FAYE IS FACING DOWN THE LIBERALS' TAKE OVER OF OUR NATION, LIVES, WOMEN, CLASSROOMS, AND CHRISTIAN FREEDOMS!

Our ministry must take a stand against their bigotry. They describe the Bible as a RACIST book that needs to be removed. The attack on those of us who refuse their lies are under assault.

Is their goal really to confiscate our Bibles because it is a threat to their liberal take-over?

Face the Facts:

I GOT A CALL AUGUST 20TH 2017 FROM SUSANNE JACOBSON, RELIGION EDITOR, ORLANDO SENTINEL, After one hour of answering her questions about me and this ministry I asked her how she found out about me? She said I was listed on the Southern Poverty Law Center HATE list.

She was checking to see if I might be a participant in bringing Charlottesville, VA to Orlando (i.e. terror/ jihad to our streets). However, after talking to me she could find nothing that would cause her to fear me or this ministry. I gave her website info and told her who the Haters were. None of which were listed on the SPLC website.

A couple of days later I received an email from a friend in Miami. He told me to go to the website of Miami Channel 10 News ABC News. They had my organization listed on the SPLC list of Hate organizations that included the KKK, White Supremes' and Islamic terror organizations.

FLORIDA [#]

Liberty Counsel quote:

The SPLC is a dangerous group because it creates a "Hate Map" listing "hate groups." Mark Potock, with the SPLC, in an interview admitted: "Our criteria for a 'hate group,' first of all, have nothing to do with

criminality, or violence, or any kind of guess we're making about 'this group could be dangerous.' It's strictly ideological."

All hate groups have beliefs or practices that attack or malign an entire class of people, typically for their immutable characteristics."

SPLC Uses Their Hate Map to Advance a Political Agenda

One example of the SPLC's tactics is its "Interactive Hate Map." The SPLC Hate Map is a scam designed to portray political organizations that disagree with the SPLC in a negative light. Pitched as an easy-to-use list of hate groups, it's really just a mash-up of organizations that hold political views opposed to those pushed by the SPLC. There are a few genuine hate groups tossed in – most of them neo-Nazi organizations. But the presence of a small number of actual hate groups merely seems calculated to lead map users to the conclusion that mainstream political opponents of the SPLC are guilty by association.

Designed by the Southern Poverty Law Center and published on SPLCenter.org, the "Hate Map" only contains information that the SPLC wants you to see. Anything that might accurately portray a group of which the SPLC disapproves is deliberately left out. While the map may have once had noble intentions, it now has a sinister dark side. Overall, the "Hate Map" actually contains very little accurate, useful information. *Map details where Florida hate groups are in 2017:*

This list was compiled using hate group publications and websites, citizen and law enforcement reports, field sources and news reports. Groups that appear in the center of states represent statewide groups.

An attorney for the Liberty Counsel told Local 10 news that the Liberty Counsel is not a hate group.

"We hate no one, and love all people. All people have inherent dignity and deserve respect because they are created by God in His image," Richard Mast said in an email.

President Donald Trump, facing mounting pressure from Republicans and Democrats alike, did what declined to do over the weekend during an event at the White House on Monday when he directly condemned white supremacists and neo-Nazis in a brief statement to reporters.

“Racism is evil -- and those who cause violence in its name are criminals and thugs, including KKK, neo-Nazis, white supremacists, and other hate groups are repugnant to everything we hold dear as Americans,” Trump said in response to the attacks in Charlottesville, Virginia, over the weekend. “Those who spread violence in the name of bigotry strike at the very core of America,” Trump said.

The comments came in a hastily scheduled White House event in the Diplomatic Reception Room, where Trump -- speaking with the help of a teleprompter -- spoke straight to camera after meeting with FBI Director Christopher Wray and Attorney General Jeff Sessions to discuss the Department of Justice’s civil rights investigation into the attack. “To anyone who acted criminally in this weekend’s racist violence, you will be held fully accountable,” said, *“Justice will be delivered.”* Trump had been excoriated for his unwillingness to condemn the groups behind the violent protests that left one woman dead who was hit by a car allegedly driven by a man with ties to white supremacy groups.

Gallows Tree Wotansvolk Alliance (Neo-Nazi) - Statewide
Supreme White Alliance (Racist Skinhead) - Statewide

After blaming the violence “on many sides” Saturday, Trump stayed silent for close to 48 hours, letting his trademark bluntness and campaign pledges to call terrorism what it is succumb to silence and vagueness.

Trump was asked by reporters after he spoke why he waited so long to condemn these hate groups by name and did not respond.

I have never spoken to Channel 10 News or been contacted by them. I was stunned to see my name there. I then was told that the same list on was CNN and Amazon just to name a few.

A professor from a liberal university was on Tucker Carlson, Fox News said she used this list to warn her students about the dangers of fascists.

