This week we will begin the transition in the spirit to releasing the past and following the call of the **Holy Spirit** to stay on the Wall praying accurately and binding the strongholds of the enemy getting stronger over our nation.

There has been numerous prophetic messages about what just took place in the election. Some rejoicing, ignoring the great gains of the evil doers. Others, seeing no reason to worry, others, blaming the President. Personally, I felt to keep my feelings and opinions to myself as I was stunned at the outcome of the election. I was expecting a great victory to move America forward due to having a leader that feared God and stood for Christians like no President since Ronald Reagan. Also, we were experiencing the greatest prayer movement for America most had ever seen.

Yet, we lost dozens of seats to the Democrats giving them back the majority in the House of Representatives. They now control the purse strings of this nation and they have enough RINOS to stand with them as did they with Obama, to take back what the people had received from President Trump's agenda to put America first. My big question; **WHERE ARE GOD'S PEOPLE?** It took weeks for me to seek God and get answers to my questions and major concern for our freedom, liberty,

national security and freedom to teach and live Biblical values without being arrested. Leading people to Christ would be outlawed?

Today, I issue a warning to my intercessors. Judgment is falling on this nation as I write this. It is also falling on the churches. You need to examine who you have submitted your spiritual oversight to. In the same process, His spirit is being poured out to bring forth laborers into the harvest fields and soul; winners to the lost.

The Lord spoke to me that if the body of Christ does not become His disciples and go into the harvest field with His Word to reach the lost, we have seen our best years as a nation. The apathy, compromise and absence of His Word and His witnesses, in the fields ready for harvest, especially in the government, and among the youth, will cost America much. We reap what we sow. God gives us a free will. His will is for us to prosper and be in good health. However, He honors our will. He will not go against our will.

The compromise is sooo great, professing Christians votes are what gave liberals, atheists, nasty women, and socialists, the victory they just won. When millions of Christians see no difference in good or evil or call evil good, we have a problem with the teaching of the gospel. Masses of

our youth are hell bound without warning. We have prayed for someone to rise like Billy Graham or Dr. Jerry Falwell to lead America in a major revival and organize laborers and leaders to take the gospel into the harvest field of the youth. We prayed at noon every Wednesday for forty weeks for a revival of souls. During that time the Lord spoke to me to take a truck filled with Founders Bibles to University of California, Berkeley. I live in Florida. Our intercessors are strong in Texas and NM. The voice of the Lord was UC, Berkeley. These Bibles are very expensive. However, they are awesome. The following describes them.

WHY GIVE THE FOUNDERS BIBLES TO COLLEGE STUDENTS?

Before the remarkable words of our founding documents were ever penned, they were first preached from the pulpits of New England as people wrestled with the Scriptures for themselves as to **'how then shall we live.'** This is the remarkable story of our deep spiritual heritage and the largely unknown historical foundations that produced a nation that once held the admiration of the entire world. It's also a roadmap we can follow so as to once again become that **"shining city on a hill,"** a beacon of hope to the world around.

In the Founders' Bible signature historian David Barton shares the true story of how God used the brilliance of the Founding Fathers and generals to unite the colonies and lead them through the long, hard Revolutionary war. These men believed resistance to tyranny was a Christian duty because they were defending God-given rights. Such men as George Washington, Patrick Henry, Benjamin Rush, John Adams, Thomas Jefferson, and Benjamin Franklin established the firm foundations of the soon-to-be country; they made sure it was steadfastly planted in the Word of God.

These great, God-fearing men were put in just the right place at just the right time by the hand of God to fashion a nation that would promote freedom, discover equality, honor faith, and providentially be

a source of great blessing to the nations of the world! As a nation, with our backs to the wall, facing a looming cliff of disaster, we would do well to rediscover the wisdom of the Founders. These were the men who courageously laid the groundwork and built the foundation that made our nation great.

The Founders' Bible uses the trusted, updated New American Standard Bible (NASB), recognized by scholars as the most accurate, word for word translation of the Scriptures in the English language. With over 1000 pages of in-depth culturally relevant articles, insightful Biblical commentary from the Founders on a wide range of topics, and some of the most inspiring history of this nation's founding and the destiny and purpose God intended.

