HOODWINKED!

The Lord has truly given us the “keys to the Kingdom”. Our prayer warriors are informed, united and alert. We had 35 callers on Friday night at midnight, combating the ritual, curses and spells of the witches to go forth and remove Pres. Trump from office. They were from across the nation. We believe what we bind on earth is bound in heaven. The power of these wicked women must be broken and their message renounced. One of the signs of prayers that prevail is when we see answers; Answers needed at the moment.

God has revealed hidden things will be revealed. That is exactly what is happening. The Lord spoke to me to break the unity of a threefold cord of evil women that are infecting our nation, young women, & Congress, promoted by radical LYING liberals controlling the media. The three fold cord is; **Nasty Women-Muslim Women leading Nasty Women and Witches.**

On our prayer calls God poured out His spirit when we did this. Now I want all our intercessors to join in “reversing the curses” of this evil empire. Look at what we are up against and why we must increase our pray-ers. Our weekly Saturday call the revelation knowledge coming forth is like nothing I have ever experienced. A week ago the Lord showed me warring angels had arrived in the halls of Congress. I could actually feel the wind of the swords be swung at the demons that call that place home. I saw one foundation kingpin, couldn’t tell who, was being removed and with his removal would come down a major founding cornerstone of Satan’s plan for America. The removal would take place last week. I shared this with our callers and told them to watch. I was hoping it was Obama. However, the one removed, without notice, was John McCain. I have prayed for him to have an encounter with God during the life threatening diagnosis he received. This removal stopped the McConnell healthcare plan to carry on the foundation of ObamaCare. To God be the glory.

In this Faye’s Facts I am going to reveal to you the plan of action of the Civil War being planned now for our streets. You must read it carefully and come into agreement with me to get my information out to the masses to thwart this. What the democrats led by Chuck Schumer, Nancy Pelosi, liberals and socialists in Congress in both parties are doing to instill hate by slandering Pres. Trump is really slandering the 69 million of those who voted for him.

They act like our votes and choice do not matter. They act, as does Hillary, they are the nation. THEY ARE NOT!!! Their lies, bullying, intimidation used to remove Pres. Trump and silence God's people is for one reason....THE WITCHES HAVE DECREED IT! REMOVE DONALD TRUMP FROM OFFICE AND SILENCE THOSE WHO THINK LIKE HIM..... THE NAME OF JESUS CAN TAKE THIS CROWD DOWN.....WE NEED TO ONLY BELIEVE AND ACT!!

WORLD FIVE MILLION WOMEN IN DC THE DAY AFTER THE INAUGURATION! THEY WERE THERE AT THE INAUGURATION. I FACED THEM DOWN WITH MY SHOFAR, PERSONALLY. THEY WERE THREATENING, INDIMIDATING, HARASSING AND OBSTRUCTING OUR FREEDOM. THEY CARRIED VULGAR, PORONOGRAPHIC, FILTHY SIGNS AND MEGAPHONES TO SHOUT AND CURSE US. THEY WANT OUR FREEDOM. WE MUST NOT ALLOW THEM TO WIN! HILLARY IS DOING EVERYTHING POSSIBLE TO DESENSITIZE OUR YOUTH TO INDECENCY AND RESPONSIBILITY. THEY MOCK THE BIBLE, GOD AND THOSE WHO BELIEVE IN HIM AND HIS WORD. THEY HAVE OVER \$40 MILLION TO SPEW THIS DEMONIC PROPAGANDA. I AM BELIEVING FOR \$1 MILLION TO ORGANIZE VIRTUOUS WOMEN TO BRING THEIR POWER DOWN....

READ THE FOLLOWING AND CRINGE!

WOMEN'S MARCH ORGANIZER LINDA SARSOUR SAYS STANDING UP TO TRUMP IS A 'JIHAD'

Hillary Clinton and Linda Sarsour are using our colleges and universities to organize their mobs, in guise of “protestors” to call violence to our streets. The Lord revealed they want a civil war to take over our government like the Middle East. They started this week in Minneapolis. They shut down a press conference with the Mayor. I was stunned as I watched... Can this be in America? They promised to take over the city government. They had their signs, mega phones, hatred for police and no one stopped them. They chanted, “we shut you down”.

