

SR 400 Express Lanes

A Major Mobility Project — P.I. Number: 0001757

Public Information Open Houses

Project Information

The Georgia Department of Transportation (Georgia DOT) is hosting a series of Public Information Open Houses (PIOHs) on the proposed SR 400 Express Lanes to provide the public with opportunities to learn more about the project, ask questions, and provide comments.

State Route 400 (SR 400) is a vital north-south transportation corridor in metro Atlanta that connects people, jobs, and freight. To improve mobility, Georgia DOT plans to add new, optional express lanes from the North Springs MARTA Station to McFarland Parkway.

- Two buffer-separated express lanes in each direction between the North Springs MARTA Station and McGinnis Ferry Road
- One buffer-separated express lane in each direction from McGinnis Ferry Road to McFarland Parkway
