HAPPY NEW YEAR! 2018 New Beginnings! A Year of Fruitfulness and Multiplication

Psalm 149:5-9
Amplified Bible

5 Let the saints be joyful in the glory and beauty [which God confers upon them]; let them sing for joy upon their beds.

6 Let the high praises of God be in their throats and a two-edged sword in their hands, Today is December 29, 2017 and it has been a challenging year for me, personally, this ministry and so many of our partners and intercessors. We've learned how to pray and believe for "faith". (Lord, increase our faith).

In May God took us to the Cherokee reservation in OK to light a candle and build bridges with our native American friends. Your giving made this possible. How blessed we were. From OK to Branson, Mo. For a much needed rest and vacation with Insight partners, Mary Ellen and Mary Alice. It was that trip that opened the divine insight for the 2018 Intercessors with Insight Prayer Pilgrimage. We will talk about that soon. However, today, I want the breath of God to blow on you and your family to equip you for the year 2018 as prayerful prayer warriors for this nation.

I am believing for restoration this year; in the spirit, to do what he has assigned us to do. Our nation is divided. The sad part of it is our children are lost. Hell is real...The Church (you and I) must arise and let our voices be heard.

We are on the front lines sounding the alarm and speaking truth to keep prayer warriors and Christian informed. We must know and follow the truth.

The Scripture God gave me recently were: Hosea 4:6

"My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children."

We must acknowledge that we live in a DIVIDED LAND....Scripture tells us; "a house divided against itself can not stand". So, therein lies our mission, in the spirit, for this year.

- A.** We must "combat the power of influence of the NASTY WOMEN. They tout that they represent ALL AMERICAN WOMEN. THEY DO NOT!! We must tell them so!
- B.** We must teach Bible to our youth being indoctrinated and brainwashed on liberal college/ university campuses;
- C.** We must purify the battleground in Springfield, MO of the Civil War. A civil war is promised to our streets by America's enemies waiting for the call to "jihad".
- D.** We must pray in God fearing men and women to run for office in November and Christians will pay attention and get out the pro life vote.
- E.** We must challenge the lies of the democrats, FBI, NSA, RINOS and AG's office and all corrupt lawmakers.
- F.** We must take a stand for seniors. While illegals are being funded by billions, seniors do not get any raises or consideration. Seniors must cry out NOW! CROCKED POLITICIANS ROBBED THE SOCIAL SECURITY TRUST FUND. SOCIAL SECURITY IS NOT AN ENTITLEMENT, CONGRESSION PENSIONS ARE!

Below are prophetic Words sent to me. I feel led to share them with you. The authors are listed at the end of each.

The womb has been prepared and 2018 will be a year of birthing what He has placed within you.

Get ready to see:

- Yielded hearts to the will of God
- Fruitfulness
- Multiplication
- Conceptions
- Restorations of families
- Restoration of generations
- Inheritances restored (spiritual and physical—including land)
- Corporate authority increased
- Nations and cities held captive set free
- Unity

We will see the “more than you can ask or imagine” (Ephesians 3:20) manifest in lives, families, and regions.

We are entering into a time where we will see fruitfulness and multiplication. 2017 has been a year of purification and consecration; it has prepared us by ridding us of things that were not aligned with truth and breaking the patterns of the world off our lives.

Purification and Multiplication

The Spirit of the Lord led me to Genesis 35 where God commands Jacob to have his family give up all their foreign gods, purify themselves, and change their garments before settling into a new land. It is no coincidence that God has been doing the same thing in His family over the past year.

After Jacob and his family purified their lives, God moved them to a new land to settle and speaks these words to Jacob,

“And God said to him, “I am God Almighty; be fruitful and increase in number. A nation and a community of nations will come from you, and kings will be among your descendants.”

Genesis 35:11

I hear these words being spoken once again. This is a key verse for 2018. We are a royal people and we will reproduce nations and kings. As we wed the purification and consecration to change our lives, authority comes upon us in new measures that we

have not experienced before.