This is what I must reveal to the masses. The eyes of the majority of Christians are blind and have no clue what is at the door. Civil War is!. We sat back and watched the devil take over our God blessed, blood bought nation, academia, states and federal government. They now are at war with any of us who defy their using political and judicial power to force the mocking of God on all of us.

READ CAREFULLY !!

THE OBAMA PLAN to unleashed civil war in our streets. He is organized, funded and waiting to sound the CALL TO JIHAD! Where is the investigation ????? Where is the Attorney General???, the FBI, the Congress oversight????

Email from Dottie.IWI Leesburg, Fl

I do not understand how living in a country with its democracy established over 200 years ago, and now, for the first time in history, suddenly we have one of our former presidents set up a group called "Organizing for Action" - (OFA).

OFA - 30,000 strong working to disrupt everything that our current president is trying to do. This goes against our Democracy, it is an operation that will destroy our way of governing. It goes against our Constitution, our laws, and the processes established over 200 years ago. If this is allowed to proceed then we will be living in chaos very much like third world countries are run. What good is it to have an established government if it is not going to be respected and allowed to follow our laws? If this does not scare you, then we are in worse trouble than you know.

It is explained below. Do your part: read it and at least pass this on so others will know what we are up against. We are losing our country and we are so compliant. We are becoming a "PERFECT TARGET" for our enemy! Article from the New York Post - If you had an army some 30,000 strong and a court system stacked over the decades with judges who would allow you to break the laws, how much damage could you do to a country? We are about to find out in America!

The ex-president said he was going to stay involved through community organizing and speak out on the issues and that appears to be one post-administration promise he intends to keep. He has moved many of his administration's top dogs over to an organization called Organizing for Action (OFA). OFA is behind the strategic and tactical implementation of the resistance we are seeing across America, and politically active courts are providing the leverage for this revolution.

OFA is dedicated to organizing communities for "progressive" change. Issues are gun control, socialist healthcare, abortion, sexual equality, climate change, and of course, immigration reform. OFA members were

propped up by the ex-president's message from the shadows: "*Organizing is the building block of everything great we've accomplished. Organizers around the country are fighting for change in their communities - and OFA is one of the groups on the front lines. Commit to this work in 2016 and beyond.*"

OFA's website says it obtained its "digital" assets from the ex-president's re-election effort and that he inspired the movement. In short, it's the shadow government organization aimed at resisting and tearing down the Constitutional Republic - AMERICA

Paul Sperry, writing for the New York Post, says OFA will fight President Donald Trump at every turn of his presidency and the ex-president "will command them from a bunker less than two miles from the White House." Sperry writes that the ex-president is setting up a shadow government to sabotage the incoming administration through a network of non-profits led by OFA, which is growing its war chest (more than \$40 million) and has some 250 offices nationwide. OFA IRS filings, according to Sperry, indicate OFA has 32,525 volunteers nationwide. The ex-president and his wife will oversee the operation from their home/ office near the White House.

Think about how this work - for example: Trump issues an immigration executive order; OFA signals for protests and statements from pro-immigrant groups; ACLU lawyers file lawsuits in jurisdictions where activist judges obstruct the laws; volunteers are called to protest at airports and Congressional town hall meetings; the leftist media springs to action; the twitter sphere lights up with social media; violence follows - all emanating from the ex-president's signal that he is heartened by the protests.

If Barack Obama did not do enough to destroy this country in the 8 years he was in office, it appears his future plans are to destroy the foundation on which this country has operated on for the last 241 years.

It is amazing how the truth is surfacing in the national media. We are on the very precipice of losing our freedom as Christians just like we lost our freedom of healthcare. Getting the root of evil in our Congress is the key. We are doing exactly that as intercessors, prayer warriors, understanding the power of action.

