PRAISE THE LORD FOR PEOPLE TAKING A STAND
AGAINST EVIL DOERS.

'In God We Trust' will remain on US currency as Supreme Court declines atheist challenge Two weeks ago God revealed the root of evil taking over our nation. It was a movement called Anarchism. The movement was founded by a Russian Jew, Emma Goldman, from 1865 – 1940. She called it the **RESISTANT MOVEMENT**. Sound familiar? Faye's Facts in June have exposed this underground move to bring our nation to third world country status. After much research we are following the re birth of Emma's desire to bring down our government, Capitalism, culture and the existence of Jesus Christ and the Living God of Abraham, Isaac and Jacob. Her torch was reignited in 1965 by Betty Friedan via the Feminist movement. In the guise of "women's rights" a revolution to mock God began. The people of God did not face the enemy of souls and we now have a "ruling force of evil" in charge of this nation, our education and youth.

Our insight was supernatural and God given. Our mission and burden to reach the youth for Christ by distributing Bibles/including Founders Bibles to students, beginning at UC Berkeley is right on schedule. It was stunning to Intercessors with Insight that a move to reduce our nation to

a Socialist empire could be happening with our youth; organized in mobs to yell "death to the U S Constitution, freedom, liberty, and national security." It amazes us that our youth have been so dumbed down, patriotically, and indoctrinated while the church looked on and did nothing. After researching the Emma Goldman movement, it all made sense. Hillary Clinton promotes the Resistance Movement as her baby. Another fraud of Hillary's. This Facts is to enlighten you and bring down the root of evil that initiated the taking down of this God bless nation. WE CAN BIND THESE SPIRITS FROM THE GRAVE AND MUST DO IT TODAY. The mind of our children is the target of Satanists. This movement must be rejected by all Christians. I need you now, more than ever.

IT IS **GOD** NOT **GOVERNMENT** THAT GIVES LIFE AND THAT MORE ABUNDANTLY. THIS MESSAGE MUST GET BACK IN ALL OF OUR SCHOOLS. **GOD IS INTERVENING** but the truth is being covered up. Look at the following:

roaring, to set the captives free,” sang a group of ex-LGBT people. They marched around the Washington Monument and toward the Ellipse in front of the White House and back on Saturday, May 25. The banner they carried read: **“Freedom March Washington D.C.,”** and **“Hear the sound of freedom.”**t

This Saturday marked the second annual Freedom March in Washington. This year saw a significant growth in numbers. LifeSite News reported there were about 200 participants this year, a threefold increase from last year’s inaugural march.

Stories That Need to be Heard

“The whole reason why I started the freedom march was because I felt like all these stories of people that have left LGBTQ lifestyles needed to be heard,” Jeffrey McCall, Freedom March organizer said in an interview with CBN News.

McCall has his own story of freedom from the LGBT lifestyle. He lived a homosexual lifestyle since age 15. In his early twenties, he began living as a transgender woman named Scarlet and prostituting himself. He says at this point he hit rock bottom and was secretly watching sermons by pastor Jentezen Franklin. You can read more of his story here.

I had an encounter with God, and I left everything to follow Him in 2016. He has been everything I ever wanted and more. “I had an encounter with God, and I left everything to follow Him in 2016,” McCall said. “He has been everything I ever wanted and more. And He’s been amazing and kind and good and full of mercy to me. So I will always always share about what Jesus has done to set me free

from a false identity, and show me that I am a son of God through Jesus.” McCall said the impact of the Freedom March has been to build “a close-knit family of overcomers.” It’s also “brought light to this topic.” The personal stories of people who previously lived the LGBT lifestyle show it’s possible to find freedom in Christ. Orlando Nightclub Shooting Survivors Speak Out

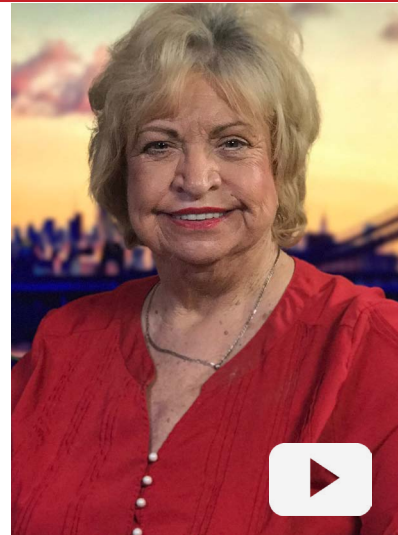

McCall spoke at a rally before the march along with more than a dozen other people who have come out of an LGBT lifestyle. Two survivors of the 2016 Orlando shooting at Pulse, a gay nightclub, shared how they came to God and overcome temptation.