The supplementary material will inspire readers with renewed hope and appreciation for the sacrifice that was made to found this great nation, the unwavering commitment our Founding Fathers had to the importance to the Word of God for our lives as individuals, for shaping and guiding our society, and for providing the foundations of our unique system of government that has produced the most enduring legacy of freedom any nation has ever known. Knowing where we came from will provide invaluable wisdom for where we are headed and what we can do to reclaim our lost heritage.

The Founders' Bible uniquely illumines the very passages of Scriptures that inspired our Founders and formed the basis of our constitution, government and its guiding documents. Examine the Bible verses that provide the seed bed of understanding for justice, our legal system as it was intended, and the individual God-given rights and freedoms we possess. See what chapters inspired them in the fight for independence and freedom. Understand the sacrifices they made because of their Biblically-based beliefs and learn

GOING TO HIGHER GROUND

WE PASSED THE TEST!

God is taking this ministry to higher ground. That means, YOU, as well. We have two years to live with the consequences of the elections. Because we prayed, He showed mercy and gave us control of the US Senate. Judgment called...mercy answered. However, a soul winning movement must begin.... NOW.. I tried passing the buck and gave a lot of excuses as the Call of God became stronger on me to lead you to the Rock that is higher than us. The stronger the Call, the less we received in donations. The more I asked for the funding for Founders Bibles, the stronger the attack on me, personally and the ministry became. I was totally confused about the going forward in the ministry. Where God guides, He provides. I knew if this was happening to me, my partners were also feeling the affects as well.

FAYE IS FIGHTING FOR SURVIVAL OF POWERFUL MEDIA OUTREACH!

Our television program is at a crossroads. Without a miracle we will not be able to continue after December, even though it is reaching the masses with truth. However, there is so much competition in Christian broadcasters, our program is just a small token in the vast nationally produced programs that offer gifts to cause people to donate. Production is expensive, and our budget does not allow for that. Neither do we have the staff to design and produce the spots that it takes to promote special offers. All we have is information, truth, and recruiting prayer warriors who will fast, pray, and let their voices be heard to the right people in the right places in our government, taking a stand for righteousness and our God. Knowledge is power! The program is an outreach and our partners fund it. We are getting responses nationwide, including California. Eagles are joining our Saturday Briefing and Prayer Call at 2 PM. We encourage you to give two hours on Saturday to one of the most effective, anointed prayer calls in the

nation. Our intercessors are nationwide and feel like a family. If you ever are in an emergency, these are the intercessors you want to pray for you.

When God revealed
Berkeley to me,
I wondered, Why me?

I am across the nation. Now, as we have prayed for Berkeley for over a year, truth and corruption is being exposed. Praise God. Christians and conservatives are being silenced by bullies, mobs, liberal liars and liberal media. I was told it was the epidemy of the root of culture change and evil turning the minds of our youth to witchcraft, Satanism, Islamism, Socialism/Communism. God is confirming our CALL to take Founders Bibles to the campus of Berkeley and give them to students who would like one. Believe me, I have considered the mob attacks and resistant movement. After praying and seeking God feel there is nothing to fear.

The experience I had with God was clear. I saw a big truck fill with cases of Bibles and the back door opened facing the campus with a big sign on the truck that said: FREE. Students were running to get one. Our intercessors were handing them out and shaking hands with the students. I was just directing the hand outs and it was awesome. No problems. The Lord reminded me, that whatsoever we bind on earth is bound in heaven. Whatsoever we loose on earth is loosed in heaven. Placing Bibles at Berkeley is loosing the Word of God on this campus. I know this is the Will of God. I pray you receive the mandate and get on board with me as you have always done in the past.

I believe if someone does not start confronting the gates of Hell our nation will not recover from the judgement at hand. Freedom will dissipate. God's

people will suffer greatly, and we must get the Word out that compromise has consequences. **The key to this is: GET THE WORD OUT!**

I need my partners attention! "He sent His Word and healed them." Faith without works is dead! Each year God has given us an exclusive assignment. Each year we fulfilled that assignment and saw much fruit because of our obedience and intervention.

