2. High Point prizes are awarded at levels Preparatory to Advanced
3. Combinations must compete at a minimum of three (3) LEG members competitions to accrue points and qualify for the overall championship of that level
4. Points are awarded from 1st to 10th place (1st = 10pts to 10th = 1pt)

5. Combinations are not restricted to accruing points at one level. Combinations will accrue points for all placings in all tests ridden. Combinations that compete across levels throughout the year are eligible to win the overall championship for that level should their points accrual be sufficient not withstanding rule 10.
6. Combination is restricted to 2 tests per event, ie: 1 test at Novice and 1 test at Elementary. Two (2) tests will be provided for all levels at each members competition.
7. All combinations that accrue points at LEG competitions will have progressive scores appear on the appropriate leaderboards at that test level. Once a combination has competed at three Members Comps, the leaderboard will indicate that combination has qualified for the award.