Angel Colon said he cried out to God while he was laying on the ground at Pulse nightclub, shot multiple times. Unable to move from the ground, he declared that he would survive and would worship God for the rest of his life. “That process was not easy at all, but look today, all these overcomers here.”

“I didn’t pray in the name of Jesus, that he would make me straight. I prayed I would die to myself and I would become a follower of Jesus Christ. And God is faithful to that.”

COMMUNIST CAMP FOR ELEMENTARY KIDS—FIND OUT WHERE! JUNE 15, 2019 |

FROM PJ MEDIA

Lord, we are saddened by the attack on our kids with values that are so contrary to you. We pray for their protection! I'm so old I can remember when disseminating communist propaganda in public schools was frowned upon. Last Friday afternoon, I was sitting at my computer when I received an email from Peachjar. This is a service used by several school districts near me in the Portland area that sends home digital fliers to parents in lieu of paper fliers to advertise extracurricular activities sponsored by various groups in the community. My son's middle school uses this service, and I receive a few emails a month from them. I've used the service myself to send advertisements for recruiting events for Scouts, and I've received other fliers such as music lessons, sports teams, and the like. This one, however, was quite different.

LOOK AT WHO IS TAKING THE MINDS OF OUR CHILDREN USING A CHRISTIAN CHURCH.

About Us: Black Rose Anarchist Federation / is a political organization with locals in over a dozen cities sharing a common set of politics and creating a shared strategic vision of how to build "popular power" in workplaces,

neighborhoods, schools and all sectors of society towards the goal of libertarian socialism. Our organizing work is centered on building mass movements such as tenant unions, neighborhood assemblies, workplace campaigns, student unions, prisoner organizing, and in defense of communities

resisting criminalization and deportations. In any event, you can't tell me that we're not in a war for the soul of our culture. The Marxist revolutionaries are now reaching into our elementary schools to recruit ever younger comrades for the front lines. (Excerpted from PJ Media, article by Jeff Reynolds)

Editorial Note: You may also notice that this camp is being held in a church. Pray for discernment for our pastors and churches when allowing groups and activities in their buildings. Black Rose Anarchist Federation we seek a social revolution that will overthrow the state and capitalism. Yet a society-wide transformation can't happen overnight, since we have seen that the state is inside us as well. Without an internal transformation, we will continue to reproduce the dominating and exploitative relations of the state and capital daily. It is only through the process of collective struggle that we can both draw out the potential for change and sow the seed of its realization.

To organize a revolutionary society, we must have working class institutions that replace the necessary functions which the state and capital distorted and monopolized. We've decided to

Popular Education & Propaganda

The revolutionary organization produces anti-authoritarian and educational propaganda. It does this through the creation of media that communicates the views and political perspectives of the organization. It promotes its views in print as well as online media, through public events and actions. The revolutionary organization strives to build a visible presence for its ideas, methods, and tactics in order to popularize a revolutionary culture.

The revolutionary culture the organization strives to promote is one of popular combativity, creativity, solidarity, mutual aid, anti-racist, internationalism, anti-patriarchy, anti-capitalist, and anti-state. It does this by developing agitational and education materials that convey these ideas. These materials have to be crafted in ways that appeal to diverse sections of the populace with varying educational skill sets. Materials should convey complex ideas in ways that are clear and stated in plain ways. Emphasis on posters, videos, art, graffiti, speaking events, all in connection with longer documents, magazines, and books. The revolutionary organization also does this by hosting social and cultural activities that broadly reflect the concepts and practice of the revolutionary organization and its' members.

Subject: Australian Grocery Chain

I am forwarding this because it is an example of what happens when a society allows Muslims to come in. They start making demands, in this case in the form of extortion. This blackmail is passed on to the consumer in the form of higher prices. **MUSLIMS ARE VERY DEMANDING IN EVERY AREA.** Make sure the grocery buyer in your house hold reads this. There should be more leading Australians like Dick, he gets to the bottom of important issues and anything that amounts to selling out Australia is very important.