This year is no different. We are going to recruit sponsors to help us purchase 400 Founders Bibles as soon as possible to deliver to the students at Berkeley. As we go forth, we are praying for God to bring 118 Salt and Light Covenant Partners to help take some of the stress off me by sowing A one time \$1,000 or pledge to give monthly. This will save our television program and media outreaches that God is using to get the truth to Christians seeking truth. It will also fund the Bibles and distribution cost.

Right now the mobs are attacking students and government officials. These officials are allowing the propaganda to go unchallenged. They are calling them protesters using freedom of speech allowing their terror attacks on those of us who do not agree with their misguided mindset. Few Christian organizations and denomination leaders are standing up for our freedom of speech and freedom of worship and servanthood to Jesus Christ. The majority of church leaders and tele evangelists are AWOL when it comes to confronting evil in everyday occurrences. We must recognize that this compromise must be pleasing their members and viewers, obviously. If you are boldly taking a stand for God against evil doers you will understand our plight for 2019.

Our Branson, MO. theme was what one person can do. Many mighty moves of God comes with the obedience and action of one person being led by God.

EXAMPLE OF WHY WE ARE GOING HIGHER: Take note of the next article and ask; if we do not confront the evil doers on campuses now, when will the mobs, etc. move into church sanctuaries and television production studios to silence the rest of us? Outlawing God! Is that on the horizon? I believe that is their demonic plan and we must not back down now. So with your help, we will go forward. I plan to contact Isabella (below) and work with her

and those who support her to use our ministry to get Bibles to Berkeley students. We will pray for her and those she connects us with who are taking a stand for God on that campus. If we do not move spiritually toward reaching the lost, preaching holiness and raising up disciples to go in the fields of harvest America will pay the price. This ministry is going to take a public stand and go into the harvest fields with the gospel with your prayers and support. This will yield a covering of protection when judgement falls that allows the fourth angel to be with us in the fire. Thru sacrifice and obedience we will pass through the storms and fires without even the smell of smoke. Now is the time to choose.

Why This California College Student Is Choosing to Stand Up for Her Beliefs on Gender Rachel del Guidice November 13, 2018

"I didn't expect that a place that claimed to be so inclusive and tolerant would turn its back on me so quickly," Isabella Chow says. (Photo courtesy of Isabella Chow)

A 20-year-old student senator at the University of California Berkeley says she didn't expect the intense opposition she received for voicing her Christian beliefs on sexual identity and gender. Although Isabella Chow, a junior, has the support of the school's College Republicans chapter, her own student party cut ties with her and other students and organizations are demanding that she resign from the Senate or face a recall.

"I didn't expect it at all, I'll just put it that way," Chow told The Daily Signal in a phone interview Tuesday.

"I expected there to be opposition, I expected there to be disagreement," she said, "but I didn't expect that a place that claimed to be so inclusive and tolerant would turn its back on me so quickly."

Her offense? Chow chose not to vote Oct. 31 on a measure decrying consideration by the Trump administration of a legal definition that says a person's gender is what his or her sex was at birth. She was the only one of 20 senators to abstain on the measure,

which also backed organizations that promote the LGBT agenda. Student-run CalTV and school publications Chow represented also abandoned or “disaffiliated with” her, she said. In a statement on Facebook explaining why she abstained, Chow first said discrimination “is never, ever OK.” But, she said, “where this bill crosses the line for me is that I am asked to promote a choice of identities that I do not agree with to be right or best for an individual, and to promote certain organizations that uphold values contrary to those of my community.” Chow, who is from Gilroy, California, about two hours outside of San Francisco, told The Daily Signal that she fears funding for Christian groups on campus is threatened. A piano recital where she was supposed to play was cancelled because professors said, “You can’t perform when we are all afraid of protesters showing up at the door.”

