REPOSSESSING THE LAND WILL BRING NASTY WOMEN TO NAUGHT!

The Lord spoke to us last year that our mission this year would be “possessing the land”. I had no idea at the time what was ahead of us. In the last Faye’s Facts I exposed the agenda from hell being implemented by wicked “nasty” women; organized, funded and positioned to fight against every one of us who dare believe in God, His Word or His values. They are doing this by bullying, threatening, riots, and mobs. These women control most our academia class rooms all grades. They are presidents, professors, and speakers at the majority of higher learning institutes. They want our daughters and thus far have recruited and seduced millions of them. This week you will see just how vile they are. Not to glorify Satan but to call the women of God to the front lines to abort their plots.

On our Saturday’s free conferencing call the Lord gave Judith the Word for our mission. It is in Jeremiah 9.
Verses 1-6 - Describes these women!

9 *Oh that my head were waters, and mine eyes a fountain of tears, that I might weep day and night for the slain of the daughter of my people!*

2 *Oh that I had in the wilderness a lodging place of wayfaring men; that I might leave my people, and go from them! for they be all adulterers, an assembly of treacherous men.*

3 And they bend their tongues like their bow for lies: but they are not valiant for the truth upon the earth; for they proceed from evil to evil, and they know not me, saith the LORD.

4 Take ye heed every one of his neighbour, and trust ye not in any brother: for every brother will utterly supplant, and every neighbour will walk with slanders.

5 And they will deceive every one his neighbour, and will not speak the truth: they have taught their tongue to speak lies, and weary themselves to commit iniquity.

6 Thine habitation is in the midst of deceit; through deceit they refuse to know me, saith the LORD.

Verse 7 = God promises us He will try them!

7 Therefore thus saith the LORD of hosts, Behold, I will melt them, and try them; for how shall I do for the daughter of my people?

Verses 8 – 11 God Avenges His Soul

⁸ Their tongue is as an arrow shot out; it speaketh deceit: one speaketh peaceably to his neighbour with his mouth, but in heart he layeth his wait.

⁹ Shall I not visit them for these things? saith the LORD: shall not my soul be avenged on such a nation as this?

¹⁰ *For the mountains will I take up a weeping and wailing, and for the habitations of the wilderness a lamentation, because they are burned up, so that none can pass through them; neither can men hear the voice of the cattle; both the fowl of the heavens and the beast are fled; they are gone.*

¹¹ *And I will make Jerusalem heaps, and a den of dragons; and I will make the cities of Judah desolate, without an inhabitant.*

¹² Who is the wise man, that may understand this? and who is he to whom the mouth of the LORD hath spoken, that he may declare it, for what the land perisheth and is burned up like a wilderness, that none passeth through?

Verses 13 – 16 The Driving Force Behind These Wicked Women

¹³ And the LORD saith, Because they have forsaken my law which I set before them, and have not obeyed my voice, neither walked therein;

¹⁴ But have walked after the imagination of their own heart, and after Baalim, which their fathers taught them:

¹⁵ Therefore thus saith the LORD of hosts, the God of Israel; Behold, I will feed them, even this people, with wormwood, and give them water of gall to drink.

¹⁶ I will scatter them also among the heathen, whom neither they nor their fathers have known: and I will send a sword after them, till I have consumed them.

Verses 17 – 22 Intercessors with Insight's 2017 Mission

¹⁷ Thus saith the LORD of hosts, Consider ye, and call for the mourning women, that they may come; and send for cunning women, that they may come:

¹⁸ And let them make haste, and take up a wailing for us, that our eyes may run down with tears, and our eyelids gush out with waters.

Verse 19 – The take over of our youth is described

¹⁹ For a voice of wailing is heard out of Zion, How are we spoiled! we are greatly confounded, because we have forsaken the land, because our dwellings have cast us out.

Verse 20 – The Path to Victory and WE Must Do this NOW

²⁰ Yet hear the word of the LORD, O ye women, and let your ear receive the word of his mouth, and teach your daughters wailing, and every one her neighbour lamentation.

²¹ For death is come up into our windows, and is entered into our palaces, to cut off the children from without, and the young men from the streets.