The condition of “infertility” is falling off the body of Christ. We will be fruitful and we will multiply. A sign of this will be that many who have struggled to become pregnant will give birth to sons and daughters. These babies will have a “kingly” anointing on their lives that will carry great leadership and authority.

Oneness With Christ

Corporate prayers, worship, and declaration will release spiritual authority and open up nations and people groups and set many free from the captivity of demonic forces. It is a time to both personally and corporately do only what we see Jesus doing.

By grace, we have been clothed in His purity and righteousness and now our steps and hearts must be aligned with His so that we are united in oneness of spirit with Christ.

“But whoever is united with the Lord is one with him in spirit.”
1 Corinthians 6:17

Jesus only did what He saw the Father doing. His actions often did not make sense to human understanding, and offended established religious traditions. We, too, must align all that we do—personally and publicly—with what God is doing.

We cannot move according to human understanding or according to what appeases religious rules, but rather we must yield ourselves to only do what our Father is doing. We must not break ranks or walk outside of the unity of God (John 17:20-23). What seems “good” to human understanding will not always be God’s direction. Do not seek good; seek God! This is a time of the joining of generations (Abraham, Isaac and Jacob) and the time of the restoration of families. Where demonic assignments have brought divisions and separations, now God will restore relationships and join the generations to walk together, prefer one another, and learn from one another. Honor will be given to both the old and the young. They will understand that they need one another and they will yield to that realization. Great strength will come as this happens.

Inheritances Restored

Inheritances will be restored and land will be restored. Joy will fill lives, homes, and even cities.

With the restoration of generations and families we will see the release of lands. This will include lands that belonged to families (and were lost or families were displaced from) and lands (cities and nations) that have been held captive.

Taking the Posture of Mary. As we prepare to move into the new year, allow your posture to be as Mary's when the angel appeared to her and announced that she would conceive the Messiah (Luke 1:38). She said, *"Be it unto me according to your word."*

Abraham, Isaac and Jacob: The Joining of Generations

This is the posture that allows the Spirit to come upon you in order to make you fruitful. As we take this posture as a corporate family it releases great power. I see families and congregations standing together to pray the words of Mary from Luke 1:38. I encourage you to spend time with those you love and those that you worship with to take communion together and echo the words, *"Be it unto me according to your word."*

El Shaddai...God Almighty

We will settle into a land and place of rest. El Shaddai (God Almighty) will be made known among you and make Himself known through you. You will be fruitful and multiply in the days ahead.

El Shaddai (God Almighty) will reveal His love and might in 2018! Kathi Pelton

YOUR SONG OF VICTORY PRECEDES YOUR BREAKTHROUGH!

by Christy Johnston

I saw in my spirit a picture of many of God's children that have been in a place of waiting on the fulfillment of long-awaited promises and they were growing weary in the waiting. They were feeling tired and

fragile and on the edge of giving up, asking God if the promises He had given them were even real. My heartfelt compassion for them as there are promises in waiting that we ourselves have been contending for, but I heard the Holy Spirit say; *"Now is NOT the time to give up. Look closer."* As I looked closer, I saw that these precious ones were camping on the very BORDER of their promises, but the border of their promised land was invisible to them, almost as though there was a dividing wall of invisibility that stood between them and what they had been believing for. Therefore, it was difficult for them to SEE just how CLOSE they were to crossing over. It was then that I heard the Holy Spirit say, "Instruct them to SING their SONG of VICTORY right NOW BEFORE they see the breakthrough." So I called out to the many that I could see in waiting, and I instructed them to SING. Some were hesitant, it was the last thing they felt like doing, but as they started to sing, even reluctantly and quietly at first, something began to happen.

As they lifted their songs of worship and praise to the Father, a transformation began to occur. Firstly, it was a physical shift whereby you could see the countenances of sorrow, exhaustion, depression, and hopelessness begin to turn into countenances of joy, delight, courage, and strength.

The people went from sitting and looking hopelessly at the ground to standing, jumping, and dancing, looking up towards their King and engaging with heaven. What was a quiet and reluctant song at first, transformed into a beautiful SOUND, it felt like I was in the throne room of heaven.

