LOOK AT WHAT OUR CONGRESS IS PROMOTING AND FUNDING!

The purpose of this ministry is essential to America's

Americans are being duped, spied on, threatened, intimidated, bullied, conned, and deceived by most of the above. Christians are targeted and God is mocked. Because of their twisted priorities we owe \$22 trillion dollars plus trillions in social security. We must know how to bring up the root of evil. November is the turning point and Christians are the key.

Our president, U.S Constitution, safety, sovereignty and security are being threatened. Democrats are trying to remove any recognition of God except in walls of churches. How long will we ignore the take over of our nation by Saul Alinsky radicals???

future as a Christian free nation. God free zones must be aborted.

Last week we prayed for the axis of evil to loose influence. Mueller, Sessions and Rosenstein photos added to dems in the House of Representatives were prayed over by InsightUSA warriors.

This week intervention of God took place.

Praise God! The latest below: Mueller Raised Threat of Subpoena Against Trump

President Donald Trump and FBI special counsel Robert Mueller (AP)

By Solange Reyner | Tuesday, 01 May 2018 08:30 PM

FBI special counsel Robert Mueller in March floated the idea of subpoenaing President Donald Trump to appear before a grand jury. It's amazing how the Lord gives supernatural insight to our prayer

warriors. I have been Pentecostal all my life and experienced phenomenal moves of God as a Believer and an evangelist.

However, the gifts of the spirit are awesome interventionist. The revelation knowledge of God concerning our standing in the gap for America is insight from the very throne room of God. Our prayer warriors are on the front lines and we thank God for that.

The lies of the Congress that actually fund the overthrow of our president is disgraceful; up to \$20 million or more. The takeover of the FBI, DOJ, Intelligence, Judicial, & Oversight Committees by Liberal radicals must be reversed now!

Our prayers are being answered and the exposure of acts of crime committed by elected lawmakers and appointed agency leaders are coming to light.

The abuse of power of Mueller, Rosenstein and Session is being exposed, but not by media or Congress. What a shame???

Michael Caputo on Mueller Interview: 'Awful Experience'

Former Trump campaign aide

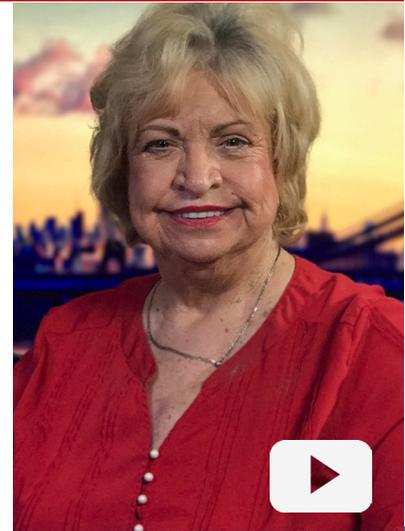

Michael Caputo By Todd Beamon

Former Trump campaign aide Michael Caputo on Wednesday described his three-hour interview with special counsel Robert Mueller's investigators as "an awful experience" with "three bad cops" targeting Russian collusion because "these folks are really focused on bringing somebody in."

Caputo, 56, told Anderson Cooper on CNN that he was even more convinced President Donald Trump should not sit for an interview with the special counsel. *"The president shouldn't go anywhere near this,"* he told Cooper. *"It's, in a lot of ways, a trap. It was an awful experience."* He was interviewed by two FBI agents and an assistant U.S. attorney — Mueller was not present — and the session was not "a polite encounter."

Caputo was interviewed behind closed doors on Tuesday as part of the Senate Intelligence committee's investigation. He was also interviewed last year by the House Intelligence Committee.

Following the Senate meeting, Caputo passionately criticized the panel, charging

that the probe has cost him \$125,000 and is forcing him to move from the Buffalo area in order to pay off legal bills.

“Your investigation and others into the allegations of Trump campaign collusion with Russia are costing my family a great deal of money -- more than \$125,000 -- and making a visceral impact on my children,”

Caputo said in a prepared statement that he delivered at the end of the Senate interview, which was provided to CNN. *“Forget about all the death threats against my family. I want to know who cost us so much money, who crushed our kids, who forced us out of our home, all because you lost an election.”*

FIGHTING THIS SPIRITUAL BATTLE IS DIFFICULT The above reports were Thursday’s news. However, Friday, I was sick with a terrible cough and cold that came out of no where and was not able to finish our newsletter. All of a sudden, we had one answered prayer after another. At one point I screamed, “Yes, “Jesus.”