²² Speak, Thus saith the LORD, Even the carcasses of men shall fall as dung upon the open field, and as the handful after the harvestman, and none shall gather them.

²³ Thus saith the LORD, Let not the wise man glory in his wisdom, neither let the mighty man glory in his might, let not the rich man glory in his riches:

²⁴ But let him that glorieth glory in this, that he understandeth and knoweth me, that I am the LORD which exercise lovingkindness, judgment, and righteousness, in the earth: for in these things I delight, saith the LORD.

²⁵ Behold, the days come, saith the LORD, that I will punish all them which are circumcised with the uncircumcised;

²⁶ Egypt, and Judah, and Edom, and the children of Ammon, and Moab, and all that are in the utmost corners, that dwell in the wilderness: for all these nations are uncircumcised, and all the house of Israel are uncircumcised in the heart.

LOOK AT WHAT WE ARE UP AGAINST: Hillary Clinton, Obama and all democrats are organizing these “Nasty Women”. They are promoting Islam and Communism. Their role model for disrupting, intimidating mobs is the uncivilized Mid East culture. Muslims have gotten away with the uncivility and make it a lucrative business. **They do not co exist.** They all have claim they are the only ones worshipping the real messiah. They torture, steal and kill those who will not conform, even their own brothers. The United Nations covers their schemes and rewards their barbarian acts. The world support this with **NO CONDITIONS TO THEIR PAY OFFS IN THE MILLIONS.** They have their front men, such as G W Bush, John McCain, Rubio, Graham, all of Hollywood, all democrats, Clinton and Obama.

The Next Anti-Trump Women’s March Being Led By Convicted Muslim Terrorist Rasmae Yousef Odeh

Organizers have in mind a “general strike” called the Day without a Woman. In a manifesto published in The Guardian on Feb. 6, the brains behind the movement are calling for a “new wave of militant feminist struggle.” That’s right: militant, not peaceful.

TRUNews correspondent Edward Szall received an email last week inviting him to sign up for updates from the ‘press office’ of Barack and Michelle Obama.

Here's the left's next great idea for bringing down President Trump: another women's march.

EDITOR'S NOTE: The [Day Without A Woman](#) march, to be held in Washington on March 8, is the [second such anti-Trump march](#) that is being organized by Muslim operatives who seem to have taken control of the Democratic Party. The organizers are calling upon women to "rise up in militant struggle" against our new president.

Which means another public instance of Trump haters shouting slogans to one another and mistaking it for constructive politics. What progressives need to defeat Trump is outreach, but all they have is outrage.

On March 8, organizers seem to be aiming for a different vibe than the librarians-in-vagina-hats element that made the first women's march after Trump's inauguration so adorable.

Instead of milling around Washington, organizers have in mind a "general strike" called the [Day without a Woman](#). In a manifesto [published in The Guardian on Feb. 6](#), the brains behind the movement are calling for a "new wave of militant feminist struggle."

That's right: **militant, not peaceful**.

Muslim Anti-Trump Protestors plan 'A Day Without A Woman'

The document was co-authored by, among others, Rasmea Yousef Odeh, a convicted terrorist.

Odeh, a Palestinian, was convicted in Israel in 1970 for her part in two terrorist bombings, one of which killed two students while they were shopping for groceries. She spent 10 years in prison for her crimes. She then managed to become a US citizen in 2004 by lying about her past (great detective work, INS: Next time, use Google) but was subsequently convicted, in 2014, of immigration fraud for the falsehoods. However, she won the right to a new trial (set for this spring) by claiming she had been suffering from PTSD at the time she lied on her application. Oh, and in her time as a citizen, she worked for a while as an ObamaCare navigator.

You can see why she's a hero to the left. Another co-author, Angela Davis, is a Stalinist professor and longtime supporter of the Black Panthers. Davis is best known for being acquitted in a 1972 trial after three guns she bought were used in a courtroom shootout that resulted in the death of a judge. She celebrated by going to Cuba.

A third co-author, Tithi Bhattacharya, praised Maoism in an essay for the International Socialist Review, noting that Maoists are "on the terrorist list of the US State Department, Canada, and the European Union," which she called an indication that "Maoists are back in the news and by all accounts they are fighting against all the right people." You know you're dealing with extremism when someone admits to hating Canada.