Last week's Faye's Facts took our prayer power to the very beginning with covering our U S Constitution with the Word of God and specific prayer. It was awesome. It will take two prayer times to cover it. Our job now is to stay on the Wall concerning the take-over of our health care by Obama and Obamacrat Republicans joining the democrats. The lies of these liberals are promoted by media propaganda that makes Hiltler look like an amateur. There are few true voices exposing the truth in the Christian or mainstream media. That is why I fight so hard just to hold on to my small candle that has the potential of becoming a beacon. The insightis God given and really leading the charge in the battle, in the spirit, we are fighting over our nation.

Mitch McConnell
Moderate Obamacrata

Let's look at three dire issues this week.

OBAMACARE

The lies of the Republicans in Congress is disgraceful. They think we are fools and they have the power to take out Pres. Trump and keep Obamacare. They do not have this power if we continue to decree; "truth will prevail". Getting out the facts is imperative at this time. Just a few points to bring out and get them out to combat the propaganda and mind control.

The law was a fraud from the on-set.

Former Senator Jim Baucus said he helped write the Obamacare bill he submitted to the senate to become law.

Truth: He did not write nor even read the bill. The Democrats admitted neither did they. They did not ask, who wrote it? Baucus got promoted by Obama to Ambassador to China.

Where is the media? It is being reported that lobbyists from insurance companies with Obama friends wrote the bill. I have a DVD and fact reports as to who did write the bill.....The Untold Story..

Question: How much money laundering is going back to lawmakers from insurance industry and others profiting from OBAMACARE billions? All lawmakers should be transparent with donations to them from anyone federally funded in the name of healthcare.

Question: Is Susan Collins receiving funds from Planned Parenthood? What about an investigation?

Question? Are Mitch McConnell and Paul Ryan receiving kick backs so they won't repeal Obamacare? Should they be forthcoming with kickbacks that keep them from Repealing Obamacare?

Did they lie to the American people and never intended to repeal it. Is this fraud?

House of Representatives are no different. Nancy Pelosi said, "we have to pass it to know what is in it". Again, a fraudulent bill passed and Obama signed it into law.

Question: How many republican members of Congress read it??

They do not want to give up CONTROL of our healthcare. They confiscated our freedom And we are picking up the bill. They had no Constitutional authority to outlaw our freedom to buy health insurance that we need and make a law forcing their will on us so the 15% who claim they can not afford healthcare can be funded by those who are responsible and work hard.

Question: The real issue is: “Why is there 22 million Americans who can not afford to buy an insurance policy in this God blessed nation?”

Question: Why are lawmakers exempt from ObamaCare and have tax paid health care for entire family? after 613 days, for life!

Question: Why is it sooo complicated for the senate to repeal Obamacare? Perhaps the billion dollar data base Ezekiel Emanuel put in the White House recording all medical care for seniors must be maintained so we are required to get permission for medical care. If we are not deemed to have a quality of life by the death panel, all liberals, all democrats, medical care can be denied. Obama is laughing out loud.

PLAN of ACTION

Pray for President Trump to stay strong and not be affected by the fiery darts from hell.

Contact representatives and voice your concerns with the truth.

Nothing short of REPEALING OBAMACARE acceptable. Bring freedom back to Americans.

Call and email media. Stand with the truth and find out why they don't know it?

Refuse to allow \$258 billion be turned over to insurance lobbyists. Ask, how much is laundered back to lawmaker's coffers.

In 2018 we have to vote them out in both parties. Their mask is coming off. Praise the Lord.

REPLACE

There is nothing to replace. Our healthcare has never been under the authority of elected leaders. NEVER! Why is it now? It is none of their business what goes on between us and our doctors! The 15-22 million have-nots need to go to the StatesMedicare is for those who can not work, not those who choose not to work. Or for the benefits to cover Nancy Pelosi and the Bush family's cheap labor working in the million dollar vineyards.

