BRANSON – SPRINGFIELD, MISSOURI

“BRIDGING THE DIVIDE”

AUGUST 9-11, 2018

Will the Spiritual Divide in America bring forth a Supernatural Natural Divide of our Nation?

Will the apathy of God's people who are following a compromised, diluted, false gospel allow a major blow to our National Unity?

Location: Holiday Inn Express....HWY 76 Phone: 417 336 1100 ask for InsightUSA reduced rates \$80 double

ABOUT THE HOST; Faye Hardin

Faye is founder and host of InsightUSA. She leads a national patriotic prayer network dedicated to praying for America's deliverance from evil doers in high places using psycho-politics to remove God and the U S Constitution from governing this land. She has traveled the nations and experienced Communism and socialism first hand. Faye's prayer teams meet weekly and pray the publication provided to them that Faye writes personally that includes issues, a Bible study and prayer points that are biblically based concerning the spiritual battle of the nation. She based this on the Scripture: Deuteronomy 32:30

“How should one chase a thousand, and two put ten thousand to flight, except their Rock had sold them, and the LORD had shut them up?”

Faye is an evangelical Christian activist called in the nineties to rebuke the plan of Hillary Clinton to bring our nation under a godless agenda of Communism. She was shown this was a spiritual not political battle and began organizing prayer warriors to pray weekly the same prayers binding the demons positioning themselves to remove God and freedom to pray, the Ten Commandments and the Bible from all public education institution. Mocking God was accepted while Christians kept silent. The lie and abuse of power of paganistic judges appointed to the Supreme Court and ruling an unconstitutional decision, “a separation of church and state,” was a foundation the atheists and secular humanists set.

Faye did not even know who the governor of Fl. was and did not care. It was during this time God revealed her to the feminist movement and its origination was Russia. Phyllis Schlafly became her mentor.

Faye now hosts a popular television program, “Faye Hardin presents Battlecry,” that airs nationally on the GEB network on Direct TV ch. 363 and local stations nationwide. She believes we have our work cut out for us as Christians. 50% of our youth don't believe there is a God. That is shameful for a nation that has as many churches and Christian broadcasters as we have. This must change. We must redeem the land. Our nation has never been this divided. The Lord spoke to Faye last June to bridge that divide. Go back to the beginning of the Civil War and avenge the blood of the innocent. Revisionist history must be removed from our history books. Bibles must go back in classrooms. Revival of salvation must go forth to our youth. God's people must go to work!

Missouri holds a prophetic message to us. We will seek to know what that message is at our Leadership Summit. Don't miss our Summit.

=====

The SPEAKERS will lead this mighty move of God, Their call, like Faye's is exclusive;; United they will bridge the divide with the help of the Eagles united with Faye.

"Once more a remnant of the kingdom of Judah will take root below and bear fruit above. For out of Jerusalem

will come a remnant, and out of Mount Zion a band of survivors. The zeal of the Lord Almighty will accomplish this." (Isaiah 37:31, 32)

ROY WHITE is a retired Air Force officer and fighter pilot of 20 years of service retiring in 1999. In 2013, he founded "Truth in Texas Textbooks" (now called "Truth in Textbooks") whose mission is to review K-12 social studies textbooks for accuracy and truthfulness. He currently serves as the President of TNT.

Since its inception, "Truth in Textbooks", has trained nearly 200 individuals who have joined the effort to replace the politically correct history found in our children's textbooks with history that accurately portrays the Judeo-Christian values and American exceptionalism that has made America what it is while pointing out the contributions western civilizations have made to the improvement of our world today. His team of reviewers has conducted reviews of nearly 100 textbooks, instructional and supplemental materials in multiple states including Texas, California, Florida and North Carolina. He is recruiting others to join their efforts to return "truth" to our children's education.