There were so many attacks on the ministry. April funds were down \$7,000, the copy machine broke and then the attack on my health, Thursday evening, I began to doubt if we were in the will of God. I was totally stopped. Friday morning, I was praying and seeking God as what to do or not do. And then, the miracles began to happen. Prayers began to be answered. I called President Trump’s comment line on Monday of last week and told him to get on offense, concerning Mueller. Mueller is a Saul Alinsky radical and liar. Ask him the questions, what is the crime,? who committed them,? when and where? Don’t allow these radicals outsmart or bully you? You don’t have to answer questions that will create a crime

for them to in snare you. On Wednesday, President Trump hired Rudi Giuliani. **IT WAS AMAZING...HE WENT ON THE OFFENSIVE.** The media noticed. He has been on the offensive ever sense. I wondered if my call had anything to do with. I knew our prayers did.

In the midst of my frustration, disappointment, and doubt...my mail came. God used one of our partners in a masterful way with a card of encouragement and unexpected donations from faithful partners’ giving allowed me to pay our TV bill instead of going off the air, “God is with us”, was my cry to my staff.

A NEWS ALERT burst forth; Federal Judge T.S Ellis, calls Mueller out for his unconstitutional ethics when no one else would: *“C’mon Man!”*

Federal Judge Calls out Mueller’s Team for ‘Lying’ to Take Trump Down

A federal judge laid into Special Counsel Robert Mueller and his team on Friday during a hearing for former Trump campaign chairman Paul Manafort, accusing them of lying about the scope of their investigation in an effort to bring down the president.

“You don’t really care about Mr. Manafort,” U.S. District Judge T.S. Ellis III told the team. *“You really care about what information Mr. Manafort can give you to lead you to Mr. Trump and an impeachment, or whatever.”* Manafort’s team is arguing Mueller does not actually have

the power to indict him on the 18 tax and bank fraud-related charges brought against him — and it looks like the judge agrees. Ellis demanded to know how the special counsel got authority to bring such indictments. Insisting, *“We don’t want anyone with unfettered power,”* Mueller claimed Deputy Attorney General Rod Rosenstein granted his team broad authority when he first appointed him to oversee the investigation in May 2017. However, Ellis pointed out that the team is using information from the Department of Justice’s earlier probe on the matter and hinted that said information may be outside of the scope of Mueller’s probe because it did not “arise” there.

“We said this was what [the] investigation was about, but we are not bound by it and we were lying,” Ellis described Mueller’s office. *“C’mon man!”* The judge then gave Mueller’s team two weeks to hand over an unredacted version of the “scope memo,” which reportedly outlines the scope of their Russia investigation and is currently being sought in full by House Republicans as well.

However, the team expressed some reluctance to do so because it includes information that does not pertain to Manafort, according to them. *“I’ll be the judge of that,”* Ellis said.

What a reversal of the demonic plot?

Think about this! We just sent out our prayer request to pray according to Jerome Corsi’s book, Kill the Deep State that identified the plot, players, and plan to removed Pres. Trump from office. Also, we spent months praying against the witches’ national call of the curses calling for the removal and death of President Trump and all that follow him.

Our prayer mission has been so accurate and the things happening now are direct answers to specific praying of our intercessors.

Praise God!

Friday evening Pastor Robert Jeffress was on Lou Dobbs. Again, I saw our petitions to God answered. Pastor Jeffress is a counselor to President Trump and had been with him that day. He had been notified of what Mueller was doing and the judge’s rebuke. He was so passionate with his call for Christians to let their voice be heard concerning what the Congress was doing to fund the Mueller scam to bring down a sitting president.

To see a pastor merging politics and Christians excited me soooo much. Our latest call to prayer has been for God to wake up His leaders and people. **Last week’s Faye’s Facts brought this to light.**

Billye Brim wrote a book about this years ago. It was an awesome Faye’s Facts. Watching Pastor Jeffress Lou Dobbs calling Christians to specific action was another answer to our specific prayers. For the first time I saw the anointing of Dr. Jerry Falwell and Dr. James Kennedy.