At a protest Wednesday, Chow said, people yelled at her for three hours, swearing and demanding that she resign. Through that experience, she told The Daily Signal, “a big part of me was reminded that as a Christian, I needed to stand by what I said.”

That means not only standing by her beliefs about gender and sexuality, she said, but “loving the LGBTQ community and accepting all of them as valid and significant and loved.” Chow was elected to the student Senate as a candidate running with the party Associated Students of the University of California. She had support from fellow Christian students and the “publications and media” crowd involved in journals, magazines, and CalTV, the San Francisco Chronicle reported. Over 1,000 persons have signed a petition demanding that Chow resign from student government or face a recall. She also has faced pushback on social media. Matt Ronnau, president of the Berkeley College Republicans, told The Daily Signal in an interview that his organization stands by Chow. “We support Isabella 100 percent,” Ronnau said, calling her treatment “incredibly unfair.” “She expressed very clearly ... and decided to abstain, and then the Queer Alliance Resource Center [an LGBT rights organization] came out and basically said she was attacking them and really muddied what she said up,” he said.

The group “painted her to be this huge evil person when really she’s not,” Ronnau said. Harini Shyamsundar, editor-in-chief and president of The Daily Californian, UC Berkeley’s student newspaper, told The Daily

Signal in an email that the paper declined to publish an op-ed by Chow explaining her decision to abstain because it “did not meet the paper’s editorial standards.” “We could not publish it in our opinion section, even opposite our own editorial,” Shyamsundar said.

Shyamsundar did not explain further, including what she meant by failure to meet editorial standards. Manu Meel, CEO of BridgeUSA, a nonpartisan student club at UC Berkeley, told The Daily Signal in an email that while he and the organization did not support Chow’s stance, her opinions should still be respected. “Millions of Americans share Senator Chow’s perspective,” Meel told The Daily Signal, adding: WND STUDENT SENATE MEMBER TOLD TO RESIGN OVER CHRISTIAN FAITH. A Christian elected to the student senate at the University of California at Berkeley is refusing to resign after declining to vote on a resolution to oppose the Trump administration’s recent Title IX changes “There’s a Christian community on campus that has been praying for me and encouraging me throughout all this. And if I don’t represent their views, who else will?” Isabella Chow said in an interview with Campus Reform.

She was attacked for refusing to oppose the federal government’s reversal of Barack Obama’s expansion of Title IX to make “gender identity” a protected class. The Obama administration claimed that the 1972 law was written with “gender identity” in mind, meaning men should be allowed to use women’s rest rooms and shower (Notice that the high pressure system was already wrecking havoc on this state! It started exactly six months before, when the case first went before the Court. Now look what was happening on the very day when the Court ruled! This was added to the original posting) California temperatures could reach 130F as heat wave hits western US 06/29/13 This is just the beginning for California. I think the following is the perfect verse for this state. This starting during “LGBT Month” is an indicator the destruction process might have begun. Gay month 2013 started with the widest most powerful tornado in history and ended with possibly the hottest recorded temperature on earth. **God is using nature as one of His weapons to destroy America.**

Hell on Earth: California wildfires threaten entire cities Western U.S. Swelters Amid Dangerously High Heat 06/30/13 Events like this with the weather will most likely be non-stop as the Lord uses nature against the nation. Watch for the "worst ever" or "record event" happening now on a regular basis. It is already happening regularly but there is coming a great increase. The land is going to "vomit" the Americans off it. Why oh why did not the church repent and call the Lord for mercy and an outpouring of His Spirit, why?

The Ordinances of the Amorites/Americans The following is part of my teaching from Homosexuality vs God's Holiness. I recommend that you read the entire article as it show what the Bible states about homosexuality. **The Ordinances of the Amorites** Genesis 15:16 But in the fourth generation they shall come hither again: for the iniquity of the Amorites is not yet full. God told Abraham that his descendants were going to leave the land of Canaan for 400 years because the iniquity of the people living in the land was not complete. There is a process for a society to be taken over by iniquity. In the case of the Canaanites, God gave these people 400 years to stop iniquity. God knew that after 400 years the iniquity of the people would reach its peak. The people would not turn from sin, but they would completely embrace it.

