Biosecurity Recommendations for Competitors

Primary responsibility for biosecurity at horse events lies with the horse owners and competitors long before the event takes place.

Practise good biosecurity

- Practise good hygiene and decontaminate equipment thoroughly.
- Do not share equipment, including food and water containers, between horses.
- Avoid use of communal water troughs.
- If using communal hoses, avoid touching buckets when filling with water to avoid spreading disease from bucket to bucket.

Monitor horse health

- *Do not take sick horses to an event.*
- Notify an event official if a horse is suspected of being sick.
- Isolate the sick horse and seek veterinary advice.
- Isolate any equipment that has been in contact with the sick horse.