I am not and never have been a fascist or participated in spreading hate. I do not participate in the NASTY WOMEN’S organized vulgar, violent mobs described as protestors. We are a ministry dedicated to the power of patriotic prayer, reaching out to the widows and fatherless and educating Christians concerning the spiritual battle over our nation and how our government works so we can have an effective Christian influence in high political places. The character we support is Biblically based.

The insult of the accusations by the SPLC including character assignation has been defamatory and slanderous. Their definition of HATE is misuse of the English language. TWISTING THE TRUTH is one of the methods liberals use to demean Christians and falsely depict us as Haters, fascists and white supremacists.

“...refused to designate the radical leftist movement known as “antifa” as a “hate group,”

The Southern Poverty Law Center (SPLC), a liberal, Alabama-based legal advocacy nonprofit and civil rights watchdog, recently refused to designate the radical leftist movement known as “antifa” as a “hate group,” despite acknowledging that its members use violence and oppose free speech.

However, Cohen refused to label antifa a “hate group” since its members do not discriminate on the basis of race, sexual orientation, or other categories protected by anti-discrimination law. (What a joke? All organized mobs are freedom loving protesters with rights to burn down towns, college campuses, riot against law enforcement.)

WND reported last month when SPLC’s president, Richard Cohen, defended his group’s attacks on Christians.

He wrote in a Huffington Post commentary that Christians deserve the designation because they “sow the seeds of hate” for, among other things, adhering to a biblical perspective on homosexuality.

Mark Potock is on video in a public meeting stating: -Sometimes the press will describe us as monitoring hate crimes and so on. I want to say plainly that our aim in life is to destroy these groups, to completely [destroy them...](#)”

During the Obama administration, the SPLC frequently visited the White House. The SPLC even peddled its false ideological propaganda for some in the military until their extremism and false reporting got the group removed.

CHRISTIANS ARE FIGHTING BACK FOR THE FIRST TIME!!!!

Pamela Geller: GuideStar Removes SPLC “Hate List” Label from AFDI, 40 Conservative Orgs. “The ‘hate group’ list is nothing more than a political weapon targeting people it deems to be its political enemies.

The SPLC has no bona fides to make such determinations. It is not a governmental organization using a rigorous criteria to create its lists, and it is not a scientifically oriented organizations.

The SPLC doesn’t even pretend to identify groups on the political left that engage in “hate.” Mosques or Islamist groups that promote radical speech inciting anti-Semitism and actual violence are not listed by the SPLC even though many have been publicly identified after terrorist attacks. Radical, violent leftist environmentalists or speech suppressing thugs – like the rioting “antifa” movement – receive no mention from the SPLC.

The Philanthropy Roundtable recently published an article about the SPLC pointing out the false labeling. The SPLC even labeled famed surgeon Dr. Ben Carson as a “hater.” The SPLC rakes in millions of dollars each year and has huge financial reserves, causing some to wonder what nonprofit work the SPLC does.

RUSH LIMBAUGH ERUPTS ON ‘LEFTIST FREAKS’ AT SPLC

‘All you have to do is disagree with them and you are called a hater’ The leftists at the Southern Poverty Law Center, which started out fighting the evil of the KKK and its kin, in recent years have transformed their organization into an arbiter on issues such as homosexuality, marriage and immigration.

The following are not on the SPLC Hate List: Why not?

Groups and public figures who disagree with the SPLC's agenda are put on its "hate" map.

But SPLC's "hate" map designations have been linked to two mass shooting attempts in Washington, including on members of Congress, and many groups on the list are fighting back. Suddenly, it's the SPLC that's being called a "hate" organization, retractions are being demanded from newspapers that cite its propaganda and lawsuits are being filed.

On Tuesday, it was talk-radio icon Rush Limbaugh, who had had enough, saying SPLC "is treated as the Vatican" by many in the national media.

"The Southern Poverty Law Center is perhaps one of the biggest hate groups on the left. They tar and feather and slander right-wing groups and call them hate groups," he said. "They've got a map on their website, and whenever a right-wing group that says or does anything that the Southern Poverty Law Center, which is a bunch of leftist freaks, all you have to do is disagree with them and you are called a hater."

These are the people that want to shut you up if you say something they disagree with. You don't even have to be saying it about them.

"Basically all you have to do is be a prominent conservative or run a prominent conservative 501(c)(3) fundraising organization. If your conservative group raises money, then the Southern Poverty Law Center is out to destroy you.

The National Center for Life and Liberty recently filed a lawsuit on behalf of D. James Kennedy Ministries against the SPLC and others.