The International Women's Strike is meant to be a grassroots affair, with [womensmarch.com](#) promising more information about how to participate in local protests across the US. Women around the country are being urged to walk off their jobs and join a demonstration near them.

According to [The Guardian](#) piece, women should spend their day "blocking roads, bridges, and squares, abstaining from domestic, care and sex work" and "boycotting" pro-Trump businesses. Also every woman is supposed to wear red in solidarity.

The bristling tone of the manifesto and its call for a "militant" uprising are yet another

indicator that liberals are increasingly willing to justify violence in the name of opposing Trump. After the Berkeley campus erupted in flames and violence to protest the planned appearance of Milo Yiannopoulos, many progressive activists took to Twitter to cheer them on. Hollywood stars Debra Messing and Sarah Silverman both tweeted their support, with Messing saying, “RESISTANCE WORKS” and Silverman ranting: “WAKE UP & JOIN THE RESISTANCE. ONCE THE MILITARY IS W US FASCISTS GET OVERTHROWN. MAD KING & HIS HANDLERS GO BYE BYE.”

Progs are equally enthusiastic about the idea that it’s OK to punch people as long as you hate them: “Stranger Things” star David Harbour said at the Screen Actors Guild awards, “We will, as per Chief Jim Hopper [the character he played on the show], punch some people in the face when they seek to destroy the weak and the disenfranchised and the marginalized.” Nice liberal Democrats should be aware that this newer, angrier cohort is just as hostile to their own party. “I have problems with the Democratic Party that is just as linked to the corporate capitalist structure as the Republican Party,” Davis said at a rally last year.

Anti-Trump activism seems to have little to do with the political arts required to win elections — finding common ground, forging alliances, making friends. Instead all of these demonstrations are about denouncing enemies, and making yourself feel better about the November defeat by gathering publicly with those who share your rage. This sort of thinking leads to such self-defeating acts as interrupting traffic in places like New York City (where Trump got 18 percent of the vote) or San Francisco (9 percent).

Urgent! Pray for President Trump as Witches Launch Global Curses Against Him

by Jennifer LeClaire : Feb 24, 2017 : Charisma News

<http://macarthur.charismanews.com/opinion/watchman-on-the-wall/63264-witches-worldwide-vow-to-cast-spells-on-trump-all-spring>

"America's born again Believers should cover President Trump in prayer. It's obvious that the demonic realm is stirred by his presence. It's also obvious that the ... globalist community is going berserk over a Trump presidency. These are simply signs to those of us who know God's Word that President Trump is being used by the Lord in these prophetic times. Pray for him. Pray for our nation. And, then, get on with the work of the Kingdom." — Pastor Carl Gallups

(Washington, DC [Charisma News](#))

With urgency in his voice, Kubal explained about a worldwide call for witches—and those willing to attempt witchcraft for the first time—to cast a spell harming Donald

Trump.

According to IFA, the ritual is to be done at the stroke of midnight on waning crescent moon ritual days, which are Feb. 24 (midnight, Friday evening), March 26, April 24, May 23, June 21 (especially important as it is the summer solstice), etc. until Trump leaves office.

**God-Hating Democrats Attack Melania Trump For Reciting 'The Lord's Prayer'...

Melania Trump prays, assails critics in Florida speech

MONDAY FEBRUARY 20 2017 [email](#) [print](#)

In Summary

MELBOURNE

First Lady Melania Trump, usually a demure and soft-spoken presence at her husband's side, broke with form Saturday, reciting the Lord's Prayer before issuing a scathing rebuke of his enemies and her critics at a campaign-style stop in Florida.

Preceding her husband on the dais at a rally in the city of Melbourne, the first lady started her remarks with the words "let us pray", before beginning her recitation of the well-known Christian prayer.

"Our Father, who art in Heaven, hallowed be thy name. Thy Kingdom come, thy will be done, on Earth as it is in Heaven," Mrs Trump re

ad from the lectern, wrapping up the roughly half-minute-long prayer with an "Amen".