Governing should be returned to the States. NOW! The circus in DC proves we need to put the members of the House and Senate on part time with part time benefits.

They should go on Social Security and ObamaCare. NOW! We could save billions and pay down the debt they created.

WE ARE BEING HOODWINKED:

The following shows how twisted Republicans have become.

Immigration provision cut from Obamacare rollback, angering conservatives

Julia Edwards Ainsley and Yasmeen Abutaleb

WASHINGTON (Reuters) - Some conservatives in Washington were fuming on Tuesday after an Obamacare rollback bill was tweaked by Republican leaders to delete a provision meant to crack down on illegal immigrants getting federal healthcare insurance coverage. The development posed another problem for Republican leaders in the U.S. House of Representatives and President Donald Trump, who are trying to win congressional approval of the wider bill, the first big legislative test for Trump since taking office. The provision would have allowed the Treasury Department to access data at the Department of Homeland Security to verify that healthcare tax credits went only to U.S. citizens and legal permanent residents, not to illegal immigrants. In a largely procedural move, it was dropped from the bill after the Senate Parliamentarian determined that the Senate Finance Committee, which handles tax credits under the bill, does not have purview over the Department of Homeland Security. Republican Representative Lou Barletta issued a statement on Monday evening, after the change was made, saying he could no longer support the bill, citing the obscure provision. "I am concerned that the bill lacks sufficient safeguards for verifying whether or not an individual applying for health care tax credits is lawfully in this country and eligible to receive them," said the Pennsylvania lawmaker. The provision had been a key issue for conservative groups the Trump administration is trying to win over in its efforts to pass the bill known as the American Health Care Act, Trump's plan to repeal and partly replace Obamacare. Some conservatives have criticized the bill since Republican House leadership unveiled it earlier this month, dubbing it "Obamacare Lite" because they say it falls short.

Pentagon to keep paying for sex-change surgeries

House amendment to end Obama-era policy fails, with 24 GOP members joining Democrats

In this undated file photo provided by the U.S. Army, then-Pfc. Chelsea Manning poses for a photo wearing a wig and lipstick. Manning, the transgender soldier convicted in 2013 of illegally disclosing classified government information, will remain on active duty ... [more >](#)

By **Rowan Scarborough** - *The Washington Times* - Thursday, July 13, 2017

Two-dozen House Republicans broke with their pro-defense brethren Thursday and helped Democrats kill an amendment that would have barred the military from funding transgender sex reassignment surgeries and hormone therapies.

The amendment to the annual National Defense Authorization Act, which sets out policies on America's \$696 billion military budget, failed 214-209, with all Democrats and 24 Republicans opposing.

It means the military health care system will be called on to provide such surgeries as routine treatments for the first time, unless the Trump administration changes Obama-era policies that allow transgender troops to remain on duty.

The amendment was brought by Rep. Vicky Hartzler, Missouri Republican and a member of the House Armed Services Committee, who said the military will be obligated to spend \$3.7 billion the next 10 years on sex change operations.

She said the money could better be spent on weapons and readiness accounts at a time when troops are fighting Islamist terrorism and facing possible showdowns with North Korea and Russia.

"This amendment does not prevent anyone from joining the military or receiving standard medical care," Mrs. Hartzler said. "It simply makes sure our defense resources are allocated in a way that is smart and good for our national defense. This current policy of providing and paying for transgender surgeries hurts readiness."

The vote came as Defense Secretary James Mattis has ordered the military branches to study the impact of President Barack Obama's decision last year to allow open transgender troops to remain on duty rather than being automatically discharged.

Left to Mr. Mattis is a decision on whether to induct transgender people into the military. Facing a July 1 deadline, Mr. Mattis delayed a decision until at least January.

Democrats, for whom the LGBT community is a major constituent, opposed the amendment on grounds that all Americans should have a chance to serve and receive medical treatment.

House Minority Leader Nancy Pelosi, California Democrat, called the amendment "appalling" and "mean spirited."

