in this hour says the Lord the angels from My throne have been released to the earth to the altars of prayer and praise that have been created for Me. For there are those that I have released a spirit of David upon, to build a

tabernacle of intercession and upon this altar My fire will come says the Lord. On this altar My wind of revival will blow, blowing the embers from this altar into the uttermost parts of the earth. Where they land revival will burst into flame, harvest fields will ignite and burn and My glory will be seen.

VOID AND VEIL REMOVED

For in this hour an alliance will be made between angel and intercessor, between Heaven and earth. The void and the veil shall be removed. For the first time many will see and be amazed. I will take My church to the Mt. of transfiguration and they will be transformed. Angel and intercessor shall walk together on the earth. Prophet and angel shall contend together for the nations says the Lord. They will stand on the high places and speak the oracles of Heaven. Unlike any other generation you will see Heaven on earth says the Lord, Heaven on earth.

For in this hour the fire from the altar of intercession and the fire from My throne shall mingle. This fire will light up the midnight sky and the glory of the Lord shall be seen. Kings will come to the brightness of your rising. The song of Simeon will be heard in the earth again, “For my eyes have seen Your salvation, which You have prepared before the face of all people, a light to bring revelation to the Gentiles, and the glory of Your people Israel...” (Luke 2:30-32).

THUNDERINGS AND LIGHTNINGS AND EARTHQUAKES AND VOICES RELEASED

For in this hour voices, and thunderings, and lightnings, and an earthquake will be released. My voice will be heard like the voice of many waters upon the earth. An army will hear Me and speak. In the hi-ways and bi-ways will

they declare My will and purpose and I will turn the hearts of kings like water says the Lord. The hearts of kings like water. The steps of My intercessors will sound like thunder in the distance as they traverse other nations and other lands. The Red Seas will part to their steps and the waters of the Jordan shall stand up and they will walk on dry land.

The lightning of My revelation will illuminate the darkness of nations and tribes and tongues. Where ignorance and idolatry has ruled for generations now shall the song of salvation be heard! Where once darkness ruled My righteousness shall rule. An earthquake of My presence shall shake the church with boldness to take the land and occupy. An earthquake of My power shall shake the prisons that hold men captive in soul, spirit, and body and their doors will come open and their shackles released says the Lord. The captives set free.
GOD WILL SUSPEND TIME, AS HE DID WITH JOSHUA

Even as I suspended time as Joshua prayed, so shall I suspend time today. As My intercessors and prophets pray time will stand still. 24 hours will become 2 hours as My breath breathes upon them. Time and space will flee at the sound of their voices as My holy angels meet them at the altars of intercession. From that place the nations will shake and the ancient gates will be opened. The ancient gates will open at the sound of their voices says the Lord, the ancient gates will be opened. For in this hour a holy alliance will occur between the angels of Heaven and those upon the earth. The one will walk with other and their eyes will be opened.

“Thus saith the LORD to his anointed, to Cyrus, whose right hand I have holden, to subdue nations before him; and I will loose the loins of kings, to open before him the two leaved gates; and the gates shall not be shut; I will go before thee, and make the crooked places straight: I will break in pieces the gates of brass, and cut in sunder the bars of iron...