When studying Genesis 15:16 there is a key word in this verse. It is the Hebrew word translated full. This word is directly connected with the idea of friendly or friendship. The concept of this word is that when a society is friendly with iniquity at that point it is subject to judgment from God. Iniquity is no longer shameful or a disgraceful. It is not hidden or done in the dark. The people are friendly with it. They are accustomed to it. In Genesis 15:16, the Bible does not define iniquity: it simply states that there is a time for it to mature in a society and become full.

After the 400 years, the Jews left Egypt and came back to the land of Canaan . Today it is called the land of Israel . At this time, the Bible identifies what is iniquity. In Leviticus 18, God warned the Jews not to follow the ordinances of the Canaanites who lived in the land. The Canaanites and Amorites blended into one people; therefore it is also the ordinances of the Amorites that are mentioned in Genesis 15:16. Leviticus 18:3 After the doings of the land of Egypt, wherein ye dwelt, shall ye not do: and after the doings of the land of Canaan , whither I bring you, shall ye not do: neither shall ye walk in their ordinances. In the above verse, the key word is ordinances. The Hebrew word means an enactment and is also translated custom, manner, and statute. By using the word ordinance the Bible is describing a society that is "friendly" with iniquity. Iniquity has become ingrained in the Canaanites by both customs and laws which makes it a way of life. For this reason, God is about to judge the Canaanites and drive them off the land. The judgment comes because iniquity is an ordinance of the society and not because individuals are committing iniquity. When a society makes iniquity an ordinance, this is extremely serious with God. Later in chapter 18, the Bible defines iniquity. It includes such acts as: adultery, child sacrifice,

homosexuality and bestiality. Homosexuality is singled out from this group and described as an abomination. Without any doubt, God strongly condemns the homosexual act as iniquity. There is no section in the Old Testament where God approves or condones homosexuality. The homosexual act is a very serious offense to God. It is linked with child sacrifice and bestiality. The Scriptures to show this follow:
Leviticus 18:20 Moreover thou shalt not lie carnally with thy neighbour's wife, to defile thyself with her. (Adultery) (21) And thou shalt not let any of thy seed pass through the fire to Molech, neither shalt thou profane the name of thy God: I am the LORD. (Child sacrifice) (22) Thou shalt not lie with mankind, as with womankind: it is abomination. (Homosexuality) (23) Neither shalt thou lie with any beast to defile thyself therewith: neither shall any woman stand before a beast to lie down thereto: it is confusion. (Bestiality)

The Bible warns that when homosexuality becomes an ordinance, social custom or norm, it will bring God's judgment on that nation. When the Bible defines iniquity, the homosexual act would automatically fall under the description of this word. In the strongest language possible, the Bible says because of iniquity the land will vomit out its inhabitants. The Scriptures to show this follows:
Leviticus 18:24 Defile not ye yourselves in any of these things: for in all these the nations are defiled which I cast out before you:
(25) And the land is defiled: therefore I do visit the iniquity thereof upon it, and the land itself vomiteth out her inhabitants.

(26) Ye shall therefore keep my statutes and my judgments, and shall not commit any of these abominations; neither any of your own nation, nor any stranger that sojourneth among you:
(27) (For all these abominations have the men of the land done, which were before you, and the land is defiled;)
The United States now is enacting, by both custom and law, the Ordinances of the Amorites; therefore the nation is defiled before the holy God of Israel and faces His judgment. By promoting homosexuality, America has become like the ancient pagan Amorites

and has now come under the judgment of God. America promotes homosexuality by custom with events such as Gay Pride Day, Gay Awareness Month (June), Gay day at Disney land, Gay Day at sporting events and events like Southern Decadence in New Orleans . There are gay clubs in high school and colleges. The political parties are pandering to the homosexuals for their votes. By custom, homosexuality has woven into the fabric of America.