Dear Faye,

I received a letter from Franklin Graham today. He asked for prayer. He will be having festivals in 10 cities in CA from the east to the west, May 20 - June 5. The website is: decisioncalifornia.com

He said, there are places in California where public preaching about sin and the Gospel of Jesus Christ will not be welcome. I'll preach anyway. In the Bible, God Himself says, "I was found by those who did not seek Me; I was made manifest to those who did not ask for Me" (Romans 10:20) Pray that God, in His love, will open hearts and draw people to Himself - including many who have up until now ignored Him

WE ARE WARRIORS ON THE FRONT LINES. IT IS TIME FOR A REVIVAL OF SOULS. IT IS A TIME FOR CHRISTIANS TO WAKE UP AND SPEAK UP. GOD IS WITH US!!!!

This is a prophecy the Lord gave when I was doubting if this ministry was in the will of God. Look how He keeps us on track when the enemy moves in like a flood.

CALIFORNIA YOU SHALL BE KNOWN AS A PLACE OF PURITY

By Lana Vawser

Recently I had an encounter with the Lord regarding the state of California and this prophetic word flowed forth. "California you shall be known as a place of purity. For My eyes are upon California and I have not given up on her. My eyes are roaming California continually looking for those who are listening to My heart. Those who have no agenda, but are seeking Me for My heart for this place. For many are being distracted by what is going on in the natural, but I am calling My people

higher. I am calling My people to a higher perspective to see California as I see her. I am calling My people to a place of divine insight and clarity, a place where I am discipling My people from the heavenly perspective of what to pray and decree into her.”

“...call into being things that don’t even exist yet...” – Romans 4:17 (The Passion Translation)

“For the time has come for a great shaking upon California. Many will receive it and many won’t, but the shaking that is coming is birthing forth the greatest birthing that California has ever seen. The greatest birthing of My Spirit to bring about the greatest fire of My cleansing and purifying that has been seen. For I am not sitting on the sideline and waiting, I am active, I am moving, and I am preparing My people within California to see a mighty move of My fire. For there has been great injustice, there has been great rebellion, there has been great sin that has taken place within California but My heart is to bring purification. My heart is to take what the enemy has used to steal, kill and destroy and to bring turnaround.

For the turnaround coming is not what many expect. The turnaround that is coming is coming in a way that is unexpected and it will take eyes to see and ears to hear to hear and receive the divine turnaround of My hand. For nothing is impossible for Me, and I am committed to California. I am committed to bringing My purposes and plans forth in California.”

“For my thoughts are not your thoughts, neither are your ways my ways, declares the Lord. For as the

heavens are higher than the earth, so are my ways higher than your ways and my thoughts than your thoughts.” – Isaiah 55:8-9 (English Standard Version)

The Lord is honouring all the intercession and prayer that has been sowed into the state of California, and now there is a greater wave of intercession that is about to significantly increase.

I heard the Lord say:

“For there has been much intercession and prayer that has been poured into California. There has been great times of mourning, repentance and standing in the gap for this state, and the wave of intercession is about to significantly increase. The wave of intercession and tears is about to increase, but My people do not be discouraged by the wave of intercession that is about to gain greater momentum. For this wave of intercession, mourning and repentance must come forth to bring forth the birthing of breakthrough and purity that I am wanting to release.

I am looking for those who will partner with Me and will carry the wave that is about to come crashing in and increase. For in the increase of intercession that is about to significantly gain momentum, those that lean in, those that want to hear My heart, will receive My heart in greater ways. They will see as I see. They will speak as I speak in greater ways than they ever have. I will entrust My secrets of California to those who are coming before Me without agenda, and seeking My heart to partner with My ways and what I want to do in California. Those who are giving Me room to move on My terms and how I want to.”

A VAULT OF MY SECRETS IS BEING OPENED OVER CALIFORNIA I had a vision and I saw Jesus standing before a HUGE GOLDEN VAULT. I then saw a small door leading into the room where Jesus was standing before this vault. This door reminded me of the door I have seen many times in this season, it was TINY and I knew it was the door of “humility”. It was the door of surrender and entering in with humility. I could feel the invitation from the heart of God to enter into this room with Him, but it would take humility. It would be the place of surrender to His will and His ways to enter in, to be willing to hear, see and receive what He wants to release on His terms and in His way.

I saw SO many of God’s people and intercessors throwing clipboards down and I knew straight away on these clipboards were notes of expectations of how God should move in California, or when He should move, or where He should move. As they threw them down to the floor, there was a FRESH “YES” of surrender and humility that resounded. They entered through this small and tiny door and I saw the Lord’s face beaming. His face was beaming with such delight at those who were coming in to hear and receive what He was going to release.