She then launched into an uncharacteristically strident defence of her husband — and her own brief tenure as first lady.

"The America we envision is one that works for all Americans and where all Americans can work and succeed," she said.

"A nation committed to a greater civility and unity between people from all sides of the political divide. I will always stay true to myself and be truthful to you, no matter what the opposition is saying about me," said the first lady, wearing a red frock with a fitted waist and flared skirt, her mane of blonde hair blowing slightly in the breeze.

"I will act in the best interests of all of you. I'm committed to creating and supporting initiatives dear to my heart. Which will have impact on women, and children all around the world," she said. "My husband is creating a country of great safety, and prosperity," the first lady said before introducing President Donald Trump, ceding the podium to cheers and applause.

Melania Trump has been a rare presence with her husband since the inauguration.

To the dismay of some critics, she has decided to continue living at their palatial residence in Trump Tower in New York until their 10-year-old son Barron finishes the school year.

Purists and traditionalists have been disappointed that the first lady has not kept with precedent and immediately joined her husband in the White House residence.

Is Obama forming a shadow government to resist Trump?

February 13, 2017 (TRUNEWS)

Is former President Barack Hussein Obama diligently and covertly forming a shadow government to resist President Trump? Harry Valentine sent me the following email from DC. We need to take note. Obama is not aware that he has lost his occult power. It was broken last year. After reading and researching the info we need to challenge the Obama in Action organization that he is using to organize and train anarchists to silence all of us he can not control and who refuse to convert to Islam. Obama is using bullying, intimidation, harassment, mobs, riots, to target those he sees as enemies of Islam. Masquerading as protesters his uncivilized anarchists must be subject to the laws. He is using the culture of Islamic controlled nations to force silencing those who voted for Trump. Obama should be under surveillance by the Justice Dept. The American people sent him, Hillary and the democrats a message: "America is turning back to God".

(WASHINGTON, DC) During an interview with Fox and Friends Weekend on December 18th 2016, former **TRUNEWS guest Ed Klein said Barack Obama was setting up a shadow government to resist President Trump.**

Here is a transcript of part of that interview:

Ed Klein: For the past 100 years every president who is outgoing has packed up his stuff gone home and not criticized his successor. This is not what the Obamas are planning to do. They rented an eight-bedroom mansion in the section of Washington near Joe Lockhart, Bill Clinton's last press secretary. In that house there's enough room for Valerie Jarrett and Michelle and the kids. A place for ten cars to park. They are setting up what they are calling a shadow government.

Pete Hegseth: The Obamas claim it is because the children want to stay in D.C..

Ed Klein: That's not the real reason they are staying there. They are staying there because despite what the president said in his press conference, he's in a sense of outrage over this incoming Trump Administration, which he thinks is going to wipe out his legacy. So he's setting up this kind of almost insurgency, picking people in foreign affairs, labor, abortion, union matters and setting them up to start appearing on television, making speeches and doing op-ed pieces for next four years, you're going to see not only a Trump Administration but you're going to see a shadow government opposing the Trump...

Klein's suspicion was bolstered by an editorial which ran in the [New York Post](#) this weekend from Paul Sperry, the author of "The Great American Bank Robbery".

Sperry wrote:

In what's shaping up to be a highly unusual post-presidency, Obama isn't just staying behind in Washington. He's working behind the scenes to set up what will effectively be a shadow government to not only protect his threatened legacy, but to sabotage the incoming administration and its popular "America First" agenda.

He's doing it through a network of leftist nonprofits led by Organizing for Action. Normally you'd expect an organization set up to support a politician and his agenda to close up shop after that candidate leaves office, but not Obama's OFA. Rather, it's gearing up for battle, with a growing war chest and more than 250 offices across the country.

Since Donald Trump's election, this little-known but well-funded protesting arm has beefed up staff and ramped up recruitment of young liberal activists, declaring on its website, "We're not backing down."

PRAYER POINTS

Take Authority over witchcraft over Pres. Trump and the USA.

Pray the following: The Democrats in Congress and the Party have sold their soul to Satan. Their power is in the support of the left wing radical lying liberals in the media. We must break that three fold cord as we pray.