That brought a response from Rep. Duncan Hunter, California Republican and a former Marine Corps officer. He called the Democrats' objections "the silliest opposition to an amendment I've ever heard."

He urged military candidates to "figure out if you're a man or a woman before you join ... Let's make America great again."

But Rep. Adam Smith of Washington, the Armed Services Committee's top Democrat, said: "This amendment takes us in the wrong direction ... The people who have been fighting for and protecting our country will be able to do it openly."

In another Democratic victory, the House defeated an amendment to kill the requirement that the Pentagon provide Congress with a report on how climate change is affecting the armed forces.

Similar to how the transgender amendment's backers argued, sponsoring Rep. Scott Perry, Pennsylvania Republican, called the rule an unnecessary demand not related to military needs.

“Drip by drip we have watched our military’s focus eroded,” he said.

WND...WICKED WITHIN: U.S. PLUNGES TOWARD 'OCCULTISM AND DEMONS'

Television shows featuring **exorcisms as entertainment**. Lucifer as a crime-fighting hero on television. Occult symbols used in music videos.

References to demons seem to be everywhere in American culture. And the rise in occultism comes at a time when experts, including Catholic priests who specialize in the rite, claim exorcism is becoming more common.

Now, Karl Payne, author of “**Spiritual Warfare: Christians, Demonization and Deliverance**,” argues America is becoming desensitized to images of evil promoted by the mass media.

Payne, the pastor of Leadership Development and Christian Education at Antioch Bible Church and the former chaplain of the NFL’s Seattle Seahawks, argues the promotion of demonic imagery is troubling because it hinders believers’ ability to avoid spiritually dangerous things.

“The Third Reich of Nazism clearly demonstrated that if you tell a lie loud enough and often enough some people will believe it, even if that lie results in the justification of murdering millions of innocent people. I still think it is more than an irony that some of the same entertainment pundits that view evangelical Christianity as extreme, and conservative Christians akin to dangerous terrorists for their pro-God and pro-life convictions, view and promote occult baloney as harmless, healthy entertainment.”

Payne was especially critical of how Christianity has been driven out of civic life even as overt Satanists campaign to insert their own beliefs into the public square.

“Spiritists and occultists demanding the right to promote their views while they attempt to systematically demean or censor orthodox Jews and conservative Christians from the public square, boardroom, school room, ball field or awards shows are speaking and acting in a blatantly hypocritical manner,” he told WND.

“The world would be a better place if we had more people following the golden rule of the Lord Jesus Christ. If your daughter’s car broke down in the middle of the night, would you rather she be approached for help by a Christian pastor or a Satanic priest? And yet, much of the media glorifies the Satanic priest and ridicules the Christian pastor.

And demons and the occult are now a staple of prime time television. The television show “Lucifer,” recently renewed by Fox for a third season, even portrays the devil as a cool, crime-fighting detective in Los Angeles.

PRAYER POINTS

Breaking Curses, Spells and Incantations of witches over US

Under Spiritual Warfare Attack – Breaking Spells Pray This is to help reverse curses from demonic forces

Father God, I declare that Jesus, has redeemed me from the curse of the law having become a sacrifice for me. I proclaim that I am a partaker of the inheritance of the saints of God. I give thanks unto You, Father, for delivering me from all the powers of darkness and translating me into the kingdom of your dear Son.

As one who is covered with the blood of Jesus, I here and now reject and disown all the sins, pacts, dedications, curses and occult selections of my ancestors or any relatives, specifically (name of person(s) responsible for the curse, if known), which has been passed on to me intentionally or unintentionally.

I now commit the United States of America, Donald Trump and all who voted for him, into your hands. Your Word says, “whatever I commit to you, you are able to keep.” Father, our nation is now in your keeping. Sixty-nine million of us elected to choose life and God in Nov. 2016. By electing Donald Trump as our President. Honor our choice and allow our nation to be delivered from the curses of the witches and the gods of injustice.

