the media and false prophets. Indoctrinating academia. Our Saturday free conferencing prayer and briefing call is so led by the Holy Spirit because our prayer warriors are in one mine and one accord seeking God on behalf of this nation's spiritual battle, brought on by the issues of the day. They are nationwide and the most informed network I know.

What happened last week in the decisions the Supreme Court made will cause grave consequences in the nation. Even though we are led to believe the majority of our Justices are God fearing pro American, finally; that is not the ease. We have seen the mask come off of Roberts and Gorsuch.

The following Scriptures describes them: along with the liberal radicals who stand steadfast in their agenda to remove God and freedom to follow God according to Biblical values, in our nation.

### **Holding the Court in Contempt**

**June 18, 2020**

By Tony Perkins At a time when Congress is lucky to scrape together an 11-percent confidence rating, a majority of Americans have expressed an unusual level of faith in our justices. Maybe they still believe SCOTUS is above the political fray. But trust in the court may become increasingly difficult after Monday's "legislative" decision by six justices to redefine the meaning of biological sex.

The Supreme Court wasn't built to write laws -- so it shouldn't be any surprise that they're lousy at it. Justice Neil Gorsuch himself said the court would make rotten legislators, and then, to everyone's surprise, set about proving it. Together with five other activists, he didn't just decide to ignore the plain text of the law when he ruled men could be women -- he ignored the plain facts of humanity.

And, as far as Senator Mike Lee (R-Utah) and others are concerned, set America's future down a path of absolute chaos.

*"Justice Gorsuch took a meat cleaver to the issue of how the Civil Rights Act of 1964 should apply to LGBT individuals,"* Senator Lee argued on "Washington Watch." And because of that, he says, Congress is going to have to "figure out how to clean up the mess." And it's a big one.

*"The biggest problem,"* he insisted, *"was that he made a legislative determination. He effectively rewrote the law. And when you rewrite the law through a judicial opinion, that's a very crude way to operate."*

*It's not precise and it leaves... all sorts of questions [especially for] for religious institutions... completely [unanswered]."*

And the justices knew it. The majority was quite clear that all of these other issues their ruling created would have to wait for another day.

*"Unfortunately,"* Senator Lee shook his head, *"what that really means is we're going to leave that for a lot of other days... I'm convinced that not only my children, but my grandchildren's generation will still not see the end of litigation resulting from the Bostock decision. Because when you take this kind of cleaver to federal law, it's going to take not just years, but decades to iron out all the details. And there are going to be some real heartbreaking stories in the wake of it."*

How Gorsuch, a man who calls himself a textualist, could even arrive at such a conclusion is astounding. His whole logic, Lee said, is "tortured." And now the American people are the ones who have to live with the pain. Like Senator Josh Hawley (R-Mo.), who gave a floor speech for the ages on the need for conservatives to rise up and refuse to take this, Senator Lee hopes this is an aberration for Gorsuch. But either way, Republicans in particular have to "go

beyond just taking [nominees] at their word. We cannot take chances anymore.

There's too much on the line." When these vacancies occur, we can't just take the establishment's word for it. We need to know from the nominees' record that they will not remake the law in their own image. If that makes the appointment controversial, so be it. Otherwise, as Senator Hawley told me on Tuesday, what's the point in even passing laws? "I mean, we may as well just let the justices tell us what they think should be the right policy in any given case."

In the meantime, plenty of liberals in Congress are hoping to move forward with laws -- dangerous ones like H.R. 5 that build on the court's extremism. A parade of smug Democrats took turns on the Senate floor this morning demanding that Congress steamroll religious freedom even more by passing the Equality Act, which would mean an end to conscience rights, girls' sports, privacy, women's shelters, free speech, parental authority, autonomy in hiring and firing, and mandate for things like transgender surgery and treatment coverage and taxpayer-funded abortion.

"It's one of the favorite tricks of the Left is to come up with legislation that has a title that... doesn't sound at all menacing... Equality Act sounds nice until you stop and examine what it would actually do... The fact that this would openly threaten religious

institutions and individuals throughout America who dare have divergent views, who dare act in conformity to their religious beliefs. This would end up having a punishing effect on them. To say nothing of what it would do to women's athletics, what it would do to girls' and women's locker rooms, and restrooms in colleges and in public places. [It's] scary."

In the aftermath of the court's legislating, a lot of people are asking: Why do we need Congress? Hopefully, in stopping horrible ideas like the Equality Act, we're about to find out.

**Franklin Graham hit the Supreme Court with a reality check that put jaws on the ground** *Millions of Americans were outraged over the latest Supreme Court sellout.*

Led by Neil Gorsuch, the Supreme Court legislated from the bench to rewrite the Civil Rights Act to grant special rights to homosexuals and transgenders. And Franklin Graham hit the Supreme Court with a reality check that put jaws on the ground.

**Join a team, lead a team!**

In a six to three decision, the Supreme Court announced

that the Civil Rights Act now included homosexuals and transgenders as a protected class.

The court's decision meant Churches and other religious organizations would now be forced to hire homosexuals and transgenders and would now be illegal to fire them.

Franklin Graham ripped this outrageous decision slamming the Supreme Court for "eroding religious freedom."

"I believe this decision erodes religious freedoms across this country. People of sincere faith who stand on God's Word as their foundation for life should never be forced by the government to compromise their religious beliefs.

Christian organizations should never be forced to hire people who do not align with their biblical beliefs and should not be prevented from terminating a person whose lifestyle and beliefs undermine the ministry's purpose and goals," Graham wrote on his Facebook page.