A WARNING FROM DICK SMITH: You may be aware that “ Dick Smith “ chain franchise stores are being pressured by the Islamic Council of Australia to gain ‘Halal Certification’ otherwise they will be proscribed and banned from Muslim custom. **This is their response: A MESSAGE FROM DICK SMITH.** We at Dick Smith’s have received a number of letters from people asking if we will be putting the Muslim Halal logo on our food. To acquire Halal certification, payment is required to the endorsing body (the Islamic Council) and involves a number of site inspections of both our growers and processors in order to ensure that our practices comply with the conditions of Halal certification.

It is important to note that this does not reflect the quality of the food being processed or sold it only means that the products are approved as being prepared in accordance with the traditions of the Muslim faith. We are aware of an increasing number of large companies both in Australia and overseas, such as Kraft and Cadbury, who have

obtained accreditation to use the Halal logo. We don’t believe they have done this because of any religious commitment but rather for purely commercial reasons. Perhaps these large organizations can afford to do this. While we have a choice however, we would prefer to avoid unnecessarily increasing the cost of our products in order to pay for Halal accreditation when this money would be better spent continuing to support important charitable causes where assistance is greatly needed.

We point out that we have never been asked to put a Christian symbol (or any other religious symbol) on our food requiring that we send money to a Christian organization for the right to do so. Others would add that money paid to ANY Muslim ‘organization’ (and you had better believe it: these people ARE ‘organized’) can easily find its way into the hands of Islamic extremist-fanatics and murderers, irrespective of assurances to the contrary. What other assurances do we accept from Muslims? Oh, that’s right, **‘Islam is a religion of PEACE!’** How less Australian can companies get, than to place money into the hands of those who seek to exploit us?”

This is an example of how the leaders of Muslims in Aus/NZ are bullying large commercial organizations (especially in the food industry) into paying what is no more than blatant extortion money. The amazing part is that these weak-kneed organizations (Cadbury/ Schweppes/ Nestles/ Kraft etc.) actually pay the large sums demanded by these self-appointed religious bureaucrats. Of course, the manufacturers promptly pass this levy on to unwitting consumers as cost increases. Next time you buy a block of Cadbury’s chocolate, look for the Halal Certification seal on the wrapper. So,

regardless of your own religious faith, you end up subsidizing Islam. The Council also controls the Muslim voter bloc which, as yet, does not have sufficient critical mass to make a difference - but give them time. Several state jurisdictions are under pressure to adopt or permit Sharia Law in Marriage, Family and Property matters and some, under the delusion that they are being progressively liberal, are permitting this. This has already happened in some local authorities in the U.K. Google the U.K. Education Department's current investigation into the conduct of Muslim-run schools in the Birmingham area of England. Wake up people! How many more warnings do you need? Check the produce on the shelf and don't buy anything Muslim extorted.

NEED TO BE CONFRONTED....I WANT TO DO THAT....PARTNERS MUST COME FORTH.

I Timothy 2:1-3 says that we are to pray, intercede and give thanks for kings and all people in authority. This is God's command to every believer today. Praying for godly leaders is productive toward God's plan and purpose for our nation. The Bible says the heart of a king is in the hand of the Lord. He can turn it however He wants, so your prayers are important. Here is a confession for you to use in prayer for our nation and its leaders. Pray it in faith, believing, and remember God watches over His Word to perform it (Jeremiah 1:12).

Father, I bring the needs of our government before You and ask You to bless our nation through godly leaders. I magnify the Name of Jesus and declare that He is Lord over this nation.

Father, I pray according to 1 Timothy 2:1-3 which says, "I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks, be made for all men; For kings, and for all that are in authority; that we may lead a quiet and peaceable life in all godliness and honesty. For this is good and acceptable in the sight of God our Saviour." I pray, in the Name of the Lord Jesus, for our president, the vice president, all the Cabinet and the chief justice and associate justices of the Supreme Court to receive the wisdom of God, to act in obedience to that wisdom and for the power of God to flow in their lives. I pray for the members of the Senate and the House of Representatives to find Your peace and direction, and for these men and women to act and lead according to Your Word. A house divided against itself cannot stand, therefore, I pray for them to be unified in righteousness for

the sake of the nation.

I pray for Your protection to cover all our law enforcement officers and the men and women of the military. I ask for godly counsel and wisdom for judges across this land. In the Name of Jesus, I pray that You and Your kingdom of righteousness be manifested in the hearts of all those who are in authority in any way. Thank You, Father, for hearing my prayers that are in accordance to Your will. I receive the answers, in Jesus' Name. Amen. **Pray for our mission** in CA to be everything God wants it to be.
