

North American *Stallion Sport Test*

Dressage Stallions

Hilltop Farm

Colora, Maryland

October 31st – November 2nd 2017

Dressage & Jumper Stallions

Pollyrich Farms

Solvang, California

November 3rd – November 5th 2017

Welcome to the inaugural North American Stallion Sport Tests! This is a very exciting week for North American breeders and we are happy to have you with us. It was through a joint effort of the American Hanoverian Society, the Hanoverian Verband, and the German Oldenburg Verband that this North American Stallion has been possible. Dr. Ludwig Christmann, Hugh Bellis-Jones, Natalie DiBerardinis, Sebastian Rohde, Edgar Schutte, Holly Simensen, and Meg Williams formed the working committee that has brought this event to North America.

The 3-day sport test concept is now at the end of its 2nd year in Germany and has been immensely popular. The ability for stallions to focus on a specific discipline, demonstrate continued training and development over consecutive years, and providing the breeders open access to viewing these events have been key components of their popularity. Sport tests are a critical requirement in the lifetime approval process for breeding stallions and this 3-day format, required over two consecutive years, is the latest evolution for testing formats.

Many people and organizations have made these tests possible and we'd like to share a special thanks to our hosts, Hilltop Farm & Pollyrich Farms, who've graciously donated their facilities and time to make these tests possible. The German FN and Dr. Klaus Miesner have been supportive of bringing this format to North America since discussions first began. They graciously gave us the unflinching assistance and support of Viktoria Laufkotter who has been an invaluable resource for the committee as we worked through all the details related to rules, scoring, protocol, and more. Our dedicated volunteer, Kate Palmquist, rapidly built our website www.stallionsporttest.com and continues to update the site and our Facebook pages whenever needed.

Generous sponsors for the formation for the North American Stallion Sport Test, LLC and the tests this year include Friends of the Oldenburg Horse, Anonymous Supporters of the North American Stallion Sport Tests, and Edgar Schutte. Thank you for your contributions!

We are fortunate to have with us an excellent panel of judges, experts, and test riders this year. Join us in welcoming:

Gerd Sickinger:	FN approved Judge for both Dressage & Jumping Sport Tests
Dieter Stut:	FN approved Judge for both Dressage & Jumping Sport Tests
Jurgen Koschel:	Discipline Expert (Dressage) & Steward (Show Jumping)
Sebastian Rohde:	Discipline Expert (Show Jumping) & Steward (Dressage)
Marion Ostmeyer:	Guest Rider (Jumping)
Jessica Wisdom:	Guest Rider (Dressage)
Dr. Christine Foster:	Veterinarian (East Coast)
Dr. Greg Parks:	Veterinarian (West Coast)

One of the unique advantages of this 3-Day Sport Test format allows for the standard of testing to be relative to each stallion's age. Scores are not based on a bell-curve and are comparable between testings. Therefore, the Champion Dressage and Champion Jumping Stallion will be named after the conclusion of both the East & West Coast testing sites.

Our best wishes to all the stallions participating in the Sport Test over this week. We hope this is the first of many great successes in their careers.

Number	Stallion	Sire	Dam Sire	Breeder
18	Rohmeo	Royal Prince	Lord Liberty G	Carol DiMaggio