LADY JUSTICE **Symbolism of Lady Justice**

by Brent T. Edwards

Lady Justice is an enduring symbol for law

Lady Justice is a common sight on courthouses and legal institutions. There is regional variation on her precise depiction, though certain fundamentals are constant: She carries a sword, scales for weighing, and usually (though not always) wears a blindfold. She is garbed in a Greco-Roman toga or tunica, in the tradition of classical goddesses, philosophers and prophets. Images of her can be found across the world.

The scales date back to Egyptian times, where the god Anubis was invariably depicted with a set of scales to weigh a deceased person's soul against the Feather of Truth. The modern interpretation filters through the Enlightenment's focus on reason, as Lady Justice weighs the factors of a case to render a verdict

. The scales imply a mechanistic, rational process; too much weight (evidence) on one side will cause the scales to tilt in favor of innocence or guilt.

he Greeks had the **goddess Themis**, who stood for law, order and justice (and who, incidentally, was mother to the Fates, who themselves were noted for judging humanity). **The Roman goddess of justice, Justitia**, is the most direct inspiration, since she carried the sword, scales and blindfold we are familiar with today.

Today's Justice system is based on the occult. More about this next week. This empowers the witches who are using mystical powers to control our politicians, college and university leaders and professors, & many Christian leaders, just to name a few.

The curse we must break is the power to remove Pres. Trump from office and silence those of us who think like him. This is the wish of the witches live rituals monthly since January. We will start prayers with the following.

Breaking Spells and Dedications

In the Name of Jesus Christ of Nazareth, I ask to be redeemed and cleansed from all evil curses, incantations, dedications, spells, pacts and familiar spirits passed on to me from my parents, grandparents, great grandparents, ancestors, relatives or any other person, specifically (name of person(s) responsible, if known).

I now appropriate this nation of America, Pres. Trump, all who voted for him in the name of Jesus' work on the cross to free America and Pres. Trump, all who voted for him, from all curses. In the Name of the Lord Jesus Christ, I now rebuke, break and loose the USA, President Trump and all who voted for him to be, from all evil curses, charms, vexes, hexes, spells, incantations, jinxes, psychic powers, bewitchments, pacts, dedications or sorcery, that have been put the USA, Pres. Trump, all who voted for him or from any occult, cultic, satanic or psychic source.

I declare that all these curses, dedications or pacts are null and void, in Jesus' name. I reject every way in which Satan may claim ownership of the USA, Pres. Trump and all who voted for him and I command all these connected and related spirits to leave the government of the USA, the President, and all who voted for Donald Trump, now and never return, in Jesus' name. I declare that we are totally committed and completely signed over to my Lord, Jesus Christ. Amen.

Father, in the name of Jesus Christ of Nazareth, I thank you for cleansing America, Pres. Trump and those who voted for him and healing us from the effects of these curses, spells and incantations in the name of Jesus Christ of Nazareth and setting us free. You deserve my prayer of thanksgiving because you are worthy of praise who came in the flesh to save us all from the Works of the Devil. I thank you for freeing us and breaking curses, spells and incantations off us.

Bring down traitors and liars in the White House, Justice Department, including Special Council, Robert Mueller and all liberal lawyers he hired, in the Senate, House of Representatives, Judiciary, federal agencies, State and local governments, in positions of authority in our colleges and universities. Bind the empire of evil women and bankrupt their organizations and Obama's organizations that plan jihad in our streets and are committed to overthrowing our government.

Expose all money laundering they are doing and all kick backs they have and are taking.

Set our healthcare free for government control. Abolish the death panel and the data base tracking seniors medical care. Now praise the Lord for breaking curses through breaking curses prayer

We loose America Pres. Trump and all who voted for him from the injustice goddesses and pull down her control and deception. The Greeks had the goddess Themis, who stood for law, order and justice (and who, incidentally, was mother to the Fates, who themselves were noted for judging humanity). The Roman goddess of justice, Justitia, is the most direct inspiration, since she carried the sword, scales and blindfold we are familiar with today.