Father God, in the name of Jesus Christ, we bind and break all witchcraft, curses, spells, and powers - and through the Blood of the Lamb - destroy the works of every witch, warlock, wizard, sorcerer and all other powers of darkness.

Through the Blood of Jesus Christ we break all their powers - including the influences of witchcraft, evil powers, spells, hexes, vexes, voodoo, hoodoo, roots, potions or any such things - off every person who will read this book or web site. For them also we invoke Psalm 80:18, "so we will not go back from thee: quicken us and we will call upon thy name" so that those who read this will understand, remember and apply consistently what they read.

Through the Blood of Jesus Christ we also bind up and destroy all their spirit-guides, helps, and shields of these workers of evil, and leave them without any strength - stripped of their evil power and influence.

In the name of Jesus Christ, and by the Blood of the Lamb, we now seal up their powers within themselves, so that they cannot use them on anyone, and that their works might be destroyed, in the hope that their souls might be saved for the glory of God. AMEN

Pray for corruption be exposed of Obama after leaving office. i.e. if he took files from government he plans to use against Pres. Trump or anyone in new government. Jesus said He came to expose and destroy the works of the devil. Include Valerie Jarrett and any of Obamanites still in position.

Ask God to send His angels to clean out all federal agencies of traitors planning to sabotage our new President.

Pray for Justice Dept. to stop Obama's hired agitators, anarchists, mobs, rioters.

Pray for God's people to rise and take back our schools, colleges and universities. <My vision and burden is for Christians to start Bible Studies in chapels on college campuses daily.

Pray for churches to adopt a campus and a local school and send Bible Study teachers to be available to the students.

The Word will not return void. This will remove the captive audiences of socialism.

We need vision.

Pray for Life Line Partners to come forth so we can combat the take over of the NASTY WOMEN.

I really need your support this month. Our work is cut out for us and our intercessors are right on.

This prayer request is from our good friend Jason Hershey. He is on the front lines. We must thank God Christians are free after 16 years of America being forced to equate Islam to a Holy God. We must take advantage of it. President Trump has put God back in His place in the White House. Melania has put His Word front and center without apology. Our prayers are breathtakingly being answered. To God be the glory! What we must do now is see Justices reverse the separation of church and state. We must blanket the inner city with missionaries and witnesses for Christ. Our ministry is birthing this in the spirit.

Pray for Jason. Also, pray for my strength. I had a major attack on my health but am recovering now.

Our mission will go forth. We will break the power of NASTY WOMEN this year.

Help us make history... Dear Friends,

We are waiting... sort of like a missionary in a closed nation. (By not renewing our visa, we are being removed from our field.) What do we do now? We have until March 10 to find a new place for David's Tent. In the midst of this, I must tell you, I sort of had a moment that I'll never forget.

Last Thursday was one of my favorite days ever! David's Tent DC, at it's core, carries the conviction that Jesus is Worthy of the highest praise, honor.... pretty much everything! "May the Lamb of God receive His just reward!" resonates deeply from our songs each day. Last Thursday I found myself in a congressional office building joyfully lobbying for Jesus to receive a 24 hour love song from federal land in our Capital City...(gasp)

... FOREVER! (That's really the rub here. It's the perpetuity of what we do that's created the conflict.)

With Davids Tent on the brink of being shuttered, I find myself appealing to those higher in government for Jesus' right to be honored like this in DC. What I like about our current position, is that David's Tent DC can't really continue unless those in governing seats take specific intentional action. Don't you think that would be spiritually significant to have our nations governmental leadership take action on this? (2 Chronicles 7:14; Psalms 2)

Let's keep on praying! God is our ultimate mover and shaker, and history maker! But also, let's take action. Let's exercise our faith by doing something. Let's knock on doors! It would be spiritually significant for you to take action too, for the exaltation of Jesus and Glory to God.

If you haven't contacted your Representative or Senator yet, please joyfully lobby with me, as a worship service to the Lamb! May it be one of your favorite days too!

**IF YOU NEED A LIFE LINE.....SOW A LIFE
LINE SEED TODAY.....\$125.....\$1225....**

GOD BLESS!