Graham noted that the First Amendment still protected the right of free exercise of religion and the Supreme Court attacked that fundamental right by forcing religious groups to violate their sincerely held beliefs and church teachings by being forced to hire homosexuals and transgenders.

"As a Bible-believing follower of Jesus Christ, my rights should be protected. Even if my sincerely held religious beliefs might be the minority, I still have a right to hold them. The same holds true for a Christian organization. These are the

freedoms our nation was founded on," Graham added.

## **A TIM SHEETS PROPHETIC WORD GAVE US DIRECT INSTRUCTIONS FOR WHAT IS TAKING PLACE RIGHT NOW.**

YouTube/Tim Sheets WHAT GOD IS SAYING RIGHT NOW

### **Some of his message is below:**

Tim had a vision March 2019. A vision of a great shaking coming to the world. An anti Christ move in our world. In the vision He provided answers and strategies to overcome this.

### **(THIS IS WHY I FELT THE WORD IS FOR INTERCESSORS)**

Anti-Christ and doctrines that become law cause major consequences. (Supreme Court decisions forcing us to legalize murder of the unborn, bow

to Gays agenda, separate God from country, just to name a few) When man disobeys God and enters into the anti-Christ immorality we suffer. However, the Ecclesia will overcome this move of the anti Christ.

The Ecclesia will shut the door to the China virus. Jesus says He is going to give us the keys to the kingdom that we need to rise up and function at levels we never have before. We will be strong enough to shut doors on Satan's traps such as the corona virus.

The spirit that God is getting ready to pour out on the Ecclesia is that His kingdom will not be shaken even though today is the time of the great shaking. In the spirit, I saw, portion of the White House falling and then pieces of the Capitol Building falling and throughout the nation pieces of the State Capitols were falling. The Lord says, I am shaking doing the shaking.

I then saw five government angels appear. I saw a great shaking in the corruption of media, in universities, in churches. The angels came with an assignment. This was in 2020

I saw a vision of black hearses stretched as far as one can see in lines and national funerals in nations' capitols of the earth. Something was dying, fading away. It was going to affect the world. The shaking has started and the Ecclesia must rise to its purpose and manage the time.

*March 10, 2020*

## **THE ARROWS OF THE GOVERNMENT ANGELS WERE BEING RELEASED.**

They were being released around the world. One sent DC. Elijah in 2nd Kings sent arrows for nation's deliverance. 2 Kings 13:14-19 New King James Version (NKJV)

### **Death of Elisha**

**14** Elisha had become sick with the illness of which he would die. Then Joash the king of Israel came down to him, and wept over his face, and said, "O my father, my father, the chariots of Israel and their horsemen!"

**15** And Elisha said to him, "Take a bow and some arrows." So he took himself a bow and some arrows.

**16** Then he said to the king of Israel, "Put your hand on the bow." So he put his hand on it, and Elisha put his hands on the king's hands.

**17** And he said, "Open the east window"; and he opened it. Then Elisha said, "Shoot"; and he shot. And he said, "The arrow of the LORD's deliverance and the arrow of deliverance from Syria; for you must strike the Syrians at Aphek till you have destroyed them."

**18** Then he said, "Take the arrows"; so he took them. And he said to the king of Israel, "Strike the ground"; so he struck three times, and stopped.

**19** And the man of God was angry with

him, and said, "You should have struck five or six times; then you would have struck Syria till you had destroyed it! But now you will strike Syria only three times."

Elijah said when the arrow was shot it represented the Lord's deliverance. The arrow of the Lord's deliverance will come intercessors, the Ecclesia. The arrow of the Lord's deliverance will strike the enemies of the Lord.

They will strike the mark and release great deliverance. Decree striking blows! Arrows of our decrees will stop the anti-Christ agendas, Anti-Christ agendas against the church. Arrows will strike the coup d'état against president Trump. If the Ecclesia will pray I will send an arrow to strike the enemies of the president. I saw and decreed many media outlets will face bankruptcy. The anti-Christ agenda will end against universities and colleges. That is happening now.

The remnant that would press in and pray about a 3rd level of power. Isaiah- 55 taught us that prophetic Words have assignments. The great revival fire will burn throughout the world. This is during a shaking time. My shaking has come. My shakings will open wells of revival. Capped wells of evangelism, the barricades to new roads, new mantels, new vision, new harvest.

My true Ecclesia will enter into my glory surge. My true ECCLESIA will rise into a reality church. I will gather my angel armies with my Ecclesia and revival cells

are being open.

**Heb 12:25** *See that you do not refuse him who is speaking. For if they did not escape when they refused him who warned them on earth, much less shall we escape if we reject him who warns from heaven. His voice then shook the earth; but now he has promised, "Yet once more I will shake not only the earth but also the heaven." This phrase, "Yet once more," indicates the removal of what is shaken, as of what has been made, in order that what cannot be shaken may remain. Therefore let us be grateful for receiving a kingdom that cannot be shaken, and thus let us offer to God acceptable worship, with reverence and awe; for our God is a consuming fire. (Hebrews 12:25-29 RSV)*

"He shook the earth will shake to heavens. " God is not an indifferent bystander. Don't you get shook. Rise and fight.

We have the authority to close the door on the plague. It is time to rise and declare the delivering power on this Earth.

March 23rd 2019

It is clearly not gloom and doom. We are moving into the greatest days ever. My kingdom will not be shaken. You are protected in this great shaking.

Ephe. 6: "Take the shield of faith".... Greek word "shield" is "door".

Faith slams the door on activities of hell. Arise, use authority and slam the door on this Virus.

Then get on about the Word and Work of God. Awesome directions for us. We will decree these 0rayer points.

We lose those giving to have more than enough to give abundantly and received back 100 fold in the same year.