I then heard the Lord say:

“I am now opening a VAULT of My secrets and greater revelation and strategy for California for My people to receive, that as this wave of intercession is about to significantly increase, these divine secrets will be released as arrows of strategy, to pray and to unlock and disarm the landmines of the enemy all throughout California. I am releasing these secrets from the VAULT of heaven that have been stored for such a time as this. These revelation, secrets and strategies will look different than many that have

been received and used before, but it is a deeper unlocking of revelatory strategy from My Word to bring about the great VOLT OF MY POWER.”

“He changes times and seasons; he removes kings and sets up kings; he gives wisdom to the wise and knowledge to those who have understanding; he reveals deep and hidden things, he knows what is in the darkness, and the light dwells with him.” – Daniel 2:21-22 (English Standard Version)

VOLTS OF HIS POWER

“And when they had prayed, the place in which they were gathered together was shaken, and they were all filled with the Holy Spirit and continued to speak the word of God with boldness.” – Acts 4:31 (English Standard Version)

As many of God’s people had entered this place of intercession receiving new strategy, revelation and insight from the VAULT of heaven, they were soaring higher with eyes like eagles and owls, with the insight and wisdom of heaven. There was not a reliance upon the “way things have been” or “man’s wisdom” but it was a higher place of partnering with Him to release His heart and decrees into California that was going to bring about a great **“DISARMING”**.

As they were partnering with God’s heart and His decrees, stewarding His secrets with His wisdom in intercession and the prophetic I watched as shockwaves of His power were sent all the way through California. It was like an earthquake of His power spreading all across the state and everything was shaking. He was rearranging, He was moving, He was shifting, He was bringing down and raising up, and the atmosphere was full of a decree of a great rearranging and aligning by His hand to bring California to a place of greater purity.

That California would be known as a place of purity and it would take only the hand of the Lord to bring about such a miraculous cleansing and turnaround.

As the power of God spread throughout California I heard the Lord say:

“Life must come back to the heart! Life must come back to the heart! Where there has been great heart failure, the shockwaves of My power and shaking will bring LIFE back to the heart. California WILL breathe again. California WILL breathe again. California in the move of My hand, you will breathe again.”

“The sound of My heart beating in California will sound different to what it has been before, the rhythm of My heart will be released and heard in a different way as I am doing a new thing in the state. I am birthing a new move of My Spirit. I am bringing My people deeper into the place of walking in the RHYTHM OF MY ROAR!!!! The rhythm of My heart that releases My ROAR! For the new sound of My heart is being released to release the lifeblood back into California. It is time to revive the heart of California. In the darkness, in the shaking, in the rearranging, I am reviving the heart of California and bringing a great cleansing and turnaround.

“In what looks and smells dead, in what looks like death, look past it in the natural and look to Me knowing that the VOLTS of My RESURRECTION POWER will be released to bring LIFE again, LIFE again, LIFE again!”

OH GOSH IT IS DARK LIKE NIGHT, HE SAID
“NO IT’S A NEW DAY”

“Behold, I am doing a new thing; now it springs forth, do you not perceive it?” – Isaiah 43:19 (English Standard Version)

I heard the Lord continue to speak

“Many of My people will look in the natural and say “Oh gosh, it is dark like night, but I am decreeing “NO, it is a NEW DAY!!!! Do not be discouraged, do not be perturbed by increase of darkness, do not be anxious by what you see in the natural, for even though in the natural it may look as dark as night, My decree over California is that a NEW DAY is upon you. A new day is upon you to see Me move and transform, to shake and to rattle, as I step in!!!!”

“For My Church is rising and will continue to rise up in California in a whole new way. There is a great shaking that will take place in the body of Christ in California that will bring forth a great maturity in Me that will be required to carry what I am releasing into the state. So do not despise the shaking, but embrace it. Know that I am moving to establish, to fortify, to mature and to strengthen My people to receive all that I am releasing. For what I am going to do in California may offend many, it will cause a “breaking of boxes of agenda and wrong expectations” but in the shaking, embrace Me, embrace what I am releasing, do not turn away from what I am doing because it looks different. Embrace Me and know that I am the God of justice, I am the God of love, I am the God of restoration, I am the God of increase, I am the God of turnaround, I am the God of healing, rearranging, cleansing, purifying and I am the God of FREEDOM.”