America is continually making ordinances to advance the homosexual agenda. Sodomites can legally marry in California and Massachusetts while many states recognize civil unions. Homosexuals are now able to adopt children and gain custody of children during a divorce. There are now numerous hate speech laws which are being used to silence opposition to the homosexual agenda. America is a long way down the road to enacting all the Ordinances of the Amorites. The Bible warns of God judging a nation that walks in these ordinances. When the corporate attitude of a nation is friendly toward homosexuality then at this point the iniquity is full. It is apparent that "the cup" of America's sin is rapidly filling up. Americans hardly blush anymore at fornication and adultery. The nation kills over one million babies a year with up to 57 million killed since 1973. The legalizing of abortion was an additional Ordinance of the Amorites. Homosexuality is fast becoming a constitutional right. The only ordinance left to fulfill Leviticus 18 is bestiality. This is probably next on line to become an ordinance!

PRAYER POINTS

Keep this in your prayers:

Mat Staver, Chairman

Liberty Counsel Action

11/26/2018

There is strong division within the Senate GOP concerning if and when they should attempt to pass the United States-Mexico-Canada Agreement (USMCA). A group of a dozen senators want the agreement expedited while another much larger group of senators have already warned that existing provisions within the USMCA will establish special rights for "sexual orientation" and "gender identity"

as the supreme law of the land via the Supremacy Clause of the USMCA Agreement. A dozen GOP Senators are urging President Trump to submit a draft of the United States-Mexico-Canada Agreement (USMCA) to the Senate as quickly as possible to help passage during this lame-duck session of Congress. In their recent letter to President Trump, the Republican lawmakers contend that waiting until the next session of Congress will make passage “significantly more difficult” after the House turns to Democrat control.

By pursuing passage this year, the lawmakers declared, “we commit to working with you in a consultative manner to draft implementing legislation that could win our votes, as well as a majority in the House and Senate.” **Read the agreement BEFORE calling for its passage!** Calling for the passage of the USMCA BEFORE reading the agreement is foolish! We cannot have another ObamaCare debacle as was sparked by Nancy Pelosi’s inane comment: “But we have to pass the bill so that you can find out what’s in it...” Thirty-eight lawmakers have already warned President Trump that language in the agreement would establish special rights for “sexual orientation” and “gender identity” as the supreme law of the land via the Supremacy Clause of the Constitution.

Their earlier letter, in part, states: “A trade agreement is no place for the adoption of social policy. It is especially inappropriate and insulting to our sovereignty to needlessly submit to social policies which the United States has so far explicitly refused to accept.” The lawmakers warned that including “sex discrimination” in the USMCA could “cause unnecessary confusion in future international treaties as well as domestic laws and policies,” in addition to setting a “dangerous precedent for courts and future Administrations to build upon.” Liberty Counsel Action is also calling on President Trump to remove the language placing this radical social policy into law. President Trump must insist that social policy that overrides our sovereignty be removed from the United States-Mexico-Canada Agreement. **The “divisive dozen” must back off!**

The letter to the president was signed by the following senators: Pat Toomey (R-PA), Lamar Alexander (R-TN), Steve Daines (R-MT), Deb Fischer

(R-NE), Jeff Flake (R-AZ), Ron Johnson (R-WI), Jon Kyl (R-AZ), James Lankford (R-OK), Mike Lee (R-UT), Rob Portman (R-OH), Ben Sasse (R-NE) and Ted Cruz (R-TX). Pray for exposure and divine intervention by President. Call out names of above senators and pray for their protection and victory. Pray for the body of Christ to come out of deception and mind control and stand for God against his enemies now empowered to take God out of our freedoms. Pray for Salt and Light Covenant Partners to come forth and keep Faye moving forward with the revival of souls beginning on Berkeley campus.

Pray for liberals in House and Senate to be trapped and unable to produce any laws that mock God and hurt our nation in any way. Pray for Mueller corruption to come to light and truth about his illegitimate authority being used to destroy lives will back fire and his treasonous acts will face justice. Pray for Jerome Corsi to be protected from Mueller lies and defended in a victorious way. PRAY FOR Corruption of Nancy Pelosi and connection with lawless illegals comes to light as with all other lawmakers in both parties.
