

Standard Course for 4 year Old Stallions (Jumping Specific) and Course for Test-riders, All Ages

(Indoor Arena area minimum of 20 m x 60 m – Height Maximum 1.0 meters)

Fences 4 & 5 - Warm-up jumps before course

Directions: After fence 2 at the short side of the arena, transition to trot, circle as indicated, and jump fence 3a in trot. After the bounce (3a) continue course in canter.

- Fence 3a is a crossrail
- All oxers are generally higher in back, not square.
- All fences shall have a groundline pole.
- While the course remains the same for the Test Rider for all stallions, heights are adjusted for age.
- Minor changes are permitted with the approval of the Jump Training Leader and the Leading Judge.