As the song of VICTORY continued, it began to flow and ebb with the Holy Spirit as He moved like the wind amongst His people, breathing fresh life,

“This Will Be A Year To Rise Up And Possess Your Soul”

hope, strength, joy, and revelation into them and blowing away all sorrow and sighing. I also saw Jesus standing in their midst and angels began to converge and surround them, some angels were weapons of worship, and others were weapons of breakthrough, they were on a direct assignment because of the very song the people were singing. The people remained engaged with Jesus, focused on His beauty and hopelessness was forgotten.

As this song of victory grew in strength and sound, I recognized this was not your typical song of worship. This song was a weapon of warfare against the walls standing between the promises of God for their breakthrough. A mighty thunder began to erupt all around and the people’s song of victory only further intensified.

As though breaking through a sound barrier, their worship to Jesus increased, and with it, the thunder around them increased, until with a mighty shout, the SOUND of their SONG SUDDENLY BROKE THROUGH the WALLS that were standing between them and their promises. I saw many fall to the ground on their knees as the Glory of the Lord fell upon them and the reality of crossing over was before them.

They wept with tears of joy as Jesus walked across the broken rubble of the invisible walls with them and led them into the promises they had been waiting for. Beloved ones, I want to encourage you, seize this prophetic vision for yourself and take hold of its instructions. If you have been waiting for your promise, begin to lift up your songs of VICTORY right NOW, before you see your breakthrough.

Because it is your song of worship that becomes the sword in your hand for warfare. It will be the sound of your song to Him that will BREAK the barriers down that have been preventing you from your promise. You are on the PRECIPICE of VICTORY. Start to SING your SONG of VICTORY NOW, for it is going to cause you to CROSS over into your promised land.

As I was praying over the conclusion of this year and how we as a Body should be moving going into next year, the Lord spoke to me and said; “This will be a year to Rise Up And Possess Your Soul”. Of course we can find this verse in Luke 21:19 where Jesus is telling those listening that many things were coming upon them but “In your patience possess your souls”.

Here is a word for us: *Many have been living with souls that are full of traumatic past events we call soul ties, and have felt the effects of these ties run over into their physical bodies as well as in their spiritual lives. The word for soul in Hebrew “nephesh” literally means the passion, appetite or emotions of a person.*

The soul literally can dictate ones hunger or desire for life or for the things of God; so the Kingdom inside you, becomes the Kingdom around you. Who we allow to sit on the Seat of our Emotions and govern this year is vital to moving into what the Lord has prepared for us.

In this New Year many will Rise Up And Possess Their Souls by taking back the fragments of themselves that have been shattered by past life events and attacks of the enemy. This year we will purposefully allow the Lord to take His Seat upon the throne of our emotions and we will become emotionally healed as our souls rise up and bless the Lord in this New Year.

We will see a greater increase of healing in our body and spirit as these toxic past hurts melt in the presence of our Lord. I literally see the Holy Spirit exposing and shining the Light of His countenance into areas that have been dark far to long. Jesus loves us friends! This is a New Year for you!

We as a Body will purposefully overcome offense this year and receive a greater healing than we have ever experienced before.

Possessing your soul and allowing the Lord to take His seat upon the throne of your soul will cause your soul to experience a fullness you have been craving for so long. We will become strong, healed, fit and emotionally stable this year. Rise Up And Possess Your Soul! Your identity is waiting to be revealed this year.

A FRESH BAPTISM OF FIRE UNLOCKED IN THE WELL OF THE GOSPEL

A Word by Lana Vawser

Over the last little while I have had a word burning in my heart that has really been increasing in intensity. I feel this is a very important word for the body of Christ right now. Then this week I had a dream where the Lord took this fire deeper than before. There is a fresh baptism of fire, the fire of His presence and His love that has begun in the Church, but is about to increase significantly in intensity and moment that is birthing a SYNERGY of burning Holy Spirit fire with a passion for the Gospel.