Citing the Civil Rights Act of 1964, the suit charges religious discrimination by "trafficking in false or misleading descriptions of the services offered under the ministry's trademarked name; and for defamation pursuant to Alabama common law arising from the publication and distribution of information that libels the ministry's reputation and subjects the ministry

to disgrace, ridicule, odium, and contempt in the estimation of the public."

In June, SPLC supporter James Hodgkinson shot Rep. Steve Scalise., R-La.; Zach Barth, a staff member for Congressman Roger Williams; former congressional staff member Matt Mika; and two U.S. Capitol Police officers at a Republican congressional members practice for a charity baseball game just months ago. SPLC had demonized Scalise for promoting white supremacy and clearly tried to infer "that Rep. Scalise is a so-called 'hater.'" Hodgkinson had "liked" SPLC's Facebook page.

"SPLC had demonized Scalise for promoting white supremacy.."

Faye's Partner Update | 10-14-17

Dear Partners,

We have been working towards this time for months. You have prayed, believed, and supported me financially in an unbelievable way to declare war on the radical, godless take over, especially in the media, of our freedom to worship and declare Jesus as Lord over this nation. God spoke to me months ago, not to talk about the Saul Alinsky Liberal Radicals, especially Hillary Clinton, but to talk to her. This took more faith than I thought I could ever have. After all I was bedridden for months at a time with one attack after another on my health.

Praise God, you never left me and I never left you. We marched through the floods and the fire together holding our torch high. God has honored our obedience, dedication and faithfulness.

The Virtuous Woman's Movement has launched.

Our goal is to combat Hillary Clinton, Linda Sarsour, and the millions of Nasty Women who slanders, assassinate our Character, intimidate, bully, and silence us while they do everything in their power to remove President Trump from office. They organize mobs using our classrooms as a captive audience to indoctrinate and brainwash our youth with their wicked, godless, liberal agenda. Full report last week's Faye's Facts.

We now have a media team that one of the best because you gave. Gabriel and Corey produce and video my T V program. They are taking our message to the social media outlets. It is working! Praise God for their support and advise. We are now on Facebook live, weekly. We are reaching thousands of new Christians and many are stepping up to the plate to support the Virtuous Woman's Movement.

Our message:

Hillary Clinton and Nasty women, you do not speak for me"/ I am not ashamed of the Gospel of Jesus Christ. The first lady, Melania does America proud. is now a petition for women to sign and stand with me and God.

We created a website, FayeVWM.com to collect signatures. At this time, we are promoting the website so we will soon have thousands of women to use against Hillary Clinton's claim that she is the leader of women's rights nationwide. SHE IS NOT!!! Her role model is a disgrace. She and her vicious, mean, hateful, liberal friends must be confronted. Her message must be challenged with the truth. We are doing this. See the photo below. We are sending this in internet airwaves. The Virtuous Woman's t shirt is awesome. You must get one. I am using this to give women A CHOICE.....IT IS TIME FOR CHRISTIAN WOMEN TO LEAD THE PRO CHOICE MOVEMENT. WE CHOOSE TO SERVE A LIVING GOD. THE PRICE IS FREE.... WILL YOU DO THREE THINGS TODAY?????

1. WILL YOU BECOME A SPONSOR WITH A GIFT OFFERING TODAY??? Hillary & liberal radical friends have over \$40 million to get their message out. I NEED HELP NOW.....
2. Go to **FAYEVWM.COM** AND SIGN MY PETITION. FORWARD WEBSITE TO FRIENDS AND HELP ME QUICKLY TO GET THOUSANDS OF WOMEN TO STAND UP FOR GOD WITH THEIR LOUD VOICE?
3. WILL HAVE NEXT WEEK A PETITION ENCLOSED WITH FAYE'S FACTS. THEY ARE BEING PRINTED.
4. PRAY FOR ME AND OUR STAFF TO HAVE FAVOR WITH GOD AND MAN.

NEXT: We have hired an attorney to take our case against the SOUTHERN POVERTY LAWCENTER'S ATTACK ON INSIGHTUSA. My daughter found her in a day and her office close to the SOUTHERN POVERTY LAW CENTER headquarters in Montgomery, Ala. She has written a letter to the SPLC to remove InsightUSA off their Hate List and Hate Map. They have two week. We plan to sue Channel 10 News, Miami, Fla. And more. You have the facts in this letter. Will tell you more about this next week. Right now we must receive \$10,0000 now to go forth.

Also, I need to travel to Montgomery to tape our television program in front of their headquarters to break occult powers giving them victory after victory bringing Christians under submission to their lies. I plan to interview Judge Roy Moore and bring to the forefront that it was an Ala. Lawyer, Hugo Black, that led the Supreme Court's decision to rule the lie of the separation of church and state. That lie must be reversed. Judge Moore will make that a reality. Just watch. Anyone that God has richly bless, will plant a seed of \$1,000 or more today. We have no time to waste.