A SILENCE WILL COME OVER THE CHURCH OF CALIFORNIA

“Be silent, all flesh, before the Lord, for he has roused

himself from his holy dwelling.” – *Zechariah 2:13*
(English Standard Version)

I then heard the Lord say:

“A silence will come over the Church of California, it is a holy silence of reverential awe of who I am. The fear of God being restored to the Church of California. How I am stepping in, how I am moving, how I will move and what I am going to do is going to see FEAR, AWE and HOLINESS restored to the Church of California. A quietness and silence will come over congregations, come over Churches, come over meetings as I step in and reveal My holiness. The King of Glory stepping in. As I step in, the silence that comes from the awe of seeing Me and My Glory will bring a great cleansing and maturing to the Church of California. It will bring about a beautiful trembling awe in My presence of who I am and My power. You will be left never the same. The way I step in, the way you see Me take My place, will leave you speechless. For I am uprooting, I am cleansing the altars and rearranging within My Church, the great preparation to receive that which I am releasing into California.”

MICHAEL IS BEING SENT IN

“Bless the Lord, O you his angels, you mighty ones who do his word, obeying the voice of his word!”
– *Psalms 103:20* (English Standard Version)

“In the shaking that will increase and take place in California, I encourage you My people to not be afraid. For there is an intense holy shaking that is taking place that will continue to increase, and also the enemy is bringing about a great shaking as well. In the battles and the shakings that will increase as the new day begins to burst forth, do not be afraid. For Michael the Arch Angel is being sent in with angelic reinforcements to accomplish that which I am birthing and releasing. For even in the shaking there will be greater demonstrations of angelic activity, assignments and movements in California to bring about My desired victory in California. Keep your eyes up, keep your eyes on Me and know that no matter what you see, I am moving in California and I have plans for California.”

“In the shaking, guard your tongues! Speak only what

I am speaking! Do not be careless with your words and what you speak over California. Speak what you see in the VAULT I am releasing. Speak what I am releasing in the Word! For there will be a great temptation to speak what I am not speaking over California in the shaking.”

“Death and life are in the power of the tongue...”
– *Proverbs 18:21a* (English Standard Version)

I then had a vision and saw word curses that had been and were being spoken over California not from the heart of the Lord, but as God’s people were rising up and hearing what He was saying, seeing what He is releasing and revealing from His Word, the true revelation of His heart, I saw in the echo of His decree, angelic hosts were being sent out into California with sickles in their hands and they were cutting the vines and the tares of word curses. The tears of the saints, the tears of intercession were paving the way for a mighty ‘clearing’ for the King of Glory to come in. These word curses were being broken, and paving the way for a great harvest, a great harvest to be received.

CALIFORNIA TIME

I heard the words “It’s California time” and I had an strong sense of the “delays” that the enemy has attempted in so many ways to bring forth in California. To bring about a great delay of what God is doing and the turning He has wanted to bring, but now it’s time for California to shake and rearrange to see God move in power.

The way the Lord is training His people in California right now and in the shaking that will increase to discern what He is saying, what He is doing and the time and season,

is going to see a great move of TIMES AND SEASONS prophets rising up out of California with greater discernment, to move into the body of Christ and the world training others to discern the times and seasons, the sons of Issachar. (1 Chronicles 12:32) In the shaking, God will increase discernment, open eyes and ears to His ways and His strategy and timing, that is not only preparing God's people in California for a great harvest, but to be sent out to train, impart and equip others in discerning and understanding the times and seasons. "There will be a great domino effect that will ripple forth from California. Keep your eyes on California, for what I am doing and about to do in California will be a prophetic picture for many other places in the United States. **"California WILL BREATHE AGAIN!!!"**

PRAYER POINTS

Prophetic Instruction to Intercessors: Shift the Atmosphere and Get Rid of the Snake

This is a word to sound an alarm for those who pray for the church and those who lead it. It is a reminder that intercessors have a powerful God-given grace to shift atmospheres and cultures through their prayers. It is also a warning of how the enemy is poisoning that same grace to weaken the Church and its witness.

Intercessors open gateways to God's presence that permeate every priority in the life of the church (Mal. 1:11; Luke 3:21). Just as parents create and establish an atmosphere in the home, so do intercessors create and nurture a spiritual environment in the Church that can either open doors to heaven, or open doors to

hell. The Lord wants us to know the difference and address some ungodly beliefs that are limiting our influence in intercession.