These baptisms of fire that are taking place now and going to significantly increase across the body of Christ are igniting and going to ignite the FIRE OF EVANGELISM and a deep revelation of the Cross and Resurrection, the beautiful Gospel message within the Church in an explosive way. I saw people within the body of Christ so overwhelmed and burning with the revelation of the Gospel and the fire of His love, the perfect love of Jesus, going into the world sharing the greatest love story ever told, with a completely NEW and FRESH FIRE.

These baptisms of fire will so engulf His people in the well of the Gospel as a whole new realm of being re-awed and filled with wonder at the simplicity and profundity of the Gospel. There is a divine re-engagement with the Gospel that will take place in this baptism of Holy Spirit fire. Deep, deep wells of encounter.

This synergy of burning Holy Spirit fire for the Gospel I saw was SO powerful, believers were transformed, chains of fear of sharing the Gospel gone, and a new boldness bursting forth within the Church. The fire of His love that consumed God's people and flowed THROUGH them was so beautiful, transforming, culture and nation changing.

PRAYER POINTS

Getting Fit Spiritually (2018)

Speaking the truth in love, may grow up in all things into Him who is the head-- Christ-- from whom the whole body, joined and

knit together by what every joint supplies, according to the effective working by which every part does its share, causes growth of the body for the edifying of itself in love. -Ephesians 4:15-16

Dear Christian Warriors: This New Years Day Sunrise Prayer Relay, beginning in

Australia, can strengthen the body of Christ as we participate in many nations, "growing up in all things into Him"

and speaking His Truth in love. Include a prayer of repentance for yourself and for your nation so that you resolve to be spiritually fit for 2018. Australia Calls World to Praise in the New Year with New Years Day Sunrise Prayer Relay 2018. Australia Christian prayer leaders invite their brothers and sisters in Christ,

7 prayer groups, prayer networks and churches to join with them all over the world to pray at sunrise on New Years Day 2018 at a public location such as a hill, lookout or landmark in your city or town. Already we have registrations from USA, South Africa, Cameroon, India, North Korea, Thailand, Germany, Czech Republic, UK, Switzerland, Fiji, Solomon Islands, Vanuatu, New Zealand, and Australia. Warwick Marsh, coordinator for Australia's National Day of Prayer; Fasting said, "David said in *Psalms 108:2*," I will wake the dawn with my song." So, during this time of prayer we want to focus on giving great praise to God. We also want to pray for revival and transformation, that God will bring healing to our land as it says in 2 Chronicles 7:14. "Let us all pray for a great harvest of souls for the Lord Jesus Christ." Marsh continued, "In declaring Jesus Christ as Lord at this worldwide Sunrise Prayer Relay we are circling the globe with prayer, praise and worship and surrendering our lives to Jesus Christ for the glory of God." *Psalms 113:3* says, "From the rising of the sun to the place where it sets, the name of the Lord is to be praised."

Pat Steele, a prayer and worship leader in Wollongong Australia, said, “We encourage you to pray the Lord’s Prayer together aloud as the sun rises and make a declaration that Jesus Christ is Lord of your life, your family, your region and your nation. At your location we encourage you to include praise and worship, prayers, and scripture readings. We suggest 30 minutes, but you can pray for longer. You could even take communion, shine a torch, or light a candle.

PRAYER: *Heavenly Father:*

We acknowledge that there are no man-made strategies, plots, schemes, techniques, methods, systems or formats to follow which force You to act or to make You hear us better. Your Holy Word says You ALWAYS hear the cry of the righteous and those who worship you in spirit and in Truth. On this basis, worshiping You in spirit and truth, we humbly beseech You. The enemy is attacking our families, our children and the very foundational institution of man/woman marriage which is a shadow and type of Your Bridegroom relationship with us, Your Church. The righteous cry, and the Lord hears, and delivers them out of all their troubles. You also stated that you do not hear. The prayers of unrepentant sinners, so before we seek Your help, we REPENT earnestly for ourselves and for the sins of our nation. We do this in a spirit of unity with our Australian brothers and sisters in Christ.

Amen.