I was shown in a recent dream how the enemy was sneaking into the church through a faulty mindset that was impacting every area of the community. It was represented as a snake that was brought in for Show and Tell—and it was brought in by an intercessor.

At the beginning of the dream, I saw a community pastor taking a count of people coming into a church service. He was preoccupied with numbers and was comparing this crowd to the last service, commenting on the means and methods to get people through the door. They were even required to register at the front desk before entering the service to help build the ministry network. I could tell his focus was on numbers, reputation and appearance more than on kingdom values.

It was what I saw next that shook me. I went into the kitchen. I saw one of our older intercessors standing there with a bag in her hand. She had brought in her pet snake for everyone to see. I was immediately startled and surprised, yet she had no idea what she was carrying. She truly thought it was a pet and was excited for others to see it. Just like a grade-school student bringing in a pet rabbit for Show and Tell, this intercessor brought in her pet snake. I knew it represented a faulty mindset she was holding onto without realizing the poison it carried.

This snapshot revealed a demonic spirit that is creeping into the church through an ungodly belief. It's a spirit that seeks to "show and tell" more than to humbly serve. The next few scenes I was shown underscored this Show and Tell mentality that has permeated the church.

The worship team that had been hired was leading the crowd in a party-type atmosphere. Other musicians were joining in from other corners of the congregation, standing on their chairs and performing with the band, much like a karaoke activity. Everyone wanted to be seen and heard, and all were encouraged to join in. I also saw one of the leaders taking around trays of food to congregants during the service. They seemed to be more concerned with the comfort and happiness of their congregation than they were the state of their hearts.

I saw a drink being served that was known to be anti-venom drink. It had been prepared for the community to lessen the effects of the poisonous snake in their midst. I knew this represented some of the current teachings in the church that are compromising holiness and focusing on better performance in order to maintain popularity. These watered-down teachings are desensitizing believers to the consequences of Satan's poison. The last thing I saw was myself back in the kitchen, trying to get this snake back in the bag. It was struggling to stay alive and determined to poke a hole through the bag so it could breathe. PRAYER.

I believe the Lord showed the snake in the kitchen near the beginning of the dream and again at the end to highlight the influence intercessors have in the atmosphere of a church. Just as the kitchen is the heart of the home, so is intercession the heart of the church. The posture and attitude of intercessors can be an aroma that attracts heaven or a musty smell that hinders the life and growth of the Spirit. What was carried in by this intercessor was affecting the entire

atmosphere of the church and needed to be addressed. She was not doing it on purpose – she had simply been conditioned to believe it was a good thing.

“Another angel, having a golden censer, came and stood at the altar. He was given much incense to offer with the prayers of all the saints on the golden altar which was before the throne. The smoke of the incense, with the prayers of the saints, ascended before God from the angel's hand” (Rev. 8:3-4)

The photos of members of the 2018 Congress. They are useless! They funded Mueller and all the lies being covered up to take out Pres. Trump. They are not overseeing the FBI, DOJ, SPECIAL COUNSEL or liberals inciting violence against our president. We must pray and vote them out of office. Anoint each photo with oil. Ask God to bring down their godless kingdom of darkness. Pray for God's people to wake up and stand up.

None of their million dollar investigations have brought any consequences to DEMOCRAT LIARS to Congress.

Tax payers are being sabotaged. They have to go! Names listed below must be called out to God and quote Scriptures over each of them. See America delivered! We pray that our government leaders will establish domestic peace and prevent evil doers from prospering as it says in your Word, “A wise king winnows out the wicked.” (Proverbs 20:26 NIV)

“Kings detest wrongdoing, for a throne is established through righteousness.” (Proverbs 16:12 NIV)

“Righteousness exalts a nation, but sin is a disgrace to any people.” (Proverbs 14:34 NIV)

Guide our leaders in defending our communities from threats of lawlessness within our borders and from outside of our borders. But most of all, give our government leaders a deep and abiding faith in you. We claim these promises for them today, “Love and

faithfulness keep a king safe; through love his throne is made secure.” (Proverbs 20:27 NIV)

“When a man’s ways are pleasing to the Lord, he makes even his enemies live at peace with him.”

(Proverbs 16:7)

Give our leaders a strong, trusting relationship with Jesus Christ the Good Shepherd that our leaders might in turn be truly good shepherds of their flock You have entrusted to them. We pray in the name of Christ the Everlasting King, Amen.
